Good Morning Everett Public Schools' Classified Staff,

We know these past few weeks have been challenging! We appreciate your patience as we navigate uncharted waters.

We are so excited to begin the week by releasing professional development opportunities for our classified staff. A **Classified Online Learning** site has been added to our **Everett Public School Staff** links webpage.

1. Visit <https://www.everettsd.org/>
2. Sign in with your work log in information (staff ID# and password)
3. Select STAFF
4. Choose Classified Online Learning
5. Select topics for instruction by clicking on the blue colored tiles

We value our large, diverse classified staff and recognize the need for a variety of valuable, pertinent trainings. As we move forward, we will continue to build our professional development options by listing additional online live webinars, specialty courses and links. Please visit the site regularly to see highlighted opportunities and dates for upcoming sessions.

We have attached several instructional documents to help you access our online resources. If you need support navigating our system, please contact Anne LaRue at alarueeverettsd.org or Ingrid Stafford at istafford@everettsd.org.
