

STUDENTS**Freedom of Assembly**

Individual students and student organizations may meet in school rooms or auditoriums, or at outdoor locations on school grounds, to discuss, pass resolutions and take other lawful action respecting any matter which directly or indirectly concerns or affects them, whether or not it relates to school. Such activities shall not be permitted to interfere with the normal operation of the school.

Peaceful demonstrations are permissible, though they are to be held in places and at times designated by the principal so as to maintain order and safety on the school campus, to avoid interference with school operations, and to avoid obstructing the ingress to and egress from school facilities or school roadways.
