

Celebration of Innovation

A large, decorative teal swirl starts from the bottom left, loops around the left side of the text, and ends with a star at the top right. Another smaller swirl is at the top right. Several teal stars of different sizes are scattered around the main swirl.

January 18th, 2012, 6 pm – 8 pm
Cascade High School Gym

16th Annual Everett Public Schools Student Technology Fair

Where students showcase their innovative ideas by...

- ★ Connecting Science, Technology, Engineering, Math and Humanities to learning experiences.
 - ★ Providing evidence of thinking and working creatively within and beyond the classroom.
 - ★ Communicating effectively to a community audience.
- 
- A large, stylized teal arrow points downwards from the right side of the list.
