

Our students will lead and shape the future

News release

Jan. 5, 2017

Everett Public Schools welcomes the class of 2030

Next year's kindergarten students begin registration this month

Do you have a child who will be 5 years old by Aug. 31, 2017?

If “yes,” these three dates are really important:

1. **Jan. 16, 2017** – Get kindergarten registration materials [online](#), or,
2. **Jan. 18, 2017** – Get paper copies of kindergarten registration materials at elementary school offices
3. **Jan. 23, 2017** – registration begins at all 17 district elementary schools.

Good news

FREE full-day kindergarten is available at all district elementary schools for 2017-18.

Which school will your kindergartner attend?

To find out, click on [Pathfinder](#), on the district's transportation webpage, or call the transportation office at 425-385-4144.

Four things to bring with you when you register at your school, starting Monday, Jan. 23:

1. Registration forms which will be available for download on Jan. 16. (If you have the forms all filled out before registration day, the process will go more quickly that day during registration.)
2. Your child's birth certificate or passport documentation. (The [Snohomish Health District](#) Vital Statistics Office (425-339-5220) can help you with Washington state birth certificates. You can order out-of-state birth certificates from [VitalChek](#).)
3. Proof you live in the district. (That could be a utility bill or rental agreement mailed to you at an address inside the district boundaries.)
4. Certificate of Immunization and your Child's Health History. (Contact your child's physician or the Snohomish Health District at 425-339-5220 for information about vaccinations and updates. A [Parent's Guide to Immunizations](#) is also available on the Snohomish Health District's website.)

---end---
