This coverage for demolition only property applies on a per building basis, and is payable only upon completion of demolition. - b. the Claim is reported by the District to WSRMP as soon as practicable after the Claim is made.

2. Exhaustion of Coverage Limits

When WSRMP has used up the Limits of Liability in the payment of judgments, settlements and Defense Costs, WSRMP will notify the District of all outstanding Claims so that the District can take over control of their defense. WSRMP will help transfer control to the District. WSRMP will take whatever steps are necessary to continue the defense of any outstanding Claim and avoid a default judgment during the transfer of control to the District. But this will not waive any of our rights. The District agrees to pay us for the reasonable expenses WSRMP incurs for taking such steps after the Limits of Liability are exhausted.

3. Required Notice to WSRMP

A District which, during the Coverage Agreement period, learns of circumstances that may lead to a Claim being made against a District must give WSRMP immediate notice, including full details about the specific Occurrence involved.

Subject to all applicable Limits of Liability, retentions, terms, conditions and exclusions, WSRMP will pay on behalf of the District those sums which the District shall become legally obligated to pay as Damages arising out of a Wrongful Employment Practice which occurs during the term of this Agreement, and to which this Agreement applies, whether the District's obligation to pay Damages is based on direct liability or vicarious liability.

WSRMP will have the right and duty to defend any Lawsuit brought against the District seeking Damages that are covered by this Agreement. WSRMP will do this even if the allegations are groundless, false or fraudulent. But WSRMP will have no duty to defend any Claim or Lawsuit to which this coverage does not apply. WSRMP's duty to defend begins upon the filing of Lawsuit against the District. Any Defense Costs WSRMP incurs are part of the District's Limit of Liability. WSRMP will pay Defense Costs before WSRMP pays any Damages. WSRMP shall have the right to select counsel to defend any Lawsuit brought against the District and covered by this Agreement.

Upon reasonable notice to the District, WSRMP's right and duty to defend is terminated when the applicable Limits of Liability are exhausted in the payment of Defense Costs, charges, expenses, judgments or settlements under this Agreement.

WSRMP, at its discretion, and after notice to the District, shall compromise or settle any Lawsuit or Claim if, at the time, WSRMP determines that settlement or compromise will be more economical than defense. If the District does not want the Lawsuit settled or compromised, the District may at that time assume the cost of defense, settlement and/or judgment.

3. Additional Benefits

All of the following are in addition to the Limits of Liability that apply to any Claim. However, these benefits end when WSRMP has used up the applicable Limits of Liability in the payment of judgments, settlements, and/or Defense Costs.

- a. WSRMP will pay prejudgment and post-judgment interest only on that part of any judgment WSRMP pays. WSRMP will not pay any prejudgment interest that accrues after WSRMP offers to pay the applicable Limit of Liability. WSRMP will not pay any post-judgment interest that accrues after WSRMP pays or offers to pay WSRMP's share of the judgment;
- b. WSRMP will pay premiums for bonds that are required in a Lawsuit WSRMP defends. These include appeal bonds and bonds to release property that is being used to secure a legal obligation up to the applicable Limit of Liability of this Agreement, but without an obligation to apply for or furnish any such bonds; and

Article VII. General Terms and Conditions Applicable to All Coverages

A. Limits, Sublimits, and Aggregates

All limits, sublimits, and aggregate limits set forth in the Coverage Agreement apply on a per Member District basis unless otherwise specified in the body of this Agreement or endorsements thereto.

B. WSRMP Retention and Uncollectibility of Reinsurance or Excess Insurance

The Limits of Liability/Coverage stated in the Declarations consist of (1) a retention amount provided by WSRMP, and (2) the remaining amount up to the full Limit of Liability/Coverage indicated in the Declarations (hereafter the “excess amount”) provided by reinsurance or excess insurance purchased by WSRMP. In the event of insolvency of, or inability or unwillingness to pay by any reinsurer or excess insurer, WSRMP will be liable only for its per Occurrence retention amount and will not be obligated to pay any part of the excess amount, provided, however, that WSRMP retains the right to pay any part of the excess amount that it, in its sole discretion, may determine advisable.

C. Salvage and Recovery

All salvages, recoveries and payments recovered or received subsequent to a loss settlement under this Agreement shall be applied as if received or recovered prior to the settlement and all necessary adjustments shall be made by the parties accordingly.

D. Inspections, Audit and Verification of Values

WSRMP or its duly authorized representatives shall be permitted at reasonable times during the term of this Agreement to inspect the premises used by the District and to examine and audit the District’s books or records as far as they relate to the coverage afforded by this Agreement, and to verify the value of scheduled assets.

WSRMP has the right and shall be afforded the opportunity, but has no obligation or duty, to inspect any damaged property owned by the District or in its care, custody, or control and for which a Claim for benefits under this Coverage Agreement is made, before the property is repaired or replaced. At the request of WSRMP, the District shall make any such damaged property available for inspection by WSRMP or its duly authorized representatives.

E. Records

It is hereby understood and agreed that the records and books as kept by the District shall be acceptable to WSRMP in determining the amount of loss or damage covered hereunder. As an express condition of this Agreement, the District grants to WSRMP, and WSRMP reserves, the right to periodically inspect and require reasonable changes and/or improvement in record keeping.

F. Cancellation

This Agreement may be canceled by the District or by WSRMP according to the terms of the WSRMP Account Agreement.

G. Other Insurance

The parties to this Agreement recognize that policies of insurance may contain Other Insurance Clauses and in consideration of the mutual promises and covenants contained herein, it is therefore intended, understood and agreed that if the District is insured against a loss covered by this Agreement, the coverage extended by this Agreement shall be excess of such insurance and not primary or contributing. This Agreement's coverage also shall be excess of any other coverage or insurance provided on a claims-made basis subsequent to the coverage extended by this Agreement, whether that other coverage or insurance is stated to apply on a primary, excess, contingent or any other basis. Following cancellation or expiration of this Agreement, it is the intent of WSRMP and the District to apply this Agreement's coverage as primary only when no other coverage or insurance applies to the loss or Claim. Notwithstanding the foregoing, in the event the District purchases insurance in excess of the Limits of Liability stated in this Agreement, such excess insurance shall not be considered other insurance for the purposes of this paragraph, and will not be considered in the application of any pro-rata liability or apportionment clause.

Also notwithstanding the foregoing, if the District purchases any insurance for Firearm liability, this Agreement will not apply, and WSRMP will not contribute, whether on a primary, excess, contributory, or any other basis, to any Claim or loss that is covered by such Firearm liability policy.

H. Notice of Occurrence, Wrongful Act, Claim or Lawsuit

If Claim is made or a Lawsuit is brought against the District for a covered Occurrence or Wrongful Act, the District shall immediately forward to WSRMP every demand, notice, summons, or other process received by the District or the District's representative. WSRMP is not authorized to accept notice of a Claim against a District from any third party for purposes of compliance with any Claim presentment statute.

I. Duties in the Event of a Claim

In the event of loss or damage to property, or if any Claim is made against any District, entity or person, the District must see to it that the following duties are performed:

1. Immediately record the details of the Claim and the date it was received by the District;
2. Immediately notify WSRMP in writing of the loss, damage or Claim, giving a description of the property involved or the nature of the Claim, along with how, when and where the loss or damage occurred or the Claim took place;
3. Send WSRMP copies of any demands, notices, summonses or legal papers received in connection with the Claim;

4. Provide WSRMP with information at WSRMP's request, including documentation and access to District personnel, and fully cooperate with us in the handling, investigation and defense of the Claim, and adjustment of loss or damage; and
5. Assist WSRMP, at our request, in enforcing any right of recovery against any person or organization which may be liable to the District. Do nothing to prejudice any rights of recovery that may exist.

J. Assistance and Cooperation of District

The District shall cooperate with WSRMP and, upon WSRMP's request, shall assist in making settlements, in the conduct of Lawsuits and in enforcing any right of contribution or indemnity against any person or organization who may be liable to the District because of Personal Injury, Bodily Injury, Property Damage, Wrongful Act, or other liability with respect to which coverage is afforded under this Agreement; and the District shall attend hearings and trials and assist in the securing and giving evidence and obtaining the attendance of witnesses.

K. No Voluntary Payments

The District shall not, except at its own cost, voluntarily make any payment or settlement, assume any obligations, admit liability or incur any expense other than for such immediate medical and surgical relief to others as shall be reasonably required at the time of the accident or Occurrence. The District shall not agree to entry of a judgment against it without the express agreement of WSRMP.

L. Loss Payments

WSRMP shall promptly pay on behalf of the District all payments in accordance with the amounts stated in the Limits of Liability/Coverage Section, subject to the terms and conditions of this Agreement.

M. Decision to Appeal Judgment

In the event the District and WSRMP are unable to agree on whether a judgment should be appealed, a disinterested attorney, mutually agreeable to WSRMP and the District, shall be retained and directed to render a written recommendation concerning such appeal. Such written recommendation shall be binding on both the District and WSRMP. Fees of such a retained attorney shall be borne equally by both parties.

N. Review by Executive Board and Arbitration

Any dispute or controversy arising out of or relating to this Coverage Agreement shall first be submitted to review by the Executive Board of WSRMP. The Executive Board shall consider all written submissions by either party, and, if requested by either party, provide both parties equal opportunity for oral argument. Unless otherwise agreed by the parties and WSRMP, the Executive Board shall determine if WSRMP's position should be upheld or if the Member District should be granted coverage according to its position, and the Executive Board shall issue its decision in writing within

thirty (30) days of submission of such dispute or controversy to the Executive Board. Such written opinion shall briefly state the reasons for its decision.

If a Member District disagrees with the written decision of the Executive Board, then the Member District may submit, in writing, such dispute or controversy to arbitration to be held in Seattle, Washington or such other location as the parties may agree upon, in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect and the Revised Code of Washington, (RCW) 7.04A. There shall be three arbitrators, the Member District and WSRMP each selecting one arbitrator; the third arbitrator shall be selected by the two previously appointed arbitrators. The party demanding arbitration shall name its arbitrator in the demand for arbitration. The responding party shall name its arbitrator within fifteen (15) days after receipt of demand for arbitration. The third arbitrator shall be named within fifteen (15) days after the appointment of the second arbitrator. A Commissioner or Judge in the King County Superior Court shall be empowered to appoint any arbitrator not named in accordance with the procedure herein. The decision of the arbitrators shall be final and binding upon the parties with the right to appeal only as provided in RCW 7.04A.

Any award rendered by the arbitrators shall be final and judgment thereon may be entered by any court having jurisdiction thereof. The panel of arbitrators shall have the discretion to apportion the costs and expenses of the arbitration (including reasonable attorneys' fees) in accordance with the merits of the arbitration. The panel must render its decision by a majority of the panel within ninety (90) days of the appointment of the third arbitrator, following reasonable opportunities for presentation of evidence, law and argument.

O. Subrogation

WSRMP shall be subrogated to all rights which the District may have against any person or other entity with respect to any Claim or payment made under this Agreement, and the District shall execute all papers required by WSRMP, shall cooperate with WSRMP to secure and protect WSRMP's rights, and shall do nothing before or after a loss to impair those rights. In case any reimbursement is obtained or recovery is made by the District or WSRMP on account of any loss covered by this Agreement, the net amount of such reimbursement or recovery, after deducting the actual cost of obtaining or making the same, shall be applied in the following order:

1. First, to reduce the District's loss because of the application of the retention;
2. Second, to the amount of loss which exceeds the applicable Limit of Liability; and
3. Third, to reduce WSRMP's loss until WSRMP is fully reimbursed.

The District shall immediately notify WSRMP of any reimbursement or recovery obtained on account of any loss covered by this Agreement.

P. Conflicting Statutes

In the event any provision of this Agreement is unenforceable due to non-compliance with state, county or municipal law, this Agreement shall be enforceable by the District with the same effect as if it had been in compliance with such law.

Q. Assignment

The District may not transfer or assign its rights, duties or interest under this Agreement without WSRMP's written consent, given by way of written Endorsement.

WSRMP shall have no liability for any Claim involving or arising out of the actual or purported assignment of rights under or concerning this Coverage Agreement, or the right to collect any proceeds payable under this Coverage Agreement, whether or not loss has been incurred or judgment rendered, by consent, stipulation, or otherwise, including, but not limited to, any assignment of contractual, statutory, or purported extracontractual right any District may have, or believe it may have, against WSRMP, or any stipulated judgment or consent judgment against any District.

In the event the District attempts to assign any of its rights under this Coverage Agreement, WSRMP may, at its sole discretion, void the Coverage Agreement.

R. Integration, Waiver, and Modification

By acceptance of this Agreement, the District agrees that it embodies all agreements existing between the District and WSRMP or any of its agents relating to any coverage under this Agreement. None of the provisions, conditions or other terms of this Agreement shall be waived or altered except by written Endorsement issued by WSRMP. Notice to any agent or knowledge possessed by any agent or by any other person shall not constitute a waiver or change in any part of this Agreement.

S. War Clause

There is no coverage under this Agreement for loss or damage directly or indirectly occasioned by, happening through or in consequence of war, invasion, acts of foreign enemies, any weapon of war employing atomic fission or radioactive force whether in time of peace or war, hostilities (whether war be declared or not), civil war, Act of Terrorism (except only as provided under Article I.A.F.), rebellion, revolution, insurrection, military or usurped power, confiscation or nationalization or requisition or destruction of or damage to property by or under the order of any government or public or local authority unless such acts of destruction by order of civil authority are at the time of and for the purpose of preventing spread of fire; or Claims or liability arising directly or indirectly from nuclear fission, nuclear fusion or radioactive contamination.

There is no coverage under this Agreement for any Claim or liability for, and WSRMP will not be obligated to make any payment or defend any Lawsuit in connection with or relating to, any Bodily Injury or Property Damage caused solely and directly by an Act of Terrorism involving the release or dispersal of nuclear, chemical, or biological agents or material.

T. Cyber Loss

There is no coverage under this Agreement for Data Breach Expenses, Privacy Liability, Network Security, Internet Media, Network Extortion, Digital Asset Loss, Income Loss, or Contingent Business Interruption, as those terms are defined in WSRMP's Cyber Loss Endorsement. Coverage for these risks is available through a separate Privacy and Network Liability policy issued by a commercial insurer, as explained in the Cyber Loss Endorsement.

There is no coverage under this Agreement for Technology E&O Liability, as that term is defined in WSRMP's Cyber Loss Endorsement, except for the limited Technology E&O Liability coverage described in the Cyber Loss Endorsement that applies only to Member Districts not purchasing the separate Digital Technology & Professional Liability policy.

If the District makes a Claim known to the District to be false or fraudulent in any respect, this Agreement shall become void and all rights of the District hereunder shall be forfeited.

V. District's Duty to Mitigate

As a condition to any and all obligations of WSRMP hereunder, the District is obligated to take reasonable steps in mitigation of any covered loss or damage. In the event the District fails to take reasonable steps in mitigation, WSRMP may deny coverage for any aspect of the loss which could have been avoided through reasonable steps in mitigation.

Among the acts of mitigation which the District shall be obligated to carry out is to cease taking a continuing action which is the subject of a Claim where the Executive Board finds the continuing action is likely to unnecessarily increase the exposure of WSRMP to continuing damages during the pendency of the adjudication of the Claim. The District shall be given at least seven (7) days' notice of its obligation to thereafter take the mitigating action. If the District fails to follow the directive of the Executive Board, by vote of at least two-thirds of a quorum, it may, thereafter, decline to extend the coverage of WSRMP or, if previously extended to, thereafter withdraw or place a limit on the amount of Money Damages and Defense Costs WSRMP will pay for the Claim. Prior to taking action withdrawing or limiting coverage, the Executive Board shall consider the matter at a regular or special meeting at which the issue shall be noted on the agenda.

The District for which coverage is to be withdrawn or limited shall receive specific notice that this matter will be considered. WSRMP shall, in any case, pay for all Defense Costs incurred prior to the date that coverage is withdrawn.
