i-Ready for Students iPad App
Using Clever

i-Ready can be accessed on an iPad. It can be a little tricky so here are instructions to help. 😊 THANK YOU!

Let's Start with System Requirements.

To ensure Students have the best possible experience, support of the i-Ready app is restricted to iPads compatible with **iOS version 10** and up.

Devices such as iPad 4, iPad Air, iPad Air 2, iPad Pro 12.9" & 9.7" and iPads released after 2017 are supported by i-Ready. The iPad mini includes a Warning when using the App.

**To use i-Ready on an iPad,** you will need to **download 2 Apps** from the Apple App Store.
