Welcome to Everett Public Schools!

This is an exciting time for you and your child, one full of promise and possibilities. Please know that everyone in Everett Public Schools considers your child's education as our most important work. We know that partnering with you is the best way we can work together to ensure that your child has a rewarding experience from the first day of school. We offer full-day kindergarten at every elementary school, as well as several choice programs. Our goal is to support your child's success in school and life. Working as a team we can prepare a bright, capable, confident young adult for the world.

We look forward to celebrating together your child's graduation in 13 years.
