GENERAL BUILDING/STAFF PROCEDURES

ACCIDENTS

If an accident occurs involving staff, it should be reported immediately to administration.

ASSEMBLY SEATING

Please refer to the assembly seating chart. You may enter from either side of the cafeteria.

BUILDING MEETINGS

Staff meetings will be held every other Wednesday from 3:00-3:30 p.m. The purpose of the meetings will vary. Certificated staff are required to attend, and all other staff are always welcome at their own choice.

BUDDY ROOM

Each teacher is to have a “buddy classroom” where students should be sent if they need a few moments to calm down or refocus for learning. Students are not to be sent to the office unless their behavior choices require them to be removed from the classroom setting to speak with an administrator.

It is important to remember that students misbehave for reasons. They are coping in the way they know. With students of poverty, sometimes these reasons are the bottom tier of Maslow’s hierarchy – their basic needs are not being met, they may be tired from lack of sleep, they may be dehydrated, they may be hungry. In educational literature, it is commonly accepted that the four main reasons (barring basic needs) that students misbehave are: attention-seeking, power, revenge against the adult, and avoidance of work that may be too difficult or easy. As professional educators, it is important that as we deal with unexpected behavior, we always analyze the root cause and how we can work with them to meet their basic needs. There are specific strategies for each of the four reasons that are effective.

CLASSIFIED STAFF INFORMATION

In addition to expectations outlined in collective bargaining agreements, please adhere to the following guidelines:

- **Work Hours** – You are expected to start and end work at your scheduled time unless you have prior approval from the principal or your supervising teacher to adjust your hours on a given day. In addition, please make sure you are in your assigned supervision and group instruction areas on time.
- **Signing in and out** – If you leave campus during the school day (whether returning or not), you need to sign out on the clipboard in the office. This way, we know where you are in case of drills or actual emergencies.
- **Lunch and breaks** – Working through lunch and breaks is not allowed. Prior approval is needed to extend your lunch break (and, therefore, your workday) beyond a half-hour.

- **Comp time** – Prior approval is required both to bank and to take comp time. In situations where this is not possible (such as staying late with a student who was picked up late), please email the principal and your supervising teacher by the following day to ask how compensation for extra time worked will be provided (comp time or pay). If comp time is to be taken, it needs to happen very soon after it is banked. All comp time earned and used must be logged in the Classified Staff Comp Log in the office.
- **Cell phone use** – With the exception of your lunch and break times, you should not be using your cell phone during the workday, with the exception of on-site or family emergencies.
- **Personal work** – With the exception of your lunch and break times, you should not be engaged in personal/non-district work during the workday. You also need to understand that any work done on district computers (including personal work) is subject to open records request laws as well as district monitoring. You also should not be printing personal materials on district printers.

COPIES and PRINTERS

Copies cost money. Please be judicious in the use of printers and numbers of copies. Requests for color copies must go through the office.

EARLY DISMISSAL PROCEDURES FOR WEATHER AND OTHER EMERGENCIES

In the case of an early dismissal from school for weather or other emergencies, staff are required by contract to remain on campus until all students have been safely dismissed.

EMAIL

As a reminder, all staff are to check their email each day. Email is considered a central form of communication in the Everett Public Schools. All messages on the Everett Public Schools email system are considered to be public record. No privacy is guaranteed for any message sent on this system. Never send a message that you would not want to see appear in the newspaper, court records, etc. Refrain from long conversations with parents on email. Short informational messages about homework, missed assignments, etc. are fine. If the back and forth continues, suggest a phone conference.

EVALUATION LIST (for 2019-2020)

Staff will be notified of their evaluator at the start of the school year.

FIELD TRIPS

Each field trip taken requires a teacher coordinator, in addition to the classroom teacher, to manage the process.

If you are *coordinating* a field trip:

Request a field trip packet from the office manager and return the completed packet to the office manager no less than 3 weeks prior to the field trip. Feel free to check the availability of the date

before taking the time to fill out the packet. The office manager will return the approved and signed packet to the field trip coordinator.

 - Any student with emergency medication must remain with staff delegated to administer those meds for the duration of the field trip.
- ☐ Teachers review district field trip guidelines and review safety and behavior standards with students.
- ☐ Take original permission forms on the trip. Original forms are to be routed to the office assistant following the field trip.
- ☐ Upon return from field trip, return medications and first aid kit to the Health Room. **All medications must be counted and signed back into the custody of the Health Room immediately upon return from the field trip.**

KEYS, BADGES and SECURITY

If you do not have a key to get into the building, please see the office manager, and keys will be issued to you with the approval of the principal. Please carefully follow these guidelines for school keys and badges carefully:

1. Always keep your building keys with you. Keys are never to be given to students.
2. Sign a record for each key issued to you.
3. In the event of a lost key, the principal should be notified immediately. The principal is responsible for notifying the maintenance department immediately upon the report of a lost key.
4. Do not duplicate keys. Doing so is a serious violation of district policy.
5. Return all keys when you no longer have school responsibilities assigned for the areas of the campus for which you were issued keys.
6. If you lose your key card badge, notify the office manager immediately so it can be deactivated. In order to obtain a new badge, one must be purchased at the CRC at the employee's expense.
7. Staff may request to retain their keys and badge during summer break; however, they must verify the numbers of their keys and badge with the office manager annually.

Safeguard your **keys and badge** and report loss or theft to the principal immediately.

Wear your **badge** whenever you are on campus.

When you are on campus **outside of custodial hours**, use the sign-in/sign-out whiteboard located in the hallway near the staff breakroom. If you are the last to leave, arm the building using the Sonitrol keypad in the hallway by the staff parking lot doors.

LAMINATION

There is one laminating machine at Monroe located in the workroom. Due to the high cost of laminating materials and maintenance costs, lamination should be reserved for items that will be used over and over or for those items that will be up on the wall for a long period of time.

Lamination is to be completed by one person designated by the principal. If you need something laminated, please follow these procedures:

1. Fill out a laminating request form and attach it to your items. Clearly mark your name on the back of the papers to be laminated.
2. Place the papers in the laminating request bin in the workroom.
3. Lamination will take place one day per week, and finished products will be placed in your mailbox or delivered to your classroom if the item is too large.

LATE START PROCEDURES FOR WEATHER OR OTHER EMERGENCIES

Staff are expected to make all safe efforts to arrive at work at the usual time in the case of a late start and are to follow the District Inclement Weather policy regarding entering leave if working less than your scheduled hours.

MAILBOXES IN WORKROOM

Teachers – please check your mailboxes before school to ensure messages get to parents on the same day. Leave instructions for your sub to do so as well. Only emergency messages will be delivered to the classroom. Teachers should not send students to the office to retrieve mail.

NOTIFICATION OF LATE START SCHEDULE

Staff members will receive phone call notification if school will be starting late at Monroe. When inclement weather or other emergency conditions delay the start of the school day or cause a school cancellation, we highly recommend that you listen to the major area radio and TV stations. Most radio and television stations will announce any school schedule change or cancellation every 15 to 30 minutes.

OFFICE MACHINES

Any staff member needing training on the use of the copy machine should see the office assistant. Only the office staff is authorized to go into the machine to clear a paper jam or add toner. Please go to them for assistance. Only office staff or a person designated by the principal will operate the laminator.

ROOM CLEANUP

All staff is responsible for keeping classrooms, instructional and office spaces neat and orderly. A special effort needs to be made for **total student participation in room cleanup before dismissal time**. Students should understand this is their classroom and community, and they need to contribute to the care of their space.

1. Chairs should be on desks or tables for vacuuming.
2. Paper, pencils, books, crayons, etc. should be off the floor.
3. Counters and storage areas should be neat.
4. Containers, jars, brushes, etc. should not be left in the sinks.
5. Instructional materials should be put away.
6. Snacks or food in the classrooms should be kept to a minimum and cleaned up thoroughly at the end of each day. Gum and sticky/syrupy/goosey snacks are not permitted in the classrooms. In addition, please focus on healthy, non-sugary snacks when you feel you must feed snacks. Little brains need water and protein.

STAFF ABSENCES

Staff are responsible for informing the district of any absence by calling the Automated Sub System or by logging in to the system from the district website. See the office manager if you need training on reporting an absence. Staff must log in or call in to the system personally – the office cannot call a substitute for you. If you feel sick and are unsure of your absence the next day, PLEASE REPORT THE ABSENCE ANYWAY. It is easier to cancel a sub than to find one in the morning.

STAFF LEAVING BUILDING DURING WORKDAY

Staff leaving the building during their scheduled workday should sign out in the office prior to leaving and upon their return. This sign out sheet is used in the event of an emergency.

STAFF MEMBERS' CHILDREN WHO ATTEND MONROE

Having the family together is a great benefit, but staff members whose children attend school at Monroe are asked to put their professional roles first when at school by following these guidelines:

- Students are not to enter the staff room or workroom.
- Students are not to be left in the office during meetings.
- Students who arrive prior to 8:20 a.m. may wait in the cafeteria during breakfast.
- Students are to proceed to their morning line-up areas by 8:20 a.m. to begin the day in their classroom communities.
- Students are not to be on campus during LID days, LIF times, conference times, or extension staff meetings.
- Students are not to be present during shorter meetings of any kind (staff, IEP/504, etc.).

STAFF NEWSLETTER

Staff members are expected to read the weekly staff newsletter, *Monroe Journal*, which is e-mailed each Saturday. Schedules for the week, calendar changes, important news, and other critical information is included. The information in the staff newsletter is for staff only. Students and parents should not have access to this information. Please keep your copies in a secure location.

STUDENT SUPPORT TEAM (SST)

The Student Support Team meets once a week. The primary purpose of the team is to make decisions/recommendations about students who are struggling at Monroe. If teacher intervention produces unsuccessful results, students are referred by the teacher to the school counselor.

SUBSTITUTES/GUEST TEACHERS

Guest teachers are a critical part of the smooth operation of the education program at Monroe Elementary School. Staff are expected to carefully prepare for any absence, whether pre-arranged or sudden. You should speak frequently with your students concerning your expectations for behavior and activities any time the class is being taught by a guest teacher.

1. Lesson plans, class lists, and other pertinent information should be easily located by the guest teacher.
2. All staff shall maintain up-to-date seating charts for each class and keep them in a place where a guest teacher can readily find them.
3. Teachers shall make adequate plans to assist guest teachers in conducting learning experiences appropriate to their subject and instructional goals.
4. Preferred guest teachers can be requested through the district's automated substitute calling program. Staff with questions about this system should ask for help from the office manager.

SUBSTITUTE SHORTAGE COVERAGE

When there is no substitute to cover for a classroom teacher, the following specialists will cancel their own classes and rotate to cover for the shortage:

- Sarah Muchinsky (Math)
- Katie Sullivan (Reading)
- Jonathan Blaylock (Art)
- Johanna Hilde (PE)
- Kerry Qualey (Library)
- Ann Wilkinson (Music)

TEACHING SUPPLIES

Materials and supplies are available in the workroom for your use. If you cannot find needed items, please check with the office staff. Students will not be allowed in the workroom at any time. Please take only what you need, keeping in mind that the office manager orders supplies each month.

VISITORS

All visitors must sign in and out through the office. Please advise the front office staff if you are expecting a visitor to your classroom. For complete information, please refer to the district's policies on visitors.

VOICE MAIL

To facilitate communication with parents, teachers are requested to update their voice mail regularly and to check their voice mail on a daily basis. Remember to answer voice mail within 24 hours of receipt.

WORKDAY

According to state law, district policy, and as stated in the Collective Bargaining Agreement (Section 9.01A), "The normal working day for full-time employees shall be seven and one-half (7 ½) hours, inclusive of the duty-free lunch period." At Monroe Elementary School, the normal workday for certificated staff is 8:00 a.m. to 3:30 p.m., except for those days with modified work schedules or when a workday extension has been scheduled.

STUDENT/INSTRUCTIONAL INFORMATION

ARRIVAL/MORNING PROCEDURES

All students will arrive to school and go straight to breakfast. If the student chooses not to eat breakfast, he/she will proceed to the covered area behind the gym (4th and 5th grades) or to the gym (1st through 3rd grades), sit in line, and read a book.

Kindergarteners will NOT sit in the covered area or the gym. Instead, they will remain in the Kinder Corral in the front of the school. Parents should not escort their students to the classrooms. They may escort them to the cafeteria to eat with them and say goodbye there.

ATTENDANCE

Attendance will be done by the homeroom teachers on the computer every day by 9:05 a.m. Excused absence notes are expected from parents or guardians and are to be turned into the office daily. Students who are tardy must report to the office for a tardy pass before entering class. To avoid additional phone calls and upset parents, please be sure to report known absences and appointments to the office staff.

BICYCLES

Children in grades 3, 4, and 5 may ride bicycles to school. They are to be walked across all patrol crossings and while on school grounds. Students who ride their bikes to school will be required to wear a helmet and have a bike lock.

COMMON AREA SUPERVISION

Administrators, paraeducators, teachers, and support staff are all responsible for student behavior in common areas. Paras and administrators will supervise the cafeteria and recesses. It is important to be sure each child knows what is expected regarding behavior and rules and regulations. Teachers will assist in teaching behavioral expectations for the cafeteria, playground, office, and hallways. **It is critical that all students understand that all staff have the same authority as teachers in common areas.**

CONFERENCES

Regular parent/teacher conferences are scheduled in November and March for grades K through 5. In addition to parent/teacher conferences, teachers are encouraged to maintain close contact with parents through telephone contact, classroom visits, parent newsletters, etc. Parent communication is crucial and is part of the TPEP process under Criterion 7. Please see that rubric for performance standards.

DISMISSAL

Upon dismissal, students are to leave the school grounds and go directly home. Exceptions will be made for patrols and students assigned to special tasks, activities, or projects. Teachers are to walk all students down to parent pick up in front of the school in the following manner:

- Kindergarten exits from classrooms through rooms 101 and 102.
- First floor classrooms exit through the main doors.
- Portables go down the cement stairs and through the gate using a CAT15 key.
- Second floor classrooms 208, 221, 222, and 225 go down the green stairs and out the main doors.
- All other second floor classrooms go out the second floor NW door, down the cement stairs by the portables, and through the gate using a CAT15 key.

Students who ride the bus home will line up in the gym until they are escorted to the appropriate bus by the supervising paraeducator.

*All early dismissals must be cleared through the office, and all students must be picked up by a parent/guardian from the office. Parents who appear at your classroom, without a visitor pass, must be sent to the office.

FORGOTTEN ITEMS FROM HOME

Parents/guardians should deliver forgotten lunches, coats, etc. to the office rather than disturbing a class in session.

HALLWAY PASSES

All students traveling in the hallways need a pass that indicates their destination, unless they are accompanied by an adult. The office staff will provide passes for each teacher. Students found in the hallways by administration or support staff without passes will be escorted back to their classroom.

ILL STUDENTS/STUDENTS NEEDING FIRST AID

Students who are ill or are in need of first aid should be sent to the health room with a hall pass. All cases where students are injured or become seriously ill should be reported immediately to the health room or school office. It is the responsibility of the assigned duty person to fill out an accident report form for an injury.

Teachers are encouraged to use their best judgment in referring students to the health room.

Please only send students who are sick or injured.

The check-out procedure for students being sent home from school, before dismissal time, due to illness or injury is as follows:

1. The health room assistant or the office staff will notify the parent or emergency designee on the enrollment form.
2. The student will be sent back to class to get his/her things and have the teacher initial the pass. If the student is unable to return on his/her own, a staff member will be sent with the pass for you to initial. This process lets the office know the teacher is aware the student is going home.

3. The student must bring the pass back to the office and then wait in the office or health room for the parent.
4. The parent must sign the child out at the office front desk before leaving the building.

INSTRUCTION MATERIALS POLICY

Our district has selected CORE instructional programs for ELA, math, and science. When choosing supplemental materials, please adhere to district policy.

MONEY

No money should be left at school overnight. Also, it should not be left in the student desks during the day. Students should only bring enough money to school for lunch.

PBIS

Monroe Elementary uses Positive Behavior and Intervention Supports as the school-wide code of conduct. Students are recognized and celebrated for following expectations and are retaught or given extra support when expectations are not met.

RECESSES

All students are to go outside during recesses unless: they are awarded Alternate Recess by their teacher; they are assigned Reflection Time by administration; or, they have a note from a parent that has been approved by the principal indicating a student must remain indoors for health reasons.

Students should never remain in the classroom unsupervised. Teachers are liable in the event an incident occurs from unsupervised students. When weather is inclement, as determined by the supervision paras, students will play under the covered area.

SCHOOL ACTIVITIES

All school activities, assemblies, clubs, guest speakers, or related activities held in the school (other than the authorized curriculum) must be approved by the principal prior to it being implemented.

STUDENT BEHAVIOR AT SCHOOL

Each year, all students receive a hard copy or an electronic copy of the District's Rights and Responsibilities Handbook. Teachers need to collect the signed handbook sheets from EACH student and return them to the office where they will be stored each year. This process is extremely important for compliance with district policy. If you do not receive signed forms for students by September 30, please forward the students' names to the office. Office staff will refer the names to the principal for review and follow up.

Academics are to begin on the first day of school in conjunction with class building, team building, and the school acronym SOAR (the rules) so that we establish safe classroom environments for the year.

Routines and procedures should continue to be taught during the first two weeks of school and should be reviewed consistently throughout the year.

STUDENT SUPERVISION

Classes are to be supervised by a teacher at all times. Teachers must also supervise their classes when moving from one area to another, in and out of the building. Teachers will be responsible for prompt drop off and pick up of their students from specials, lunch and/or recesses. Please remember, if you are late or early, you are affecting someone else's ability to carry out their duties on time.

TELEPHONE

Students will not be allowed to use the phone during the day unless there is an emergency. Teachers should take into consideration the student's age, purpose of the call, and potential to disrupt the learning environment and use their professional judgement when allowing them to use the classroom or office phone. Arrangements for visiting friends after school, or similar personal issues, are not considered important and should be made at home.

If students will be answering your classroom phone, please train them how to answer your phone appropriately.

WITHDRAWAL FROM SCHOOL

When a student leaves Monroe in the middle of a grading period, it is important to provide the receiving school with some evidence of the progress that has taken place since the last grading period. If a student leaves Monroe within 3 weeks of the end of a grading period, please complete a progress report and provide a copy to the office assistant to include when sending the student's file.

Policy 2152 Nondiscrimination on the Basis of Sex in Education Programs and Activities and Title IX

Everett Public Schools shall not discriminate on the basis of sex in its educational programs or activities. The district is required by Title IX of the 1972 Educational Amendments and by regulations promulgated thereunder not to discriminate on the basis of sex against students, student activities, applicants or employees.

Consistent with the requirements of Title IX, Everett Public Schools is committed to provide opportunities in interscholastic athletics for female and male students in the district, which equally and effectively accommodate the athletic interests and abilities of members of both sexes. The district will develop procedures to determine if it is meeting the requirements of Title IX and how the addition of an interscholastic sport may be requested and processed.

Any person having an inquiry concerning Everett Public Schools' implementation of the state and federal statutes and regulations should contact the district's Title IX Officer or the district administrator in charge of student athletics.

The superintendent is authorized to develop administrative procedures to implement this policy.

Procedure 2152P Nondiscrimination on the Basis of Sex in Education Programs and Activities and Title IX

Consistent with the requirements of Title IX, Everett Public Schools is committed to provide opportunities in interscholastic athletics for female and male students in the district, which equally and effectively accommodate the athletic interests and abilities of members of both sexes. These procedures were developed to assist Everett Public Schools in meeting the requirements of Title IX.

Title IX Program/Activity Evaluation

To provide equal educational opportunity in its programs, including athletic programs, the Title IX officer, in cooperation with the district's administrator for athletics, shall be responsible for providing ongoing monitoring to assure that the district's athletic program effectively accommodates the athletic interests and abilities of both sexes. The Title IX officer shall annually report to the superintendent regarding participation opportunities for students and will recommend any changes needed for program compliance.

Determination of Effective Accommodation

The district will provide participation opportunities in interscholastic athletics for female and male students, which equally and effectively accommodate the athletic interests and abilities of members of both sexes. In determining the district's compliance with the requirements of Title IX, the following three-prong test will be utilized in determining accommodation:

1. Provide interscholastic participation opportunities for male and female students in numbers substantially proportionate to their respective enrollments; or
2. Show a history and continuing practice of program expansion, which is demonstrably responsive to the developing interests, and abilities of both sexes; or
3. Demonstrate that the program has fully and effectively accommodated the interests and abilities of both sexes.

Student Interest Survey

The district will conduct a formal written survey of every student in all grades that offer interscholastic activities regarding their interests and abilities. The student interest survey will be conducted every three years and will include:

1. At a minimum, all interscholastic sports currently offered by the district and those sponsored by the Washington Interscholastic Activities Association (WIAA) by sport season; and
2. A space for the student to indicate interest in additional sports not currently offered by the district and/or not currently sponsored by the WIAA by sport season.

The results of the survey and information from other sources will help determine if program additions, modifications or changes are needed to the existing program to assist the district in program compliance.

Student Requests for Modifications of Existing Programs or Additional Sports

Students may make a formal request for modifying an existing program or adding a new sport. Request forms are available at the district athletic office and will be turned in to the district's administrator for athletics for processing. The administrator will work with the appropriate building principal to determine if the request can be approved. The athletic administrator will respond back in writing to the requesting party within 20 days of receipt. If the request is not approved, the submitting party may request that it be forwarded to the district's Title IX officer for consideration during the Title IX officer's annual report to the superintendent. The Title IX officer will review each request and respond back to the submitting party in writing within 20 days of receipt. If the request is subject to further review, the district's response shall provide a date of final response.

Procedure 2152P Nondiscrimination on the Basis of Sex in Education Programs and Activities and Title IX (cont.)

Annual Building Program Review

Each building will participate in an annual building program review and submit it to the Title IX officer for processing. The content and format of this review will be established by the district's Title IX officer. The results will be used in the Title IX officer's annual report to the superintendent.

Record Retention

All information gathered and requested by the Title IX officer and presented in the yearly report to the superintendent will be retained for five years. This would include student interest surveys, building program reviews and requests for modification of existing programs or adding of additional sports.

Information and Inquiry

Information about [Policy 2152](#) and [Procedure 2152P](#) will be published initially and as needed in the [Student Rights and Responsibilities Handbook](#).

Any person having an inquiry concerning Everett Public Schools implementation of the state and federal statutes and regulations should contact the district's Title IX Officer or the district administrator in charge of student athletics.

Policy 3204 Prohibition of Harassment, Intimidation and Bullying

Everett Public Schools maintains a safe and civil educational environment for all students, employees, parents/legal guardians, volunteers and community members that is free from harassment, intimidation and bullying (HIB). Our district's core values include our commitment to value differences among people and treat one another respectfully. HIB of students by other students, by staff members, by volunteers, by parents or by guardians is prohibited.

It shall be a violation of this policy and the district's sexual harassment policy for any student of the district to harass, intimidate or bully another student through electronic, written, verbal, nonverbal, or physical conduct while in or on school property (or in reasonable proximity thereto), school transportation, or at school-sponsored activities off school property.

Behaviors/Expressions

HIB can take many forms, including but not limited to, slurs, name calling, jokes, innuendoes, demeaning comments, drawings, cartoons, pranks, gestures, hazing, physical attacks, threats or other written, oral, or physical acts or electronically transmitted messages or images.

This policy is not intended to prohibit expression of religious, philosophical, or political views, provided that the expression does not substantially disrupt the educational environment. Many behaviors that do not rise to the level of HIB may still be prohibited by other district policies or building, classroom or program rules.

Training

This policy is a component of the district's responsibility to create and maintain a safe, civil, respectful and inclusive learning community and will be implemented in conjunction with comprehensive training of staff and volunteers.

Prevention

The district will provide students with strategies designed to prevent HIB. In its efforts to educate students, the district will seek partnerships with families, law enforcement and other community agencies.

Interventions

Interventions will be designed to address the impact that HIB has on victims and upon others impacted by the violation. Interventions will also be designed to change the behavior of the aggressor, and to restore a positive school climate.

The district will consider the frequency of incidents, developmental age of the student, and severity of the conduct to determine intervention strategies. Interventions may include counseling, correcting behavior and discipline, to law enforcement referrals.

Procedure 3204P Prohibition of Harassment, Intimidation and Bullying

Students with Individual Education Plans or Section 504 Plans

If allegations are made that a student with an Individual Education Plan (IEP) or Section 504 Plan has been the target of HIB, the school will convene the student's IEP or Section 504 team to determine whether the incident had an impact on the student's ability to receive a free, appropriate public education (FAPE). The meeting will occur regardless of whether the HIB incident was based on the student's disability. During the meeting, the team will evaluate issues such as the student's academic performance, behavior issues, attendance, and participation in extracurricular activities. If a determination is made that the student is not receiving a FAPE, as a result of the HIB incident, the district will provide all necessary additional services and supports, such as counseling, monitoring and/or reevaluation or revision of the student's IEP or Section 504 plan, to ensure the student receives a FAPE.

Retaliation

Retaliation is prohibited and will result in appropriate discipline. It is a violation of this policy to threaten or harm someone for reporting HIB.

False Allegations

Knowingly reporting false allegations of HIB is prohibited. Students or employees will not be disciplined for making a report in good faith. However, persons found to knowingly report or corroborate false allegations will be subject to appropriate discipline.

Compliance Officer

The superintendent will appoint a compliance officer as the primary district contact to receive copies of all HIB Incident Report Forms and to ensure policy implementation. The name and contact information for the compliance officer will be communicated throughout the district.

The superintendent is authorized to direct the development and implementation of procedures to carry out this policy.

A. Introduction

Everett Public Schools strives to provide students with optimal conditions for learning by maintaining a school environment where everyone is treated with respect and no one is physically or emotionally harmed.

In order to ensure respect and prevent harm, it is a violation of district policy for a student to be harassed, intimidated, or bullied by others in the school community, at school sponsored events, or when such actions create a substantial disruption to the educational process. The school community includes all students, school employees, school board members, contractors, unpaid volunteers, families, patrons, and other visitors. Student(s) will not be harassed because of their race, color, religion, ancestry, national origin, gender, sexual orientation, including gender expression or identity, mental or physical disability, or other distinguishing characteristics.

Any school staff who observes, overhears, or otherwise witnesses harassment, intimidation or bullying or to whom such actions have been reported must take prompt and appropriate action to stop the harassment and to prevent its reoccurrence.

B. Definitions

"Aggressor" means a student, staff member, volunteer, or other member of the school community who engages in the harassment, intimidation or bullying of a student.

"**Harassment, intimidation or bullying**" (HIB) means any intentional electronic, written, verbal, or physical act that:

1. Physically harms a student or damages the student's property;
2. Has the effect of substantially interfering with a student's education;
3. Is so severe, persistent, or pervasive that it creates an intimidating, embarrassing or threatening educational environment; or
4. Has the effect of substantially disrupting the orderly operation of the school.

Conduct that is "substantially interfering with a student's education" will be determined by considering a targeted student's grades, attendance, demeanor, interaction with peers, participation in activities, and other indicators.

Procedure 3204P Prohibition of Harassment, Intimidation and Bullying (cont.)

Conduct that may rise to the level of HIB may take many forms, including, but not limited to: slurs, rumors, jokes, innuendoes, demeaning comments, drawings, cartoons, pranks, ostracism, physical attacks or threats, gestures, or acts relating to an individual or group whether electronic, written, oral, or physically transmitted messages or images. Nothing in this section requires the targeted student to actually possess a characteristic that is a basis for HIB.

“Other distinguishing characteristics” may include, but are not limited to: physical appearance, clothing or other apparel, socio-economic status and weight.

“Intentional” refers to the individual’s choice to engage in the act rather than the ultimate impact of the action(s).

“Retaliation” occurs when an aggressor takes adverse action or reprisal against a student because the student has reported incidents of HIB, or because the student has participated in an investigation of HIB.

“School community” includes students, staff members, school board members, contractors, volunteers, parents and guardians, families, patrons, and other visitors.

“Staff member” includes, but is not limited to, educators, administrators, counselors, school nurses, cafeteria workers, custodians, bus drivers, athletic coaches, advisors to extracurricular activities, classified staff, substitute and temporary teachers, volunteers, or paraprofessionals (both employees and contractors).

“Targeted student” is a student against whom HIB has allegedly been perpetrated.

C. Relationship to Other Laws

The school community should be aware of other laws and procedures that address related issues such as sexual harassment or discrimination, including:

1. [RCW 28A.300.285](#) – Harassment, Intimidation and Bullying
2. [RCW 28A.640.020](#) – Sexual Harassment
3. [RCW 28A.642](#) – Discrimination Prohibition
4. [RCW 49.60.010](#) – The “law against discrimination”

The district will ensure its compliance with all state laws regarding HIB. Nothing in this procedure prevents a student, parent/guardian, school or district from taking action to remediate harassment or discrimination based on a person’s gender or membership in a legally protected class under local, state, or federal law.

D. Prevention

1. Dissemination

In each school and on the district’s website the district will prominently post information on reporting HIB; the name and contact information for making a report to a school administrator; and the name and contact information for the district compliance officer.

Annually, the superintendent will ensure that a statement summarizing the policy and procedure is provided in student, staff, volunteer and parent handbooks, is available in school and district offices and/or hallways or is posted on the district’s website.

2. Education

Annually students will receive age-appropriate information on the recognition and prevention of HIB at student orientation sessions and on other appropriate occasions. The information will include a process to report HIB via the internet, email, text message and phone.

3. Training

Staff will receive annual training on the district’s policy and procedure, including staff roles and responsibilities, how to monitor common areas and the use of the district’s reporting website.

4. Prevention Strategies

The district will implement a range of strategies including individual, classroom, school, and district-level approaches to prevent HIB.

Whenever possible, the district will implement evidence-based prevention programs that are designed to increase social competency, improve school climate, and eliminate HIB in schools.

Procedure 3204P Prohibition of Harassment, Intimidation and Bullying (cont.)

E. Staff Intervention

All staff members who observe, overhear, or otherwise witness HIB or to whom such actions have been reported must take prompt and appropriate action to stop the harassment and to prevent its reoccurrence. Minor incidents that staff are able to resolve immediately, or incidents that do not meet the definition of HIB, may require no further action under this procedure.

F. Compliance Officer

The district compliance officer will:

1. Serve as the district's primary contact for HIB. If the allegations in a written report of HIB indicate a potential violation of [Policy 3204](#), the district staff member who receives the report must promptly notify the district compliance officer. During the course of an investigation of harassment, intimidation or bullying, if the district becomes aware of a potential violation of [Policy 3204](#), the district investigator must promptly notify the compliance officer. In response, the compliance officer must notify the complainant that their complaint will proceed under the discrimination complaint procedure in [WAC 392-190-065](#) through [WAC 392-190-075](#).
2. Provide support and assistance to the principal or designee in resolving complaints.
3. Receive copies of all HIB reports, discipline referral forms relating to HIB, and letters to parents providing the outcomes of investigations. If a written report of HIB indicates a potential violation of the district's nondiscrimination policy ([Policy 3210](#)), the compliance officer must promptly notify the district's civil rights compliance coordinator.
4. Be familiar with the use of the student information system. The compliance officer may use this information to identify patterns of behavior and areas of concern.
5. Ensure the implementation of the policy and procedure by overseeing the investigative processes, including ensuring that investigations are prompt, impartial, and thorough.
6. Assess the training needs of staff and students to ensure successful implementation throughout the district, and ensure staff receive annual fall training.
7. Provide the OSPI School Safety Center with notification of policy or procedure updates or changes on an annual basis.
8. In cases where, despite school efforts, a targeted student experiences HIB that threatens the student's health and safety, the compliance officer will facilitate a meeting between district staff and the child's parents/guardians to develop a safety plan to protect the student.

G. Incident Reporting

If the HIB incident report allegations indicate discriminatory harassment under [Procedure 3210P](#) (such as race, sex, or disability-based harassment) or if such allegations arise during the course of the district's investigation, the principal or designee will promptly notify the district's Title IX/Civil Rights Compliance Officer and the complaint will be investigated under [Procedure 3210P](#), as well as the HIB complaint procedure. The Title IX/Civil Rights Compliance Officer will notify the complainant that the complaint will also proceed under [Procedure 3210P](#) in a language that the complainant understands.

Step 1: Filing an Incident Report

An individual's identity need not be revealed when reporting HIB. The report may be filed anonymously, confidentially, or the individual may choose to disclose their identity (non-confidential). Staff members should report incidents of HIB via the reporting website or phone number.

Status of Reporter

a. Non-Confidential

Individuals may agree to file a report non-confidentially. Complainants agreeing to make their complaint non-confidential will be informed that due process requirements may require that the district release all of the information that it has regarding the complaint to any individuals involved in the incident, but that even then, information will still be restricted to those with a need to know, both during and after the investigation.

The district will, however, fully implement the anti-retaliation provision in [Policy 3204](#) and this procedure to protect complainants and witnesses.

Procedure 3204P Prohibition of Harassment, Intimidation and Bullying (cont.)

b. Confidential

Individuals may file a report asking that their identities be kept secret from the accused and other students. Like anonymous reports, no disciplinary action will be taken against an alleged aggressor based solely on a confidential report. (Example: A student tells a playground supervisor about a classmate being bullied near the basketball court but asks that nobody know who reported the incident. The supervisor says, "I can start monitoring the basketball court more closely and keep an eye out for your classmate and any problems that might crop up, but I can't take any disciplinary action against the bully(ies) unless you or someone else who saw it is willing to let me use their names.

c. Anonymous

Individuals may file a report without revealing their identity. No disciplinary action will be taken against an alleged aggressor based solely on an anonymous report. Schools may use complaint boxes or develop other methods for receiving anonymous, unsigned reports. Possible responses to an anonymous report include enhanced monitoring of specific locations at certain times of day or increased monitoring of specific students or staff. (Example: An unsigned Incident Report Form dropped on a teacher's desk led to the increased monitoring of the boys' locker room in 5th period.)

Step 2: Receiving an Incident Report

All staff members are responsible for receiving oral and written reports. Whenever possible, staff members who initially receive an oral or written report of HIB shall attempt to resolve the incident immediately. If the incident is resolved to the satisfaction of the parties involved, or if the incident does not meet the definition of HIB, no further action may be necessary under this procedure.

All reports of unresolved, severe, or persistent HIB will be recorded on the district reporting website and submitted to the principal or designee, unless the principal or designee is the subject of the complaint.

Step 3: Investigations of Unresolved, Severe, or Persistent HIB

All reports of unresolved, severe, or persistent HIB will be investigated with reasonable promptness. To aid in the investigation in the case of alleged cyberbullying, a request may be made to the reporter to allow access to the social media or internet site(s) on which the cyberbullying is occurring. Any student may have a trusted adult (e.g., parent/guardian, relative, mentor, staff member) with them throughout the report and investigation process.

- a. Upon receipt of the incident report that alleges unresolved, severe, or persistent HIB, the school or district designee will begin an investigation. If there is potential for clear and immediate physical harm to the complainant, the district will immediately contact law enforcement and inform the parent/guardian.
- b. During the course of the investigation, the district will take reasonable measures to ensure that no further incidents of HIB occur between the complainant and the alleged aggressor. If necessary, the district will implement a safety plan for the student(s) involved. The plan may include changing seating arrangements for the complainant and/or the alleged aggressor in the classroom, at lunch, or on the bus; identifying a staff member who will act as a safe person for the complainant; altering the alleged aggressor's schedule and access to the complainant, and other measures.

If, during the course of an investigation, the district employee conducting the investigation becomes aware of a potential violation of the [Policy 3210](#), Nondiscrimination, the investigator will promptly notify the district's civil rights compliance officer. Upon receipt of this information, the civil rights compliance officer must notify the complainant that their complaint will proceed under the discrimination complaint procedure in [WAC 392-190-065](#) through [WAC 392-190-075](#), as well as the HIB complaint procedure. The notice must be provided in a language that the complainant can understand.

The investigation and response timeline for the discrimination complaint procedure will follow that set forth in [WAC 392-190-065](#) and begins when the district knows or should have known that a written report of HIB involves allegations of a violation of the district's nondiscrimination policy.

- c. Within two (2) school days after receiving the incident report, the school designee will notify the families of the students involved that a complaint was received and direct the families to the district's policy and procedure on HIB.

Procedure 3204P Prohibition of Harassment, Intimidation and Bullying (cont.)

- d. In rare cases, where after consultation with the student and appropriate staff (such as a psychologist, counselor, or social worker) the district has evidence that it would threaten the health and safety of the complainant or the alleged aggressor to involve their parent/guardian, the district may initially refrain from contacting the parent/guardian in its investigation of HIB. If professional school personnel have reasonable cause to believe that a student is subject to child abuse or neglect, they must follow district [Policy 3421](#) for reporting such cases to Child Protective Services or law enforcement.
- e. The investigation shall include, at a minimum:
 - An interview with the complainant;
 - An interview with the alleged aggressor;
 - A review of any previous complaints involving either the complainant or the alleged aggressor; and
 - Interviews with other students or staff members who may have knowledge of the alleged incident.
- f. The principal or designee may determine that other steps must be taken before the investigation is complete.
- g. The investigation will be completed as soon as practicable but generally no later than five (5) school days from the initial complaint or report. If more time is needed to complete an investigation, the district will provide the parent/guardian and/or the student with weekly updates.
- h. No later than two (2) school days after the investigation has been completed and submitted to the compliance officer, the principal or designee shall respond in writing or verbally to the parent/guardian of the complainant and the alleged aggressor stating:
 - The results of the investigation;
 - Whether the allegations were found to be factual;
 - Whether there was a violation of policy; and
 - The process for the complainant to file an appeal if the complainant disagrees with results.

Because of the laws regarding the confidentiality of student records (FERPA), the principal or designee may not be able to report specific information to the targeted student's parent/guardian about any disciplinary action taken unless it involves a directive that the targeted student must be aware of in order to report violations.

If the district chooses to contact the parent/guardian by letter, the letter will be mailed to the parent/guardian of the complainant and alleged aggressor by United States Postal Service with return receipt requested unless it is determined, after consultation with the student and appropriate staff (psychologist, counselor, social worker) that it could endanger the complainant or the alleged aggressor to involve their family.

If professional school personnel have reasonable cause to believe that a student is subject to child abuse or neglect, as mandatory reporters they must follow district policy for reporting such cases to Child Protective Services or law enforcement.

If the incident cannot be resolved at the school level, the principal or designee shall request assistance from the district compliance officer.

Step 4: Corrective Measures for the Aggressor

- a. After completion of the investigation, the school or district designee will institute appropriate corrective measures.
- b. Corrective measures will be instituted as soon as possible, but in no event more than five (5) school days after contact has been made with the families or guardians regarding the outcome of the investigation.
- c. Corrective measures that involve student discipline will be implemented according to district [Policy 3300](#) – Student Discipline. If the accused aggressor is appealing the imposition of discipline, the district may be prevented by law and policy from imposing the discipline until the appeal process is concluded.
- d. If a principal or principal's designee finds that a student, staff member, or other member of the school community knowingly made a false allegation of HIB, that individual may be subject to corrective measures, including discipline.

Procedure 3204P Prohibition of Harassment, Intimidation and Bullying (cont.)

Step 5: Targeted Student's Right to Appeal

- a. If the complainant or parent/guardian is dissatisfied with the results of the investigation, they may appeal to the superintendent or designee by filing a written notice of appeal within five (5) school days of receiving the decision. The superintendent or designee will review the investigative report and issue a written decision on the merits of the appeal within five (5) school days of receiving the notice of appeal.
- b. If the targeted student remains dissatisfied after the initial appeal to the superintendent, the student or parent/guardian may appeal to the school board by filing a written notice of appeal with the superintendent within five (5) school days of receiving the superintendent's written decision.
- c. An appeal to the school board or disciplinary appeal council must be heard within ten (10) school days of receipt of the written notice of appeal to the school board. The school board or disciplinary appeal council will review the record and render a written decision on the merits of the appeal within five (5) school days following the termination of the hearing, and shall provide a copy of the decision to all parties involved. The board or council's decision will be the final district decision.

Step 6: Discipline

The district will take prompt and equitable corrective measures within its authority on findings of HIB. Depending on the severity of the conduct, corrective measures may include counseling, education, discipline, and/or referral to law enforcement.

Corrective measures for the student who commits an act of HIB will be varied and graded according to the nature of the behavior, the developmental age of the student, or the student's history of problem behaviors and performance. Corrective measures that involve student discipline will be implemented according to district [Policy 3300](#) – Student Discipline.

If the HIB was of a public nature or involved groups of students or bystanders, the school may consider schoolwide training or other activities to address the incident.

If a staff member has been found to be in violation of [Policy 3204](#) and this procedure, the district may impose disciplinary action, up to and including termination of employment. If a certificated employee is found to have committed a violation of [Chapter 181-87 WAC](#), commonly called the Code of Conduct for Professional Educators, OSPI's Office of Professional Practices may impose disciplinary action on a certificate, up to and including revocation. Contractor violations of [Policy 3204](#) may result in the loss of contracts.

Step 7: Support for the Targeted Student

Students found to have been subjected to HIB will be provided information regarding resources available to them, and the adverse impact of the harassment on the student shall be addressed. In addition, the safety plan, if any, will be reviewed and modified as appropriate.

F. Immunity/Retaliation

A staff member, student, or other member of the school community who promptly reports an incident of HIB to an appropriate school official, and who makes this report in compliance with the district's policy and procedure relating to HIB is immune from a cause of action for damages from arising from any failure to remedy the reported incident. No staff member, student, volunteer, or other member of the school community may engage in reprisal or retaliation against a student, witness, or other person who brings forward information about an alleged act of HIB. Retaliation is prohibited and will result in appropriate discipline.

G. Other Resources

Students and families should use the district's complaint and appeal procedures as a first response to allegations of HIB.

Nothing in this procedure prevents a student, parent/guardian, school, or district from taking action to remediate discrimination or harassment based on a student's membership in a legally protected class under local, state or federal law. A HIB complaint based on a student's legally protected status may also be reported to the following state or federal agencies:

H. Other District Policies and Procedures

Nothing in this procedure is intended to prohibit discipline or remedial action for inappropriate behaviors that do not rise to the level of HIB as defined herein, but which are prohibited by other district or school rules.

Policy 3205 Sexual Harassment of Students

It is the policy of Everett School District to maintain a learning environment for students that is free from all forms of discrimination, including sexual harassment. This commitment extends to all students involved in academic, educational, extracurricular, athletic, and other programs or activities of the school, whether that program or activity is in a school facility, on school transportation or at a class or school training held elsewhere.

For the purposes of this policy, “**sexual harassment**” means unwelcome conduct or communication of a sexual nature. Sexual harassment can occur adult to student, student to adult, student to student or can be carried out by a group of students or adults and will be investigated by the district even if the alleged harasser is not a part of the school staff or student body. The district prohibits sexual harassment of students by other students, employees, or third parties involved in district activities.

Under federal and state law, the term sexual harassment may include:

- acts of sexual violence;
- unwelcome sexual or gender-directed conduct or communication that interferes with an individual’s educational performance or creates an intimidating, hostile, or offensive environment;
- unwelcome sexual advances;
- unwelcome requests for sexual favors;
- sexual demands when submission is a stated or implied condition of obtaining an educational benefit;
- sexual demands where submission or rejection is a factor in an academic, or other school-related decision affecting an individual.

Policy 3205 Sexual Harassment of Students (cont.)

A “**hostile environment**” has been created for a student when sexual harassment is sufficiently serious to interfere with or limit the student’s ability to participate in or benefit from the school’s program. The more severe the conduct, the less need there is to demonstrate a repetitive series of incidents. In fact, a single or isolated incident of sexual harassment may create a hostile environment if the incident is sufficiently severe, violent, or egregious.

Investigation and Response

If the district knows, or reasonably should know, that sexual harassment has created a hostile environment, it will promptly investigate to determine what occurred and take appropriate steps to resolve the situation. If an investigation reveals that sexual harassment has created a hostile environment, the district will take prompt and effective steps reasonably calculated to end the sexual harassment, eliminate the hostile environment, prevent its recurrence and as appropriate, remedy its effects. The district will take prompt, equitable and remedial action within its authority on reports, complaints and grievances alleging sexual harassment that come to the attention of the district, either formally or informally. The district will take these steps every time a complaint, alleging sexual harassment comes to the attention of the district, either formally or informally.

Allegations of criminal misconduct will be reported to law enforcement and suspected child abuse will be reported to law enforcement or Child Protective Services. Regardless of whether the misconduct is reported to law enforcement, school staff will promptly investigate to determine what occurred and take appropriate steps to resolve the situation, to the extent that such investigation does not interfere with an ongoing criminal investigation. A criminal investigation does not relieve the district of its independent obligation to investigate and resolve sexual harassment.

Engaging in sexual harassment will result in appropriate discipline or other appropriate sanctions against offending students, staff or other third parties involved in district activities. Anyone else who engages in sexual harassment on school property or at school activities will have their access to school property and activities restricted, as appropriate.

Retaliation and False Allegations

Retaliation against any person who makes or is a witness in a sexual harassment complaint is prohibited and will result in appropriate discipline. The district will take appropriate actions to protect involved persons from retaliation.

Knowingly reporting false allegations of sexual harassment is prohibited. Students or employees will not be disciplined for making a report in good faith. However, persons found to knowingly report or corroborate false allegations will be subject to appropriate discipline.

Staff Responsibilities

The superintendent or designee will develop and implement formal and informal procedures for receiving, investigating and resolving complaints or reports of sexual harassment. The procedures will include reasonable and prompt time lines and delineate staff responsibilities under this policy.

Any school employee who witnesses sexual harassment or receives a report, informal complaint, or written complaint about sexual harassment is responsible for informing the district Title IX/Civil Rights Compliance Coordinator. All staff are also responsible for directing complainants to the formal complaint process.

Reports of discrimination and discriminatory harassment will be referred to the district’s Title IX/Civil Rights Compliance Coordinator. Reports of disability discrimination or harassment will be referred to the district’s Section 504 Coordinator.

District/school staff, including employees, contractors, and agents shall not provide a recommendation of employment for an employee, contractor, or agent that the district/school, or the individual acting on behalf of the district/school, knows or has probable cause to believe, has engaged in sexual misconduct with a student or minor in violation of the law.

Notice and Training

The superintendent or designee will develop procedures to provide age-appropriate information and education to district staff, students, parents and volunteers regarding this policy and the recognition and prevention of sexual harassment. At a minimum sexual harassment recognition and prevention and the elements of this policy will be included in staff, student, and regular volunteer orientation. This policy and [Procedure 3205P](#), which includes the complaint process, will be posted in each district building in a place available to staff, students, parents, volunteers, and visitors. Information about the policy and procedure will be clearly stated and conspicuously posted throughout each school building, provided to each employee and reproduced in each student, staff, volunteer, and parent handbook. Such notices will identify the district’s Title IX coordinator and provide contact information, including the coordinator’s email address.

Policy 3205 Sexual Harassment of Students (cont.)

Policy Review

The superintendent or designee will make an annual report to the board reviewing the use and efficacy of this policy and [Procedure 3205P](#). Recommendations for changes to this policy, if applicable, will be included in the report. The superintendent or designee is encouraged to involve staff, students, volunteers, and parents in the review process.

Procedure 3205P Sexual Harassment of Students

This procedure is intended to set forth the requirements of [Policy 3205](#), including the process for a prompt, thorough, and equitable investigation of allegations of sexual harassment and the need to take appropriate steps to resolve such situations. If sexual harassment is found to have created a hostile environment, staff must take immediate action to eliminate the harassment, prevent its reoccurrence, and address its effects.

This procedure applies to sexual harassment (including sexual violence) targeted at students carried out by other students, employees or third parties involved in district activities. Because students can experience the continuing effects of off-campus harassment in the educational setting, the district will consider the effects of off-campus conduct when evaluating whether there is a hostile environment on campus. The district has jurisdiction over these complaints pursuant to Title IX of the Education Amendments of 1972, [Chapter 28A.640, RCW](#) and [Chapter 392-190 WAC](#).

Notice

Reasonable efforts shall be made to inform all students and their parents of the district's sexual harassment policy and procedure. Information about the district's sexual harassment policy and procedure will be reproduced in the [Student Rights and Responsibilities Policies Handbook](#), in each schools' student/parent handbook, staff handbook, and volunteer handbook, posting the policy and procedure in each school building, and discussion of the policy and procedure at each school.

The name and telephone numbers of the building Title IX Officer, as well as the district Title IX/Civil Rights Compliance Officer, and assistant superintendent of human resources shall be posted in such locations in buildings as to be commonly and easily viewed by students and staff.

Staff Responsibilities

In the event of an alleged sexual assault, the school principal will immediately inform: 1) the Title IX/Civil Rights Compliance Coordinator so that the district can appropriately respond to the incident consistent with its own grievance procedures; and 2) law enforcement.

The principal will notify the targeted student(s) and their parents/guardians of their right to file a criminal complaint and a sexual harassment complaint simultaneously.

Confidentiality

If a complainant requests their name not be revealed to the alleged aggressor or asks that the district not investigate or seek action against the alleged aggressor, the request will be forwarded to the district Title IX Officer for evaluation.

The district Title IX Officer should inform the complainant that honoring the request may limit its ability to respond fully to the incident, including pursuing disciplinary action against the alleged aggressor.

If the complainant still requests their name not be disclosed to the alleged aggressor or that the district not investigate or seek action against the alleged aggressor, the district will need to determine whether or not it can honor such a request while still providing a safe and nondiscriminatory environment for all students, staff and other third parties engaging in district activities, including the person who reported the sexual harassment. Although a complainant's request to have their name withheld may limit the district's ability to respond fully to an individual allegation of sexual harassment, the district will use other appropriate means available to address the sexual harassment.

Retaliation

Title IX prohibits retaliation against any individual who files a complaint under these laws or participates in a complaint investigation. When an informal or formal complaint of sexual harassment is made, the district will take steps to stop further harassment and prevent any retaliation against the person who made the complaint, was the subject of the harassment, or against those who provided information as a witness. The district will investigate all allegations of retaliation and take actions against those found to have retaliated.

Procedure 3205P Sexual Harassment of Students (cont.)

Informal Complaint Process

Anyone may use informal procedures to report and resolve complaints of sexual harassment. Informal complaints of sexual harassment of students shall be reported to the building principal or designee. The building principal or designee will be responsible for investigation and resolution of informal complaints. The building principal or designee may seek assistance or guidance from the district's Title IX/Civil Rights Compliance Officer. The building principal or designee must notify the complainant of the right to file a formal complaint. The notice shall be provided in a language the complainant can understand, which may require language assistance for complainants with limited-English proficiency, in accordance with Title VI of the Civil Rights Act of 1964.

During the course of the informal complaint process, the district will take prompt and effective steps reasonably calculated to end any harassment and to correct any discriminatory effects on the complainant. If an investigation is needed to determine what occurred, the district will take interim measures to protect the complainant before the final outcome of the district's investigation (e.g., allowing the complainant to change academic or extracurricular activities or break times to avoid contact with the alleged aggressor). Informal remedies may include:

- An opportunity for the complainant to explain to the alleged harasser that the conduct is unwelcome, offensive or inappropriate, either in writing or face-to-face;
- A statement from a staff member to the alleged harasser that the alleged conduct is not appropriate and could lead to discipline if proven or repeated;
- A general public statement from an administrator in a building reviewing the district sexual harassment policy without identifying the complainant;
- Developing a safety plan;
- Separating students; or
- Providing staff and/or student training.

Informal complaints may become formal complaints at the request of the complainant, parent/guardian, or because the district believes the complaint needs to be more thoroughly investigated.

The district will inform the complainant and their parent/guardian how to report any subsequent problems. Additionally, the district will conduct follow-up inquiries to see if there have been any new incidents or instances of retaliation, and to promptly respond and appropriately address continuing or new problems. Follow-up inquiries will follow a timeline agreed to by the district and complainant.

 4. be filed with the compliance officer or assistant superintendent of human resources within one (1) year after the occurrence that is the subject of the complaint, unless the delay is due to specific misrepresentations by the district that it had resolved the problem forming the basis of the complaint or the district withheld information that was required to be provided under [WAC 392-190](#) or related guidelines.
- C. Upon receipt of the complaint, the district's compliance officer, the assistant superintendent of human resources, or designee will provide the complainant a copy of [Procedure 3210P](#) in a language the complainant can understand, which may require language assistance for complainants with limited-English proficiency, in accordance with Title VI. The district will promptly and thoroughly investigate the complaint. Following completion of the investigation, the compliance officer or the assistant superintendent of human resources shall provide the superintendent or designee with a full written report of the complaint and the results of the investigation, unless the matter is resolved to the satisfaction of the complainant without an investigation or prior to the submission of a written report.
- D. The superintendent or designee shall respond in writing to the complainant within thirty (30) calendar days after the district received the written complaint by the district, unless otherwise agreed to by the complainant or if exceptional circumstances related to the complaint require an extension of the time limit. If an extension is needed, the district will notify the complainant in writing of the reasons for the extension and the anticipated response date in a language the complainant can understand, which may require language assistance for complainants with limited-English proficiency, in accordance with Title VI. At the time the district responds to the complainant, the district will send a copy of the response to the Office of the Superintendent of Public Instruction.
- E. The response by the superintendent or designee will include:

 2. Whether the district failed to comply with [WAC 392-190](#) or related guidelines;

 4. Notice of the complainant's right to appeal under [WAC 392-190-005](#), including where and with whom the appeal should be filed.

The district's response to the complaint will be provided in a language the complainant can understand, which may require language assistance for complainants with limited-English proficiency in accordance with Title VI.

- F. Corrective measures necessary to correct any noncompliance shall be instituted as expeditiously as possible, but no later than thirty (30) calendar days after the district's written response to the complainant, unless otherwise agreed to by the complainant.
- G. A complainant may appeal the superintendent or designee's decision to a hearing officer designated by the district to hear the appeal by filing a written notice of appeal with the superintendent on or before the tenth (10th) calendar day from the date the complainant received the superintendent or designee's response. The hearing officer shall not have been involved in the initial complaint or investigation.
- H. Upon receipt of an appeal, the hearing officer shall provide a written appeal decision to the complainant in a timely manner, not to exceed thirty (30) calendar days from the date the district received the appeal, unless otherwise agreed to by the complainant. The appeal decision will include notice of the complainant's right to file a complaint with the superintendent of public instruction under [WAC 392-190-075](#). The decision of the hearing officer will be provided in a language the complainant can understand, which may require language assistance for complainants with limited-English proficiency in accordance with Title VI. The decision of the hearing officer will include notice of the complainant's right to file a complaint with the Office of the Superintendent of Public Instruction. The district will send a copy of the appeal decision to the Office of the Superintendent of Public Instruction.

Procedure 3205P Sexual Harassment of Students (cont.)

- I. In the event a complainant disagrees with the appeal decision of the hearing officer or if the district fails to comply with the procedures in [WAC 392-190-065](#) or [392-190-070](#), the complainant may file a complaint with the Office of the Superintendent of Public Instruction under [WAC 392-190-075](#). A complaint must be received by the Office Superintendent of Public Instruction within twenty (20) calendar days after the complainant received the hearing officer's written appeal decision.

Mediation of Complaints

- A. The district may offer mediation, at its expense, to resolve a complaint at any time during the complaint procedure. Mediation:
1. Must be voluntary;
 2. Requires the agreement of the district and the complainant;
 3. May be terminated by either party during the mediation process;
 4. Cannot be used to deny or delay a complainant's right to utilize the complaint procedure; and
 5. Be conducted by a qualified and impartial mediator, who is not an employee of the district or providing services to a student who is the subject of the mediation.
- B. If the parties resolve the complaint through mediation, the parties may execute a legally binding agreement that:
1. Sets forth the resolution;
 2. States that all discussions that occurred during the mediation process will remain confidential and not be used as evidence in any future complaint, due process hearing, or civil proceeding; and
 3. Is signed by both the complainant and a district representative.
- C. The complainant and district may agree to extend the complaint timelines to pursue mediation.

Disciplinary Action

The district will take such disciplinary action as it deems necessary and appropriate to end harassment and to prevent its reoccurrence. Such disciplinary action will be consistent with state and federal law. When deemed appropriate by the district, the district shall provide support and/or assistance for individuals who have been subjected to harassment in the district's educational environment.

Training and Orientation

A fixed component of all district orientation sessions for staff, students and regular volunteers will introduce the elements of the sexual harassment policy. Staff will be provided information on recognizing and preventing sexual harassment. Staff will be fully informed of the formal and informal complaint processes and their roles and responsibilities under the policy and procedure.

Certificated staff will be reminded of their legal responsibility to report suspected child abuse, and how that responsibility may be implicated by some allegations of sexual harassment. Regular volunteers will get the portions of this component of orientation relevant to their rights and responsibilities.

Students will be provided with age-appropriate information on the recognition and prevention of sexual harassment and their rights and responsibilities under this and other district policies and rules at student orientation sessions and on other appropriate occasions, which may include parents.

As part of the information on the recognition and prevention of sexual harassment staff, volunteers, students and parents will be informed that sexual harassment may include, but is not limited to:

- Demands for sexual favors in exchange for preferential treatment or something of value;
- Stating or implying that a person will lose something if the person does not submit to a sexual request;
- Penalizing a person for refusing to submit to a sexual advance, or providing a benefit to someone who does;
- Making unwelcome, offensive or inappropriate sexually suggestive remarks comments, gestures, or jokes; or remarks of a sexual nature about a person's appearance, gender or conduct;
- Using derogatory sexual terms for a person;
- Standing too close, inappropriately touching, cornering or stalking a person; or
- Displaying offensive or inappropriate sexual illustrations on school property.

Procedure 3205P Sexual Harassment of Students (cont.)

Reports to the Board

Annually, in conjunction with the report to the board of directors on the district's Affirmative Action Plan, the Title IX/Civil Rights Compliance Officer will review the use and efficacy of the sexual harassment policy and procedures.

Policy and Procedure Review

Annually, the superintendent or designee will convene an ad hoc committee composed of representatives of certificated and classified staff, volunteers, students and parents to review the use and efficacy of this policy and procedure. The compliance officer will be included in the committee. Based on the review of the committee, the superintendent or designee will prepare a report to the board including, if necessary, any recommended policy changes. The superintendent will consider adopting changes to this procedure if recommended by the committee.

Policy 3210 Nondiscrimination

The district shall provide equal educational opportunity and treatment for all students in all aspects of the academic and activities program without regard to race, color, national origin, creed, religion, sex, sexual orientation, gender expression, gender identity, veteran or military status, the presence of any physical, sensory or mental disability or the use of a trained dog guide or service animal by a student with a disability.

District students shall be free from harassment based on legally protected attributes or characteristics.

Conduct against any student that is based on one of the categories listed above that is sufficiently severe, persistent or pervasive as to limit or deny the student's ability to participate in or benefit from the district's course offerings, educational programming or any activity will not be tolerated. When a district employee knows, or reasonably should know, that such discriminatory harassment is occurring or has occurred, the district will take prompt and effective steps reasonably calculated to end the harassment, prevent its recurrence and remedy its effects.

The district's nondiscrimination statement will be included in all written announcements, notices, recruitment materials, employment applications, and other publications made available to all students, parents, or employees. The statement will include:

1. Notice that the district will not discriminate in any programs or activities on the basis of any of the above-listed categories;
2. The name and contact information of the district's compliance officer designated to ensure compliance with this policy; and
3. The names and contact information of the district's Section 504 and Title IX compliance officers.

The district will annually publish notice reasonably calculated to inform students, students' parents/guardians (in a language that they can understand, which may require language assistance), and employees of the district's discrimination complaint procedure.

The superintendent will designate a staff member to serve as the affirmative action/Title IX compliance officer for this policy. The compliance officer will be responsible for investigating any discrimination complaints communicated to the district.

The district will offer or provide training to administrators and certificated and classroom personnel on their responsibility to raise awareness of and to eliminate bias based on the categories identified in this policy.

The superintendent or designee shall provide for the annual evaluation, periodic surveys, annual notice and complaint procedures as required by law to ensure that there is in fact equal opportunity and treatment for all students in the district.

Procedure 3210P Nondiscrimination

Procedures for Resolving Equal Educational Opportunity Complaints/Grievances

To ensure fairness and consistency, the following review procedure is to be used with regard to issues covered by state and federal equal educational opportunity laws, including Title VII of the Civil Rights Act of 1964, as amended, Title IX of the Civil Rights Act of 1972, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act, [RCW 28A.640.010](#) governing sexual equality in public schools, and [RCW 28A.642](#) prohibiting discrimination. This grievance procedure applies to complaints alleging discrimination or discriminatory harassment by employees, other students, or third parties against students based on race, color, national origin, creed, religion, sex, sexual orientation, gender expression, gender identity, veteran or military status, the presence of any sensory, mental or physical disability or the use of a trained dog guide or service animal by a student with a disability.

Procedure 3210P Nondiscrimination (cont.)

Anyone may file a complaint against the district alleging that the district has violated anti-discrimination laws. This complaint procedure is designed to assure that the resolution of real or alleged violations are directed toward a just solution that is satisfactory to the complainant, the administration and the board of directors. As used in this procedure:

- Grievance means a complaint which has been filed by a complainant relating to the alleged violations of any state or federal anti-discrimination laws.
- Complaint means a written, signed charge alleging specific acts, conditions or circumstances, which are in violation of the anti-discrimination laws. Complaints may be submitted by mail, fax, email or hand-delivery to any district or school administrator, or to any employee designated under [WAC 392-190-060](#), or to the district compliance officer responsible for investigating discrimination complaints. Any district employee who receives a complaint that meets these criteria will promptly notify the compliance officer.

The primary purpose of this procedure is to secure an equitable solution to a justifiable complaint. To this end, specific steps will be taken. The district is prohibited by law from intimidating, threatening, coercing or discriminating against any individual for the purpose of interfering with their right to file a grievance under this policy and procedure and from retaliating against an individual for filing such a grievance.

Informal Complaints

At the student and parent/guardian's option, attempts will be made to resolve complaints of discrimination or discriminatory harassment informally, expeditiously and at the closest point of administrative responsibility to the alleged offense. Informal complaints of discrimination or discriminatory harassment of students shall be reported to the building principal/designee. The building principal/designee will be responsible for investigation and resolution of informal complaints. The building principal/designee may seek assistance or guidance from the district's Title IX/Civil Rights Compliance Officer. The building principal/designee must notify the complainant of his/her right to file a formal complaint under this policy. The notice shall be provided in a language the complainant can understand, which may require language assistance for complainants with limited-English proficiency, in accordance with Title VI of the Civil Rights Act of 1964.

- C. Upon receipt of the complaint, the district's Title IX/Compliance officer, the assistant superintendent of human resources, or designee will provide the complainant a copy of [Procedure 3210P](#) in a language the complainant can understand, which may require language assistance for complainants with limited-English proficiency, in accordance with Title VI. At the time the district responds to the complainant, the district will send a copy of the response to the office of the superintendent of public instruction.

- The district's response to the complaint will be provided in a language the complainant can understand, which may require language assistance for complainants with limited-English proficiency in accordance with Title VI.
- F. Corrective measures necessary to correct any noncompliance shall be instituted as expeditiously as possible, but no later than thirty (30) calendar days after the district's written response to the complainant, unless otherwise agreed to by the complainant.

Level Two – Appeal

- A. A complainant may appeal the superintendent's/designee's decision to a hearing officer designated by the superintendent to hear the appeal by filing a written notice of appeal with the superintendent on or before the tenth (10th) calendar day from the date the complainant received the superintendent/designee's response. The hearing officer shall not have been involved in the initial complaint or investigation.
- B. Upon receipt of an appeal, the hearing officer shall provide a written appeal decision to the complainant in a timely manner, not to exceed thirty (30) calendar days from the date the district received the appeal, unless otherwise agreed to by the complainant. The appeal decision will include notice of the complainant's right to file a complaint with the superintendent of public instruction under [WAC 392-190-075](#). The decision of the hearing officer will be provided in a language the complainant can understand, which may require language assistance for complainants with limited-English proficiency in accordance with Title VI.

Procedure 3210P Nondiscrimination (cont.)

The decision of the hearing officer will include notice of the complainant's right to file a complaint with the office of the superintendent of public instruction. The district will send a copy of the appeal decision to the office of the superintendent of public instruction.

Level Three – Complaint to the Superintendent of Public Instruction

A. In the event a complainant disagrees with the appeal decision of the hearing officer or if the district fails to comply with the procedures in [WAC 392-190-065](#) or [WAC 392-190-070](#), the complainant may file a complaint with the office of the superintendent of public instruction under [WAC 392-190-075](#). A complaint must be received by the office of the superintendent of public instruction within twenty (20) calendar days after the complainant received the hearing officer's written appeal decision, unless the superintendent of public instruction grants an extension for good cause. Complaints may be submitted by mail, fax, email or hand delivery.

1. A complaint must be in writing and include:

- A description of the specific acts, conditions or circumstances alleged to violate applicable anti-discrimination laws;
- The complainant's name and contact information, including address;
- The name and address of the district subject to the complaint;
- A copy of the district's complaint and appeal decision, if any; and
- A proposed resolution of the complaint or relief requested.

If the allegations involve a specific student, the complaint must also include the name and address of the student, or in the case of a homeless child or youth, contact information.

2. Upon receipt of a complaint, the office of the superintendent of public instruction may initiate an investigation, which may include conducting an independent on-site review. OSPI may also investigate additional issues related to the complaint that were not included in the initial complaint or appeal to the superintendent or board. Following the investigation, OSPI will make an independent determination as to whether the district has failed to comply with [RCW 28A.642.010](#) or [WAC 392-190](#), and will issue a written decision to the complainant and the district that addresses each allegation in the complaint and any other noncompliance issues it has identified. The written decision will include corrective actions deemed necessary to correct noncompliance and documentation the district must provide to demonstrate that corrective action has been completed.

All corrective actions must be completed within the timelines established by OSPI in the written decision unless OSPI grants an extension. If timely compliance is not achieved, OSPI may take action including but not limited to referring the district to appropriate state or federal agencies empowered to order compliance.

A complaint may be resolved at any time when, before the completion of the investigation, the district voluntarily agrees to resolve the complaint. OSPI may provide technical assistance and dispute resolution methods to resolve a complaint.

Level Four – Administrative Hearing

A complainant or school district that desires to appeal the written decision of the Office of the Superintendent of Public Instruction may file a written notice of appeal with OSPI within thirty (30) calendar days following the date of receipt of that office's written decision. OSPI will conduct a formal administrative hearing in conformance with the Administrative Procedures Act, RCW 34.05.

NOTE: The complaint procedure outlined above does not prohibit the processing of a complaint in an informal manner and without investigation if the complainant so desires.

Mediation of Complaints

A. The district may offer mediation, at its own expense, to resolve a complaint at any time during the complaint procedure. Mediation must be voluntary and requires the mutual agreement of the district and the complainant. It may be terminated by either party at any time during the mediation process. It cannot be used to deny or delay a complainant's right to utilize the complaint procedure.

Procedure 3210P Nondiscrimination (cont.)

The purpose of mediation is to provide both the complainant and the district an opportunity to resolve disputes and reach a mutually acceptable agreement through the use of an impartial mediator.

Mediation must be conducted by a qualified and impartial mediator who may not:

1. Be an employee of any school district, public charter school, or other public or private agency that is providing education related services to a student who is the subject of the complaint being mediated; or
 2. Have a personal or professional conflict of interest. A mediator is not considered an employee of the district or charter school or other public or private agency solely because he or she serves as a mediator.
- B. If the parties resolve the complaint through mediation, the parties may execute a legally binding agreement that sets forth the resolution and states that all discussions that occurred during the mediation process will remain confidential and not be used as evidence in any future complaint, due process hearing, or civil proceeding. The agreement must be signed by both the complainant and a district representative who has authority to bind the district.
- C. The complainant and district may agree to extend the complaint timelines to pursue mediation.

Preservation of Records

The files containing copies of all correspondence relative to each complaint communicated to the district and the disposition, including any corrective measures instituted by the district, shall be retained in the office of the Title IX/Compliance officer for a period of six (6) years after resolution or closure of the complaint.

Policy 3213 Transgender Students

In order to foster an educational environment that is safe and free of discrimination for all students, regardless of sex, sexual orientation, gender identity or gender expression, the board recognizes the importance of an inclusive approach toward transgender students in order to provide these students with an equal educational opportunity. This policy and its procedure will support that effort by facilitating district compliance with local, state and federal laws concerning transgender students.

Procedure 3213P Transgender Students

The principal or designee is encouraged to request a meeting with a transgender student and his or her parent/guardian upon the student's enrollment in the district or in response to a currently enrolled student's change of gender expression or identity. The goals of the meeting are to:

- Develop understanding of that student's individual needs with respect to his or her gender expression or identity; and
- Develop a shared understanding of the student's day-to-day routine within the school so as to foster a relationship and help alleviate any apprehensions the student may have with regard to his or her attendance at school.

The principal or designee may not require the student to attend a meeting as a condition of providing them with the protection to which they are entitled under Policy and Procedure 3213, and state and federal law regarding gender expression or identity.

Definitions/Terms

- **Gender Expression** is how a person expresses his or her gender, often through behavior, emotional expression, mannerisms, dress, grooming, interests, and activities.
- **Gender Identity** refers to one's deeply felt internal sense of being female, or male, or both, or neither, regardless of the gender assigned at birth.
- **Gender Nonconforming** describes a person whose gender expression differs from stereotypical expectations about how the person should look or act based on the gender assigned at birth. This term includes people who identify outside traditional gender categories or identify as both genders, or as gender neutral.
- **Biological Sex/Sex** refers to a person's internal and external anatomy, chromosomes, and hormones.
- **Transgender** is a general term often used to describe a person whose gender identity and/or expression is different from that traditionally associated with the person's gender assigned at birth.
- **Transitioning** refers to the process in which a person goes from living and identifying as one gender to living and identifying as another.

Procedure 3213P Transgender Students (cont.)

Official Records

The district is required to maintain a permanent student record which includes the student's legal name and the student's gender. The district will change a student's official records to reflect a change in legal name or gender upon receipt of:

1. Documentation that the student's legal name or gender has been changed pursuant to a court order or through amendment of state or federally-issued identification; or
2. A written, signed statement explaining that a student over the age of eighteen (18) has exercised a common-law name change and has changed his or her name for all intents and purposes and that the change has not been made for fraudulent reasons.

When a former student asks for his or her official student transcript to be changed to reflect a different name or gender:

- Document the transaction (request for the change, proof of identity, certificate, court papers, etc.);
- Issue a new record; and
- Retain (1) the original record; (2) the newly issued record; and (3) the documentation of the transaction.

To the extent that the district is not legally required to use a student's legal name and biological sex on school records or documents, the district should use the name and gender by which the student identifies. In situations where school employees are required by law to use or report a student's legal name or gender, such as for standardized testing, school staff should adopt practices to avoid the inadvertent disclosure of the student's transgender or gender nonconforming status. More information is available online at [Washington Law Help and Northwest Justice Project](#).

Confidential Health or Educational Information

Information about a student's gender status, legal name, or gender assigned at birth may constitute confidential medical or educational information. Disclosing this information to other students, their parents, or other third parties may violate privacy laws, such as the federal Family Education Rights and Privacy Act (FERPA) ([20 U.S.C. §1232; 34 C.F.R. Part 99](#)). Therefore, to ensure the safety and well-being of the student, school employees should not disclose a student's transgender or gender nonconforming status to others, including the student's parents and/or other school personnel, unless the school is (1) legally required to do so, or (2) the student has authorized such disclosure.

Communication and Use of Names and Pronouns

An appropriate school employee will privately ask known transgender or gender nonconforming students how they would like to be addressed in class, in correspondence to the home, and at conferences with the student's parent/guardian. That information will be included in the electronic student record system along with the student's legal name in order to inform teachers and staff of the name and pronoun by which to address the student. When appropriate or necessary, this information will be communicated directly with staff to facilitate the use of proper names and pronouns. A student is not required to change his or her official records or obtain a court-ordered name and/or gender change as a prerequisite to being addressed by the name and pronoun that corresponds to his or her gender identity.

When communicating with transgender or gender nonconforming students regarding particular issues such as conduct, discipline, grades, attendance or health, school employees will focus on the conduct or particular issues rather than making assumptions regarding the student's actual or perceived gender identity. When communicating with parents/guardians of transgender or gender nonconforming students, school employees will refrain from the use of gender pronouns and refer to the student by name whenever practicable. The district will not condone the intentional and persistent refusal to respect a student's gender identity, or inappropriate release of information regarding a student's transgender status.

Restroom Accessibility

Students will be allowed to use the restroom that corresponds to the gender identity consistently asserted at school. No student will be required to use a restroom that conflicts with his or her gender identity.

Procedure 3213P Transgender Students (cont.)

Locker Room Accessibility

Use of locker rooms by transgender or gender nonconforming students will be assessed on a case-by-case basis, with the goal of maximizing transgender or gender nonconforming student social integration, providing an equal opportunity to participate in physical education classes and athletic opportunities, ensuring the student's safety and comfort, and minimizing stigmatization of the student. In most cases, the district should provide the student access to the locker room that corresponds to the gender identity consistently asserted at school. Any student who has a need or desire for increased privacy, regardless of the underlying reason, should be provided with a reasonable alternative changing area, such as:

- Use of a private area (e.g., nearby restroom stall with a door, an area separated by a curtain, an office in the locker room, or a nearby health room office restroom); or
- A separate changing schedule (i.e., utilizing the locker room before or after the other students).

Any alternative arrangement will be provided in a manner that allows the student to keep his or her transgender or gender nonconforming status private. No student, however, will be required to use a locker room that conflicts with his or her gender identity.

Sports and Physical Education Classes

The district will provide all students, including transgender students, the opportunity to participate in physical education and athletic programs/opportunities in a manner that is consistent with his or her gender identity.

A student may seek review of his or her eligibility for participation in interscholastic athletics by the procedure set forth in the Washington Interscholastic Activities Association ([WIAA](#)) handbook.

Dress Codes

The district will allow students to dress according to the gender with which they consistently identify, within the constraints of the dress codes adopted at his or her school site and within the constraints of the district guidelines for dress as they relate to health and safety issues (e.g., prohibitions on wearing gang-related apparel).

Other School Activities

In any school activity involving separation by gender (i.e., class discussions, field trips), students will be permitted to participate in accordance with the gender identity they consistently assert at school. Teachers and other school employees will make every effort to separate students based on factors other than gender where practicable.

Training and Professional Development

When practical, the district will conduct staff training and ongoing professional development as needed in an effort to build the skills of all staff members to prevent, identify and respond to harassment and discrimination. The content of such professional development should include, but not be limited to:

- Terms and concepts related to gender identity, gender expression, and gender diversity in children and adolescents;
- Appropriate strategies for communicating with students and parents about issues related to gender identity and gender expression, while protecting student privacy;
- Strategies for preventing and intervening in incidents of harassment and discrimination, including cyber-bullying; and
- District and staff responsibilities under applicable laws and district policies regarding harassment, discrimination, and gender identity and expression issues.

Discrimination and Harassment Complaints

Discrimination and harassment on the basis of sex, sexual orientation, or gender identity or expression are prohibited. It is the responsibility of each school, the district and all staff to ensure that all students, including transgender and gender nonconforming students, have a safe school environment. The scope of this responsibility includes ensuring that any incident of discrimination or harassment is given immediate attention and/or reported to the district's Civil Rights Compliance Coordinator.

Procedure 3213P Transgender Students (cont.)

Complaints alleging discrimination or harassment based on a person's actual or perceived gender identity or expression are to be taken seriously and handled in the same manner as other discrimination and/or harassment complaints. This includes investigating the incident and taking age and developmentally-appropriate corrective action. Complaints of discrimination based on gender identity or expression will follow the complaint process outlined in the district's Nondiscrimination [Procedure 3210P](#).

Policy 4312 Complaints to Board Members Concerning Staff

The board welcomes constructive feedback about district programs but the board has a legal and ethical responsibility to protect its staff from unwarranted criticism and/or disruption of school programs. Complaints received by the board or board members will be referred to the superintendent for investigation.

The board will disallow complaints about individual staff members at public board meetings.

The superintendent will develop procedures to handle complaints about district staff, programs, or instructional materials.

Procedure 4312P Complaints to Board Members Concerning Staff

Most complaints can be resolved by informal discussions between the citizen and the staff member. Should the matter not be resolved, the building leader should be contacted in an effort to resolve the issue through conferences with the staff member involved and the citizen.

The following procedures apply to the processing of a complaint which cannot be resolved in the manner described above:

1. If the problem is not satisfactorily resolved at the building level, a written complaint should be filed by the citizen to the associate superintendent, deputy superintendent, department manager, or the superintendent. The complaint should describe the problem and what solution seems appropriate. Copies should be sent to the building leader and staff member involved.
2. The building leader and staff member shall respond to the complaint, in writing or in person, to the superintendent, associate superintendent, deputy superintendent, or department manager.
3. The superintendent or designee shall then attempt to resolve the matter through conference with the citizen, staff member and building leader.
4. If the matter is still not resolved, the superintendent shall present the issue to the board in an executive session in accordance with district personnel policies and procedures.
5. This procedure shall govern complaints not covered more specifically by some other district policy or procedure or an applicable collective bargaining agreement. See, for example, Selection and Adoption of Instructional Materials, [Policy 2311](#); Harassment, [Policy 3205](#); Nondiscrimination, [Policy 3210](#); Sexual Harassment, [Policy 5160](#); and Affirmative Action and Nondiscrimination [5010P](#).

Policy 5010 Affirmative Action and Nondiscrimination

The district shall provide equal employment opportunity for all applicants and employees and will not tolerate unlawful discriminatory practices in recruitment, hiring, retention, assignment, transfer, promotion and training; such equal employment opportunity will be provided without discrimination on the basis of race, color, national origin, creed, religion, sex, sexual orientation including gender expression or identity, marital status, age, honorably discharged veteran or military status, the presence of any sensory, mental, or physical disability, or the use of a trained dog guide or service animal by a person with a disability.

District employees shall be free from harassment based on legally protected attributes or characteristics. The district shall implement programs and practices that value diversity, ensure equity, and build understanding, awareness, and appreciation of the diverse array of human characteristics, needs and perspectives that influence the district environment.

The district shall also make reasonable accommodation to the known sensory, mental or physical limitations of an otherwise qualified disabled applicant or employee unless an accommodation would impose an undue hardship on the operation of the district program.

Policy 5010 Affirmative Action and Nondiscrimination (cont.)

The district is committed to undertake affirmative action which will provide equal employment opportunities for all employees and applicants for employment. Such affirmative action shall include a review of programs, monitoring of the workforce composition, and use of employment procedures which ensure equal employment opportunities for minority and female employees and applicants.

It shall be the responsibility of the superintendent or designee to develop an Affirmative Action Plan and procedures to be followed by management and supervisory personnel in all schools and departments of the district to carry out the provisions and intent of this policy.

Procedure 5010P Affirmative Action and Nondiscrimination

Affirmative Action

The board of directors of the Everett School District recognizes that an Affirmative Action Employment Plan is a sound employment practice, as well as a positive approach toward achieving lasting and equitable human resources policies and procedures.

In accordance with state and federal requirements, the district shall develop an Affirmative Action Plan. Such a plan shall include a work force analysis, a projection of possible work force vacancies, an analysis of activities designed to take appropriate affirmative action and a grievance procedure.

The superintendent or designee shall be responsible for the development, implementation and annual reporting of the Affirmative Action Plan. The overall responsibility for monitoring and auditing this plan shall be assigned to the human resources department.

Nondiscrimination

The district shall provide equal employment opportunity for all applicants and employees in recruitment, hiring, retention, assignment, transfer, promotion and training. The district shall also make reasonable accommodation to the known sensory, mental or physical limitations of an otherwise qualified disabled applicant or employee unless an accommodation would impose an undue hardship on the operation of the district program. District employees shall be free from harassment based on legally protected attributes or characteristics.

In cases where employees or applicants believe that they have been discriminated against on the basis of their legally protected status, that their disabilities have not been reasonably accommodated, or that they have been harassed on the basis of their legally protected status, the employee or applicant may file a complaint using the complaint process set forth in this procedure. To ensure fairness and consistency, these procedures are to be used to address complaints covered by state and federal equal employment laws, including the Americans with Disabilities Act (ADA), the Age Discrimination in Employment Act (ADEA), Titles VII and IX of the Civil Rights Act, the Washington Law Against Discrimination, and/or the district's Affirmative Action Plan. No person shall be retaliated against because of the utilization of these procedures. The assistant superintendent of human resources or designee shall investigate all allegations of noncompliance or discrimination.

Informal Complaints

With regard to ADA matters, a distinction is to be made between a request for accommodation and a complaint. A request for accommodation should be submitted to the assistant superintendent of human resources. The parties should cooperate to resolve any issues of accommodation through an interactive process prior to the filing of a formal complaint. A complaint is to be filed only in the event there is a complaint of noncompliance after a request for accommodation has been made.

At the employee's option, attempts will be made to resolve complaints of discrimination informally, expeditiously and at the closest point of administrative responsibility to the alleged offense. Informal complaints of discrimination of an employee may be reported to his/her supervisor, the affirmative action officer, or the assistant superintendent of human resources. The supervisor will be responsible for investigation and resolution of informal complaints. The supervisor may seek assistance or guidance from the district's affirmative action officer or assistant superintendent of human resources. The supervisor must notify the complainant of his/her right to file a formal complaint under this policy and procedure. The notice shall be provided in a language the complainant can understand, which may require language assistance for complainants with limited-English proficiency, in accordance with Title VI of the Civil Rights Act of 1964.

Policy 5160 Sexual Harassment

All employees and volunteers will be provided a work environment free from sexual harassment. Sexual harassment is a form of misconduct which undermines the integrity of the employment relationship. Such conduct, whether committed by supervisory or nonsupervisory personnel, is specifically prohibited.

Policy 5160 Sexual Harassment (cont.)

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

1. Submission to such conduct is made either an explicit or implicit term or condition of an individual's employment, or
2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting that person, or
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Any employee or volunteer who believes he/she has been subjected to sexual harassment on the job should bring this to the immediate attention of his/her supervisor, the Affirmative Action officer, or the assistant superintendent of human resources.

All such complaints will be promptly investigated and, where appropriate, immediate corrective action will be taken to end sexual harassment and prevent its recurrence. Corrective action may include disciplinary action, up to and including suspension or termination, against those who violate the sexual harassment policy and support and/or assistance, as appropriate, for individuals who have been subjected to sexual harassment. Disciplinary actions shall be in compliance with collective bargaining agreements and state and federal law. To the highest degree possible, allowing for a fair investigation, complaints will be treated in a confidential manner. Retaliation against employees or volunteers shall not occur because they have made complaints of sexual harassment to management.

Persons who knowingly report false allegations of sexual harassment or corroborate false allegations of sexual harassment will be subject to appropriate discipline or other sanctions.

Reasonable efforts shall be made to inform all employees and volunteers of the district's sexual harassment policy and procedures. These efforts shall include insertion of the policy and procedures in new employee information and volunteer orientation materials.

Informal complaints of sexual harassment by employees or volunteers shall be reported to the employee's or volunteer's supervisor, the Affirmative Action officer, or the assistant superintendent of human resources. The administrator receiving the complaint will be responsible for coordinating the investigation of such complaint with the district's Affirmative Action officer or assistant superintendent of human resources. Formal complaints of sexual harassment shall be processed in accordance with the complaint procedures set forth in [Procedure 5160P](#).

Annually in conjunction with the report to the board of directors on the Affirmative Action Plan, the Affirmative Action officer will review the use and efficacy of the sexual harassment policy and procedures.

Informal complaints of discriminatory harassment of an employee/volunteer may be reported to his/her supervisor, the Affirmative Action officer, or the assistant superintendent of human resources. The supervisor will be responsible for investigation and resolution of informal complaints. Policy 5253 Maintaining Professional Staff/Student Boundaries

Purpose

This policy provides all staff, students, volunteers, and community members with information about their role in protecting children from inappropriate conduct by adults. This policy applies to all district staff and volunteers. For the purpose of this policy and its procedure, the terms "district staff," "staff member(s)," and "staff" also include volunteers.

Policy 5253 Maintaining Professional Staff/Student Boundaries (cont.)

General Standards

The board expects all district staff to maintain the highest professional standards when they interact with students. All district staff are required to maintain an atmosphere conducive to learning by consistently maintaining professional boundaries.

Professional staff/student boundaries are consistent with the legal and ethical duty of care that district staff have for students.

The interactions and relationships between district staff and students should be based upon mutual respect, trust, and commitment to the professional boundaries between staff and students in and outside of the educational setting, and consist with the educational mission of the district.

District staff will not intrude on a student's physical and emotional boundaries unless the intrusion is necessary to serve a demonstrated educational purpose. An educational purpose is one that relates to the staff member's duties in the district. Inappropriate boundary invasions can take various forms. Any type of sexual conduct with a student is an inappropriate boundary invasion.

Additionally, staff members are expected to be aware of the appearance of impropriety in their own conduct and the conduct of other staff when interacting with students. Staff members will notify and discuss issues with their building administrator or supervisor or human resources whenever they suspect or question whether their own or another staff member's conduct is inappropriate or constitutes a violation of this policy.

A staff member who has knowledge or reasonable cause to believe that a student has been a victim of physical abuse or sexual misconduct by another staff member is required by law to report such abuse or misconduct to the appropriate school administrator. The school administrator shall cause a report to be made to the proper law enforcement agency if the administrator has reasonable cause to believe that misconduct or abuse has occurred. During the process of making a reasonable cause determination, the school administrator shall contact all parties involved in the complaint.

The board recognizes that staff may have familial and pre-existing social relationships with parents/guardians and students. Staff members should use appropriate professional judgment when they have a dual relationship to students to avoid violating this policy, the appearance of impropriety, and the appearance of favoritism. Staff members shall proactively discuss these circumstances with their building administrator or supervisor.

Use of Technology

The board supports the use of technology to communicate for educational purposes. However, when the communication is unrelated to school work or other legitimate school business, district staff are prohibited from communicating with students by phone, email, text, instant messenger, or other forms of electronic or written communication. District staff members are prohibited from engaging in any conduct on social networking websites that violates the law, district policies or procedures, or other generally recognized professional standards. This prohibition includes prohibiting staff from "friending" and/or "following" students on social media.

Staff whose conduct violates this policy may face discipline and/or termination consistent with the district's policies and procedures, acceptable use agreement, and collective bargaining agreements, as applicable.

The superintendent or designee will develop protocols for reporting and investigating allegations of a failure to maintain professional boundaries and develop procedures and training to accompany this policy.

Procedure 5253P Maintaining Professional Staff/Student Boundaries

School employees and volunteers are required to maintain professional and appropriate boundaries in their relationships with students that are consistent with legal and ethical standards of care.

Reporting Violations

All school staff members or volunteers must promptly notify the supervisor of a staff member or volunteer suspected of engaging in a boundary invasion toward a student.

Procedure 5253P Maintaining Professional Staff/Student Boundaries (cont.)

Staff members should:

- Not wait before reporting suspicious behavior or try to determine whether there is an innocent explanation;
- Not confront or discuss the matter with the staff member at issue or with anyone else, but maintain confidentiality to protect privacy and avoid rumors; and
- Document for their own records that they notified an administrator, including to whom and what they reported

Students and their parents/guardians are strongly encouraged to notify the principal or designee if they believe a staff member or volunteer may be engaging in inappropriate boundary invasion conduct with a student.

Boundary Invasion

A boundary invasion is an act or pattern of behavior by a staff member or volunteer that does not have a bona fide health, safety, or educational purpose for the student. Staff members and volunteers shall not engage in boundary invasions of students, which include, but are not limited to, the following:

- A. Any type of inappropriate physical or sexual conduct with a student or any other conduct that violates the board's policies regarding student welfare, the educational environment, or conduct toward current or former students. Inappropriate physical conduct includes hugging, kissing, or being "overly touchy" with students without any legitimate educational or professional purpose;
- B. Showing intimate or unduly revealing photos to a student or asking a student to provide intimate or unduly revealing photos, taking inappropriate photographs of a student, or taking an inordinate number of photographs of a student;
- C. Any kind of flirtatious or sexual communications with a student;
- D. Singling out a particular student or students for personal attention and friendship beyond the professional staff/student relationship. This includes, but is not limited to, favoring one or more students with special privileges, allowing them to remain in the classroom during non-class times, unilaterally removing a student from another class or activity, or engaging in "peer like" behavior with one or more students;
- E. Providing alcohol, drugs, or tobacco to students or failing to report their use of these substances;
- F. For non-guidance/counseling staff, allowing or encouraging students to confide their personal or family problems and/or relationships. If a student initiates such discussions, staff members shall refer the student to appropriate guidance/counseling staff. In either case, staff involvement should be limited to a direct connection to the student's school performance;
- G. Sending students on personal errands unrelated to any educational purpose;
- H. Banter, allusions, jokes, or innuendos of a sexual nature with students;
- I. Commenting on a student's appearance in a flirtatious or sexual nature, or if the comments have no educational value;
- J. Disclosing personal, sexual, family, or employment concerns or other private matters to one or more students;
- K. Addressing students or permitting students to address staff members or volunteers with personalized terms of endearment, pet names, or otherwise in an overly familiar manner;
- L. Maintaining personal contact (including "friending" or "following") a student on any social networking application or device;
- M. Sending phone, email, text, instant messenger, or other forms of written or electronic communication to students when the communication is unrelated to school work or other legitimate school business. If staff members have educational or legitimate school business to conduct, they shall include a parent/guardian and a school administrator on the communication. If staff members receive communication from a student, the staff member shall reply by including the student's parent/guardian, unless doing so would jeopardize the safety, health or welfare of the student, and an administrator. Staff members should use school email addresses and phone numbers and the parents'/guardians' phone numbers for communications with students, except in an emergency situation;
- N. Exchanging or providing personal gifts, cards, or letters with an individual student;
- O. Socializing or spending time with students (including but not limited to activities such as going out for beverages, meals or movies, shopping, traveling and recreational activities) outside of school-sponsored events, except as participants in organized community activities;

Procedure 5253P Maintaining Professional Staff/Student Boundaries (cont.)

- P. Giving a student a ride alone in a vehicle in a non-emergency situation or failing to timely report that occurrence;
- Q. Providing a student with information or views about other students or staff members without a legitimate professional purpose;
- R. Asking a student to keep a secret or not to disclose any inappropriate communications or conduct;
- S. Unnecessarily invading a student's privacy, (e.g., walking in on the student in the bathroom or a hotel room on a field trip);

Investigation and Documentation

When an administrator receives information that a boundary invasion has occurred or might have occurred, the administrator must document, in writing, the concern and provide a copy of the documentation to the appropriate regional superintendent, the district Title IX coordinator, and general counsel. The Title IX coordinator will investigate and document the matter, and if a boundary invasion has occurred without a legitimate educational or safety purpose, ensure that appropriate action is taken and documented. The district will maintain a file documenting reports, letters of direction, and discipline relating to professional boundary investigations.

Reminder About Reporting Sexual Abuse

All school personnel who have reasonable cause to believe that a student has experienced sexual abuse by an adult or another student are required to make a report to Child Protective Services and/or law enforcement. Reporting suspected abuse to the building principal or supervisor does not relieve professional school personnel from their reporting responsibilities and timelines.

Disciplinary Action

Staff member or volunteer violations of this procedure may result in disciplinary action up to and including dismissal. Violations may occur by ignoring professional boundaries, as well as by failing to report another staff member or volunteer who is ignoring professional boundaries. In any disciplinary situation, the superintendent or designee should consider whether the conduct violates the code of professional conduct in [Chapter 181-87 WAC](#) and whether a report to the Office of Professional Practices is warranted.

Training

All new staff members and volunteers will receive training on appropriate staff/student boundaries within three (3) months of employment or beginning of service. Such initial training may be on-line training. Site administration and classified employee supervisors shall see to it that more detailed, live training covering this entire procedure shall occur every two (2) years for all schools and work sites. Site administration and classified employee supervisors will also address professional boundaries at staff meetings early in the year.

Dissemination of Policy and Reporting Protocols

[Policy 5253](#) and this procedure will be included on the district website and in all employee, student, and volunteer handbooks. Annually, all administrators and staff will receive copies of the district's reporting protocol.
