Dear Woodside Families,

I am pleased to welcome you back to the 2020-21 school year! I would like to extend a special welcome to all of the new families joining Woodside this year and welcome back all of our returning families as well! I am honored to be your principal. Our goal at Woodside is to work together to provide our students with a rich learning environment. My vision, as the principal, is to ALWAYS put kids first! My belief is that all students can learn. As educators, we need to discover how each child learns in order to differentiate our instruction to support diverse learning styles. In a collaborative effort, we want children to thrive in all ways possible. My hope is that all children will LOVE school and nurture a learning environment that is positive, safe, warm, caring, as well as a fun place to learn and grow.

Student success is attributed to the partnership and the relationships we build within our community and this is MOST important now more than ever. It truly does take a village and at Woodside we value teamwork and collaboration! Education is a joint venture and Team Woodside greatly appreciates the support you provide for your children at home and at school to help them meet their learning goals. Without the support of parent contributions through our extraordinary PTA, we would not have many of the programs that make Woodside so unique and successful.

Although this year looks different than any other year, we are dedicated to providing your child(ren) a memorable, interactive, engaging distance learning experience. Team Woodside will be focusing on all of the positives that we can take from this experience and as the role models in our Toucan’s lives. It is important that we display a positive attitude towards distance learning each and every day. I encourage you to do the same at home.

We hope you will find that Woodside Elementary School is truly a place where learning is joyful and children delight in coming to school.
To all of my fellow Toucans, let’s make it a great year!
See you ‘virtually’ very soon

Sincerely,

Dr. Betty J. Cobbs, Principal
Woodside Elementary School
17000 23rd Ave. SE, Bothell, WA 98012
www.everettsd.org/woodside
Find out who your child’s teacher is on September 4th 2020

Parents are you signed up for Home Access Center? Please do not wait sign up now! Sign up by logging into the EPS website at:

https://www.everettsd.org/Page/26203

DID YOU KNOW YOU CAN SEE..

- Fall Homeroom Teacher Assignment (September 4th)
- District/State Test Scores (DRA, SBA, MSP)
- Attendance
- Registration information, emergency contacts
- Update email and phone numbers
- Student schedule, teacher names and emails

Parent/Guardian

Need a log in or password?

- Request a login/password from lms@everettsd.org. Include in that request:
  1. Your student’s name, school ID number and/or date of birth
  2. Your name
  3. Your relationship to the child (mother, father, guardian, etc.)
- LMS will email you (only to the address on file with your school) your log-in and TEMPORARY password.
- AFTER you change that password, you will have access to student info.

Do you have more than one child? Do you want to use one login for all of them?

- Ask your school to link all of your students in one account.

FOR MORE INFORMATION, CONTACT: LMS@everettsd.org
Woodside Elementary PTA Presents

Back-to-School Ice Cream (anti)-Social

Tuesday, September 8th

When you come visit Woodside on 9/8, to pick up your Chromebooks and school supplies, PTA will have a table set up. Our parent volunteers will be there to hand out popsicles and welcome our favorite Toucans back!

We can’t wait to see you!
Meet and Greet Day

Tuesday, September 8th, students in 1st – 5th grades will be able to drive through the Woodside Elementary bus lane to pick up materials, a chromebook if needed, and wave at teachers. Wednesday, September 9th and Thursday, September 10th, are the scheduled days for kindergarteners.

Tuesday, September 8th
9 am - 10 am  1st grade
10 am - 11am  2nd grade
11 am - 12 pm  3rd grade
Noon - 1 pm    4th grade
1 pm - 2 pm    5th grade
5 pm - 6 pm *For families that cannot come during the day*

Wednesday, September 9th
9 am – 3 pm Kindergarten students with last names A-L

Thursday, September 10th
9 am – 3 pm Kindergarten students with last names M-Z

New Neighbors Attending Woodside Elementary? It’s not too late for new families in the neighborhood to enroll their K-5 child/ren at Woodside. Online enrollment is located on our website at https://www.everettsd.org/Page/31077.
Welcome Back to Music Class!

Who is our music teacher?
My name is Mrs. Hill and I am the music teacher at Woodside. This is my 12th year of teaching elementary music, and my 8th year at Woodside. I live in North Seattle with my husband Alex, almost 2 year old Nora, and cat Wembley. Although teaching music is my passion, in my free time I enjoy cooking, hiking, biking, running, gardening, and reading!

What will we be doing in Music this year?
Although I won’t be able to see all your smiling faces in person when we begin the school year, I am looking forward to making music with you in your homes! Mrs. Hill will be posting weekly online music lessons and activities in addition to weekly live zoom music classes for all grade levels.

Some of the fun things you can look forward to in music class this year include:
- Singing games on zoom
- Performing on instruments (Instruments will be provided in your “Remote Music Kit” that will be sent home with all students)
- Listening to a variety of musical styles
- Movement in response to music
- Reading music
- Writing music
- Creating music

Through our exploration of music in live zoom lessons and posted lessons online, we will learn important grade level musical skills and concepts. Up to date information about music class can be accessed in “Music Class” on Canvas and on Mrs. Hill’s website at: https://www.everettsd.org/woe-thill

Thank you Woodside families for engaging in our online music lessons each week and making music at home.
I miss you all!
Hello Woodside Families!

I am thrilled to get to know and work with your amazing students again as the Woodside STEM Specialist. During this remote learning start to the school year, things will look and feel different than they have in the past, but I hope to still see each classroom via Zoom once during the week and post a weekly STEM lesson for our young scientists and engineers to work on at home. It will be an exciting year of STEM learning and 21st Century Skill building for all students, with hands-on science investigations, engineering design challenges and coding. I look forward to seeing everyone online soon. Get ready to create, investigate and innovate!

~ Ms. Greenberg

### Innovation Lab (K-5)

K-5 students will:

- Build the NGSS practices that scientists and engineers use:
  - Asking Questions and Defining Engineering Problems
  - Developing and Using Models
  - Planning and Carrying Out Investigations
  - Using Math and Computational Thinking
  - Analyzing and Interpreting Data
  - Constructing Explanations and Designing Engineering Solutions
  - Engaging in Argument from Evidence
  - Obtaining, Evaluating and Communicating Information

- Develop 21st Century Skills:
  - Collaboration, Communication, Critical Thinking, Creativity, Citizenship and Growth Mindset

- Engage in hands-on learning through:
  - Engineering Design Challenges
  - Scientific Investigations
  - Coding and Robotics

The following recycled materials would be good to save and use at home for our hands-on investigations and engineering challenges during remote learning:

- Empty paper towel rolls
- Empty cereal boxes
About Ms. Greenberg:

Ms. Greenberg earned her Bachelor of Science in Zoology, Bachelor of Art in Ecology, Evolution and Conservation Biology and Minor in Music from the University of Washington in 1997. She went back to UW to earn her Masters in Teaching in 2005. She spent 7 years teaching 5th grade at Hawthorne Elementary for Everett Public Schools, at which time she earned her National Boards Teacher Certification. Ms. Greenberg spent 7 years supporting all Everett elementary teachers with science curriculum, instruction and assessment as the district's Elementary Science and Engineering Instructional Facilitator. This year she back for her second year as the STEM Specialist at Woodside Elementary engaging K-5 students in science, engineering, coding and robotics. When she is not in the classroom with kids, Ms. Greenberg facilitates National Boards candidates for Seattle University, as well as works part-time as an Adjunct Professor for the Seattle University’s Alternative Route to Teacher Certification Program for para-educators. In her free time, Allison enjoys time with family, traveling, reading for work and pleasure and engaging in the sport of competitive ballroom dancing.

Mrs. Christine Vo – ASSISTANT PRINCIPAL

Dear Woodside Families,

Welcome to the 2020-2021 school year! I hope you have enjoyed these beautiful and sunny, summer days in Washington with your loved ones. I am excited to begin my second year as the Assistant Principal at Woodside and am looking forward to working with familiar faces and getting to know new ones. I feel very fortunate to serve this wonderful community!

While the school campus is undergoing a stunning modernization, we are eager to welcome back staff and students to begin this new year with remote learning under the guidance of Governor Inslee, the Snohomish Health District, and OSPI for re-opening schools.

Our administrative, teaching, office, library, and custodial staff have been working hard throughout the summer to plan and prepare for another amazing school year in a new building. Our excellent teachers have designed distance learning experiences. This process requires collaboration, professional development with the online Canvas platform, as well as, thoughtful planning of lessons aligned with learning standards to shape students’ learning in social, emotional, and academic areas. Our friendly and fabulous office team is getting the new office ready and registering new families. Our enthusiastic librarian is setting up the library. Our awesome custodians and support staff are moving, cleaning, and helping wherever needed throughout our school. Moving into a new school building requires a great amount of teamwork.

This year as we embark on a new distance learning model, I encourage you to take an active role in your child’s learning. Parent involvement plays a critical role in our school’s success. Please consider becoming a PTA member this year. The Woodside PTA makes many positive contributions to our school. Ways to support and increase your child’s academic success include:

- Make attendance a priority
- Check Canvas regularly for work progress
- Communicate often with your child’s homeroom teacher
- Read with your child at least 20 minutes a day
- Limit television and social media, encourage outside play
- Review the school day with your child

In partnership,

Christine Vo
Assistant Principal
Woodside Elementary School
**Who is Mrs. Jensen?**

My name is Anne Jensen and this is my 26\textsuperscript{th} year as a school counselor; my fifth at Woodside Elementary School. My musical husband and I have been married for 33 years. We have one lovely daughter who brought a wonderful son-in-law and two funny and loving grandchildren into our lives. We also have a very spoiled rescue dog named Lady.

When I’m not doing school, I like to work in my garden and sew quilts (and a lot of masks this summer).

---

**What is a School Counselor?**

A school counselor works with and for all students in the school. This is different from a private counselor or therapist who works with a small number of clients each week.

I earned a Bachelor of Music Education degree from Boise State University and Master of Education in Counseling Psychology from WSU. I am both a teacher and a counselor. I teach classroom lessons, work with some students in small skill-building groups and meet with a few students individually. I also participate in, and facilitate, many meetings with teachers,
How can I contact Mrs. Jensen?
Email: ajensen@everettsd.org
School phone: 425-385-7810
School website: https://everettsd.org/woe-counseling
- The Woodside Counseling webpages contain many resources for families and students.

Everyone is applauding everyone but our children. These little heroes have stayed indoors more than they’ve ever known in their lives. Their whole worlds have literally been turned upside down and they don’t know why. All these rules they’ve never known. Not being able to see family or give hugs. Vacations, sports and activities, play dates and school canceled. Adults talking about others becoming unwell, news reporting death after death. Our poor children’s minds must be racing. Every day their resilient little bodies get up and carry on despite all that’s going on. So here’s to our little heroes: today, tomorrow, forever
Welcome to the 2020-2021 school year! This year is exciting as we are moving into a brand-new library and a remodeled school. We might not be seeing it in person as we begin school, but I am confident that we will be inside the new walls soon!

This is my fourth year as the teacher-librarian at Woodside. I have taught for 30 years (I cannot believe I am writing that!) both in elementary and middle schools. I am a product of the Everett School District graduating from Cascade High School a long time ago. My entire career has been devoted to this community. I have a son who is heading into sixth grade this year at Evergreen Middle School. We live in Everett with two dogs, a lot of Legos and Hot Wheels.

I am unsure of what the library system will be for students, however I am committed to helping them navigate online learning and accessing materials. Look for more information regarding the library program in teacher newsletters, the Woodside Library Website [https://www.everettsd.org/woe-library](https://www.everettsd.org/woe-library) and via social media. Woodside Library has a Facebook page, an Instagram page, and a Twitter account. I use all of these as well as this newsletter to communicate to families. You may also contact me via email [aruotsala@everettsd.org](mailto:aruotsala@everettsd.org). We do not have a phone or a phone number for the Woodside Library yet!

I look forward to working and supporting all families and staff as we embark on the 2020-21 school year!
Adventure Together

Our theme to kick off the school year is Adventure Together. We chose “Adventure” because this school year is kicking off remotely, but not like it was in the spring. This year will look and feel much different and will be a new, exciting and challenging adventure for students, teachers and families. And, “Together” because we are all in this together. Although this start to school will feel different to everyone, we encourage taking on this challenge with courage, knowing we will all learn and grow as we navigate new and unexpected situations. We are all here for every student, every family, every teacher, every staff member. We are a team! Let’s Adventure Together!

Parent University

Starting September 2, Everett Public Schools will have a Parent University available 24/7 online and mobile, for you to access important resources to help support your student’s remote learning. You can find details on how to access and log in to Canvas, how to view your student’s schedule, where to get meals, and much more. Resources will continue to be added throughout the year. You will find Parent University, and all other information related to remote learning, at www.everettsd.org/COVID2020-21

Learning model status

Everett Public Schools will begin the 2020-21 school year with 100% remote learning using our staged approach to reopening. As the numbers of positive COVID-19 cases and deaths continue to rise across our state and in our region, it has become clear at this time that our more robust remote learning model will be the safest way to form the foundation for student learning this fall.

Staged reentry to schools will be determined by the impacts of a changing COVID-19 pandemic, available resources, direction from Snohomish Health District, OSPI and our Governor. Having the flexibility and agility to move to different models will enable Everett Public Schools to provide the best education possible in whatever scenario presents itself.

The current status is 100% remote learning. Visit the learning model status webpage to get to know the five stages.

Attendance procedures

We look forward to teaching your child every day. Regular attendance is important, and we will work with you to ensure your child is engaged in learning to benefit from an excellent education. If your child will miss remote learning, please email the school at their attendance email address, which you can find on the school website.

If email is not possible, and even if you leave a message with the school attendance line, please send a written note to the school office within 30 days. Teachers will use digital
Gradebook attendance to log student attendance daily. K-5 students will have attendance taken daily at the beginning of the day during their morning meeting. Grades 6-12 will have attendance taken in every class period.

2020-21 Immunization Changes

The way schools collect immunization records and comply with immunization rules has changed for the 2020-21 school year. As of August 1, 2020, a change in state immunization rules has affected three areas of immunization compliance:

- The definition of “conditional status” has been clarified. **Students must turn in their immunization paperwork on or before the first day of in-person learning.**
- All new immunization records from students need to be **medically verified.**
- The Tdap vaccine requirement for 6th through 12th graders has been changed to a 7th through 12th grade requirement.

A medically verified record includes one or more of the following and can be submitted by email to **EPS.BuildingRN.MailList@everettsd.org:**

- A Certificate of Immunization Status (CIS) printed from the Immunization Information System
- A physical copy of the CIS with a healthcare provider signature
- A physical copy of the CIS accompanying medical immunization records from a healthcare provider verified and signed by school staff
- A CIS printed from your MyIR account.

Access your family’s immunization information

To access your family's immunization information from the Washington State registry visit, sign up for **MyIR** to view, download and print your student's immunization records securely online. Once you register, you can access the records anytime you need them. You can print your child's Certificate of Immunization Status for school, childcare and camp programs.

Ways to stay in touch

On the communications department webpage, you can sign up for **InTouch** announcements and school board meeting agendas highlights delivered to your email box twice monthly. You can also follow us on **Facebook, Twitter** and **Instagram.**

Mobile app

Families can **download the district mobile app** to easily access student information, grades, attendance, lunch balances, borrowed library books, calendars and more! Translate notifications and app functions into the language you prefer.
Social & emotional health

The outbreak of COVID-19 may be stressful for people and communities. Fear and anxiety about a disease can be overwhelming and cause strong emotions in adults and children.

Everyone reacts differently to stressful situations. The emotional impact of an emergency on a person can depend on the person’s characteristics and experiences, the social and economic circumstances of the person and their community, and the availability of local resources. People can become more distressed if they see repeated images or hear repeated reports about the outbreak in the media.

Children react, in part, on what they see from the adults around them. When parents and caregivers deal with the COVID-19 calmly and confidently, they can provide the best support for their children. Parents can be more reassuring to others around them, especially children, if they are better prepared. Please visit the district's social & emotional health webpage for more information.

ECEAP preschool is now enrolling for 2020-21

ECEAP has a positive impact on our family because it is a great program for my kids to start school and get ready for kindergarten. They also helped me see my own goals. ~ECEAP parent

Everett Public Schools Early Childhood Education & Assistance Program (ECEAP) is a FREE preschool program for three- and four-year-old children from families with limited income. ECEAP prepares children for kindergarten and includes family support and health and nutrition services. It is funded in partnership with Snohomish County Human Services and Washington State Department of Children, Youth and Families.

ECEAP will be providing remote preschool services this fall including virtual circle times and small groups, video libraries of fun, engaging activities, and learning materials for home-based activities. Additionally, ECEAP will support parents as their child’s first and most important teacher through regular parent-teacher check-ins, family support coaching, resources, and online family support groups and informational classes.

The ECEAP preschool program is located at Cedar Wood (new for 2020-21), Garfield, Hawthorne, Lowell, Madison and Silver Lake elementary schools. ECEAP will be providing remote preschool services this fall including virtual circle times and small groups, video libraries of fun, engaging activities, and learning materials for home-based activities. Additionally, ECEAP will support parents as their child’s first and most important teacher through regular parent-teacher check-ins, family support coaching, resources, and online family support groups and informational classes. Space is limited – apply early! For an application or more information, please call 425-385-4628, email eceap@everettsd.org or visit our website.
Kids in Transition program

Kids in Transition (KIT) program supports students who qualify as homeless under the federal McKinney-Vento Homeless Act. Students without a fixed, regular, and adequate nighttime residence may qualify. The KIT program works to eliminate barriers to students’ academic success and extra-curricular involvement. We ensure students experiencing homelessness have access to free school meals, school supplies, and uniforms. KIT can help students access extended day or summer school classes and provide access to tutoring when needed. The KIT Program can also cover fees required to take part in activities such as school-sponsored sports, clubs, and required class fees. KIT transports eligible students to maintain school stability, as long as the commute is in the best interest of the student.

Last year, Everett Public Schools served over 1,100 homeless students at some time during the school year. For more information, visit the KIT website or contact the KIT Program at 425-385-4032.

Backpacks for students in need

Do you know a family who might be in need this year? Stuff the Bus for Kids ensures each child in Everett Public Schools starts the school year prepared to learn. The EPS Foundation will deliver over 1,900 backpacks, filled with school supplies, and make them available to any Everett Public School student who may need extra assistance.

Students in need of a backpack, please reach out to your school to receive your supplies. Backpacks will be available for pick up at each school beginning August 31, the week before school.

Student opportunities and activities eflyers

We use Peachjar to email approved flyers from community organizations to parents and guardians. Schools also post those flyers on their websites. Look for the Peachjar button in the Quicklinks section of your school home page to see those flyers. You can also register there to have those flyers delivered to your email address if you aren’t already receiving them.

Safety tip line

Do you or your student have a concern about someone experiencing bullying or harassment? Report it! You can talk directly with your school’s office or you can call, text or email your concern.

If there is reason for concern about safety on a designated walkway to school, call 9-1-1 immediately for authorized, quick help. We have strong partnerships with local law enforcement who share our interest in safe schools and neighborhoods. Student safety is a priority for all of us. Working together, we can help make our neighborhoods and schools nurturing places for students to safely learn and grow.
Access to public records

District records are public records. Parents and other citizens have the right to ask to view or have copies of records defined as “public” under state and federal laws. These include parents’ and legal guardians’ student’s records and records about discipline of school employees.

The district’s general counsel office handles public records requests. Request records by writing to that office at PO Box 2098, Everett, WA 98213, sending an email request to publicrecords@everettsd.org, or calling 425-385-4150.

Your student’s records are confidential

Everett Public Schools is serious about protecting student records and privacy. The district uses multiple security measures to safeguard student transcripts and other education-related records. Only those teachers, administrators and other staff members who work directly with students (and have an educational need to know) have access to individual student records. Staff members are required to maintain confidentiality of all information in a student’s records.

Register to vote!

It’s easy! You can register online at http://bit.ly/VoteRegistration or stop by your school office to pick up paper registration materials.
Una Aventura Juntos (Adventure Together)

Nuestro tema para arrancar el año escolar es **Una Aventura Juntos**. Escogimos “Aventura” porque esta escuela está arrancando con clases remotas, pero no como las que se hicieron en la primavera. Este año se verá y se sentirá muy diferente y será una aventura nueva, emocionante y retante para los alumnos, los maestros y las familias. Y, “Juntos” porque estamos juntos en esto. Aunque este inicio de clases se sentirá diferente para todos, los exhortamos a que tomen este reto con ganas, sabiendo que todos vamos aprender y a crecer navegando a través de situaciones nuevas e inesperadas. Estamos todos aquí por cada uno de los alumnos, por sus familias, por los maestros y por el personal escolar. ¡Somos un equipo! ¡Vamos aventurarnos juntos!

Universidad para padres (Parent University)

A partir del 2 de septiembre, las Escuelas Públicas de Everett tendrán una Universidad para Padres disponible las 24 horas del día, los 7 días de la semana, en línea y en dispositivos móviles, para que usted pueda acceder a recursos importantes para ayudar a apoyar el aprendizaje remoto de su estudiante. Puede encontrar detalles sobre cómo acceder e iniciar sesión en Canvas, cómo ver el horario de su estudiante, dónde obtener comidas y mucho más. Se seguirán agregando recursos durante todo el año. Encontrará la Universidad para Padres y toda otra información relacionada con el aprendizaje remoto en [www.everettsd.org/COVID2020-21](http://www.everettsd.org/COVID2020-21)

Estado del modelo de aprendizaje

Las escuelas públicas de Everett comenzarán el ciclo escolar 2020-21 con aprendizaje 100% remoto programando etapas para la reapertura. Mientras los números de casos positivos y muertes de COVID-19 continúan al alza en todo nuestro estado y en nuestra región, queda claro que en este momento nuestro modelo robusto de aprendizaje remoto será la manera más segura de formar los cimientos para el aprendizaje de los estudiantes este otoño.

La reapertura a las escuelas por etapas será determinada por los impactos en la cambiante pandemia del COVID-19, por los recursos disponibles, la dirección del Distrito de Salud de Snohomish, OSPI y nuestro gobernador. Tener la flexibilidad y agilidad para mover diferentes modelos facultará a las escuelas públicas de Everett para que provean la mejor educación posible en cualquiera de los escenarios que se presenten.

1. El estado actual es 100% aprendizaje remoto. Visite [el sitio web de la etapa del modelo de aprendizaje](http://www.everettsd.org/COVID2020-21) para que conozca las cinco etapas.
Procedimientos de asistencia

Esperamos dar enseñanza a su hijo/a todos los días. La asistencia regular a clases es importante, y estaremos trabajando con usted para asegurar que su hijo/a esté participando en su aprendizaje y se beneficie de una excelente educación. Si su hijo/a va a faltar a una clase o aprendizaje remoto, por favor mande un email a su escuela al email de asistencia escolar (attendance), el cual puede encontrar en el sitio web de su escuela.

Si no es posible que mande un email e incluso si deja un mensaje en la línea de asistencia escolar, por favor envíe una nota por escrito a la oficina escolar en un plazo de 30 días. Los maestros usarán una boleta de asistencia y calificaciones electrónica para ingresar la asistencia de su hijo/a todos los días. Se les pasará asistencia a los alumnos del 1º al 5º grado diario al inicio del día durante sus reuniones matutinas. Se les pasará lista de asistencia a los alumnos del 6º al 12º grado durante cada periodo de clases.

Cambios a las inmunizaciones/vacunas 2020-21

La manera en que las escuelas recolectan sus récords de vacunación para satisfacer los reglamentos de inmunización ha cambiado para el año escolar 2020-21. A partir del 1 de agosto de 2020, un cambio en los reglamentos estatales de inmunización afectó tres áreas:

- La definición de “estado condicional (conditional status)” ha sido aclarada. Los estudiantes deberán entregar sus documentos de inmunización el primer día o antes del primer día de su aprendizaje en persona.
- Todos los récords de inmunización/vacunación de los estudiantes necesitan ser verificados medicamente.
- El requisito de la vacuna DTP (en inglés Tdap) para los alumnos del 6º al 12º grado ha cambiado a ser requisito para alumnos del 7º grado al 12º grado.

Un record medicamente verificado incluye uno o más de las siguientes opciones y pueden ser enviados por email a EPS.BuildingRN.MailList@everettsd.org:

- Un certificado de estado de inmunización (CIS) impreso del sistema de información de inmunizaciones.
- Una copia física del CIS con la firma de su proveedor de atención médica.
- Una copia física del CIS acompañado de los récords médicos de inmunización por parte de un proveedor de atención médica verificado y firmado por el personal escolar.
- Un certificado CIS impreso desde su cuenta MyIR.

Acceso a la información de inmunización de su familia

Para ingresar a la información de inmunización de su familia en el registro del estado de Washington, visite y regístrate a MyIR para ver, descargar e imprimir los expedientes de inmunización/vacunación en una línea segura. Una vez que se haya registrado, puede acceder a los récords en cualquier momento que los necesite. Puede imprimir el certificado de estado de inmunización (CIS) para su escuela, guardería y programas de campamentos.
Maneras para mantenerse en contacto

En la página web del departamento de comunicaciones, usted podrá anotarse a InTouch para recibir anuncios y puntos destacados de las agendas de las reuniones de la junta escolar entregadas directo a su email dos veces al mes. También nos puede seguir por Facebook, Twitter e Instagram.

Aplicaciones móviles

Las familias pueden descargar la app móvil del distrito para acceder con facilidad la información del estudiante y sus calificaciones, asistencia, saldos, libros prestados de la biblioteca, calendarios y más! Se cuenta con notificaciones traducidas y funciones de la app en el lenguaje de su preferencia.

Salud social y emocional

El brote del COVID-19 puede ser muy estresante para las personas y la comunidad. El temor y la ansiedad sobre una enfermedad puede ser abrumador y causar emociones fuertes en los adultos y niños.

Cada persona reacciona diferente a las situaciones estresantes. El impacto emocional de una emergencia en una persona puede depender de la personalidad o características de la persona y de su comunidad y la disponibilidad de recursos locales. Las personas pueden llegar a estar más estresadas si ven imágenes o escuchan continuamente reportes sobre los brotes en los medios de comunicación. Los niños reaccionan, en parte, en cómo ven que los adultos lo hacen cerca de ellos. Cuando los padres y sus encargados de su cuidado se enfrentan con la situación del COVID-19 con calma y confianza, pueden dar el mejor soporte a sus hijos. Los padres pueden ser más reconfortantes a las demás personas cerca de ellos, especialmente a los niños, si están mejor preparados. Por favor visite la página web de salud socioemocional para más información.

Inscripciones abiertas a Preescolar ECEAP 2020-21

El programa de Educación y Asistencia Temprana Infantil de las Escuelas Públicas de Everett, conocido como ECEAP es un programa de preescolar gratuito para niños y niñas de tres y cuatro años de edad de familias con ingresos limitados. ECEAP prepara a los niños para el Kinder e incluye un apoyo a la familia y servicios de salud y nutrición. Está financiado en asociación con Snohomish County Human Services y con Washington State Department of Children, Youth and Families.

ECEAP estará ofreciendo servicios de preescolar de forma remota este otoño incluyendo “circle times” virtuales y grupos pequeños, video librerias llenas de diversión, actividades de participación atractivas y materiales de aprendizaje para actividades basadas para ser hechas desde el hogar. Además, ECEAP brindará soporte a los padres como los primeros y más importantes maestros de sus hijos a través de verificaciones regulares entre padres y maestros, orientación en apoyo a la familia, recursos y grupos de apoyo familiares en línea junto con clases informativas.

Los seis sitios de ECEAP dentro de nuestras escuelas son: Las escuelas primarias Cedar Wood (nueva en el 2020-21), Garfield, Hawthorne, Lowell, Madison y Silver Lake. Se cuenta también con ubicaciones comunitarias adicionales. El cupo es limitado-aplique hoy mismo! Para obtener una solicitud o más informes, por favor llame al 425-385-4628, email eceap@everettsd.org o visite nuestro sitio web.
Programa KIT “Kids in Transition” (niños en transición)

El programa de Niños en Transición (KIT) da apoyo a los alumnos que califican como niños sin hogar o en desamparo bajo La ley federal McKinney-Vento. Los alumnos sin una residencia fija, regular y adecuada para percibir o pasar la noche pueden calificar. El programa KIT trabaja para eliminar las barreras para que el estudiante logre su éxito académico y se involucre en actividades extra curriculares. Nos aseguramos que los estudiantes que están en desamparo o sin hogar tengan acceso a comidas escolares gratuitas, útiles escolares y uniformes. KIT puede ayudar a los estudiantes a que accedan a las clases de días extendidos o escuela de verano y les ofrece acceso a tutoría cuando lo necesitan. El programa KIT también puede cubrir cuotas requeridas para ser parte de actividades patrocinadas como deportes, clubs y cuotas de clases académicas requeridas. KIT ofrece transporte a los estudiantes que califican para mantener su estabilidad en la escuela, siempre y cuando su transporte sea en el mejor interés del estudiante. El año pasado, las escuelas públicas de Everett sirvieron a más de 1,100 alumnos sin hogar en algún punto del año escolar. Para mayores informes, visite el sitio web de KIT o comuníquese con el programa KIT al 425-385-4032.

Mochilas para alumnos en necesidad

¿Conoce alguna familia que podría tener necesidad este año? “Staff the Bus for Kiss” se asegura que cada alumno en las escuelas públicas de Everett inicie su año escolar preparado para aprender. La fundación EPS entregará más de 1,900 mochilas cargadas con útiles escolares, para ponerlas disponibles a cualquier alumno de las escuelas públicas de Everett que pueda necesitar de asistencia extra.

Los alumnos en necesidad de una mochila, por favor comuníquense con su escuela para recibir sus útiles escolares. Las mochilas estarán disponibles para ser recogidas en cada escuela a partir del 31 de agosto, la semana antes de clases.

Oportunidades para alumnos y folletos electrónicos de actividades “efluyeras”

Usamos Pechar para mandar folletos electrónicos aprobados por email de las organizaciones comunitarias a los padres y tutores legales. Las escuelas también publican sus folletos en sus páginas web. Busque el botón de Pechar en la sección de “Quicklinks” de la página principal del sitio web de su escuela para ver estos folletos. También se puede registrar ahí mismo para que los folletos sean enviados a su email si no los está recibiendo aún.

Línea de reportes de seguridad (Safety tip line)

¿Usted o su estudiante están preocupados sobre alguien que está siendo acosado con bullying o acoso en general? ¡Repórtelo! Puede hablar directamente con la oficina de su escuela o puede llamar, mandar un texto o un email para reportar la situación.
Si hay alguna razón de preocupación sobre la seguridad en las áreas designadas para caminar a la escuela, llame inmediatamente al 9-1-1 para una ayuda rápida y autorizada. Tenemos una fuerte colaboración con el orden público quien comparte con nosotros el interés de que las escuelas y vecindarios sean seguros.

La seguridad de los estudiantes es prioridad para todos nosotros. Trabajando juntos, podemos ayudar a que nuestras comunidades y escuelas sean lugares propicios para que los estudiantes aprendan y crezcan seguros.

Acceso a registros públicos

Los récords o registros del distrito son públicos. Los padres y otros ciudadanos tienen el derecho a pedir ver o tener copias de los récords definidos como “públicos” bajo las leyes estatales y federales. Estos incluyen los registros de los padres y tutores legales de los estudiantes y los expedientes de la disciplina de los empleados escolares.

La oficina general del consejero distrital (district’s general counsel office) maneja las solicitudes de los registros públicos. Solicite los registros por escrito a esa oficina en PO Box 2098, Everett, WA 98213, enviando un email con su solicitud a publicrecords@everettsd.org, o llamando al 425-385-4150.

Los registros de su estudiante son confidenciales

En las escuelas públicas de Everett somos serios sobre la protección de los registros y privacidad del estudiante. El distrito usa múltiples medidas de seguridad para salvaguardar los expedientes académicos del estudiante y otros registros de educación. Solamente los maestros, administradores y otros miembros del personal escolar que trabajan directamente con los estudiantes (y tienen necesidad de saberlo) tienen acceso a registros individuales de los estudiantes. Los miembros del personal escolar tienen la obligación de mantener confidencialidad de toda la información contenida en un registro estudiantil.
