Special Programs Counts

At the School Level	A student is counted in the school total based upon their program enrollment on Jan 7, 2020. this is intended to be representative of the school as a whole, and to avoid using the carryover record from the prior year for FRL data which would inflate the FRL student count for the school.
At the Action Level	A student is counted in program if they were active in the program on the start date of their exclusionary discipline.
