

Using Google Slides

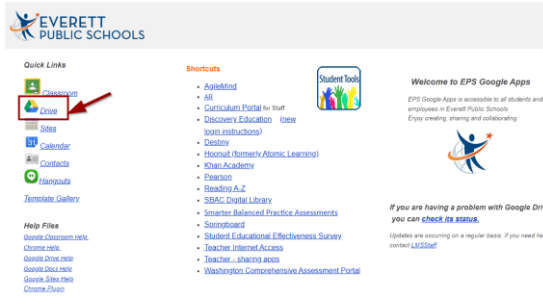

Everett Public Schools can use Google Slides with their EPS Google Apps account. Links to Everett's EPS Google account can be found on the website but you can also type in <http://start.apps.everettsd.org/>

Best to assure all other Google accounts on the computer are fully signed out of before starting.

	Going from Everett-specific link	Going straight from Google
Step One	Student Tools Google tile OR http://start.apps.everettsd.org/	https://www.google.com/
Step Two	<p>Select the Sign In through Everett Public Schools</p> 	<p>Going straight to Google Sign In Add user name of ID#@apps.everettsd.org</p> 
Step Three	<p>No matter the way you start, you will land on this screen and you should enter your ID# only and then your computer password</p> 	

Step Four

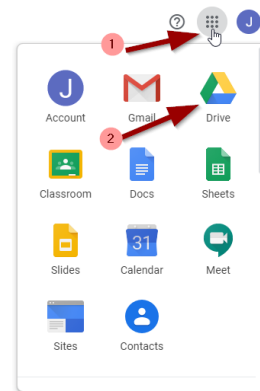

From Everett Public Schools Google Dashboard select Drive

You may get a Verify it's you slide if you see account ID#@apps.everettsd.org – go ahead and Continue

1. Select the Waffle in the upper right of the screen.
2. Select Drive

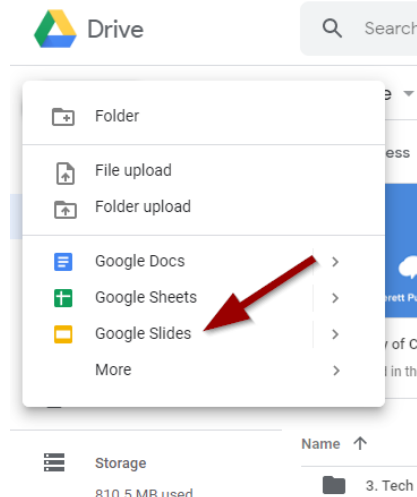

Step Five

In the upper left, find the + NEW option

Select Google Slides to get started

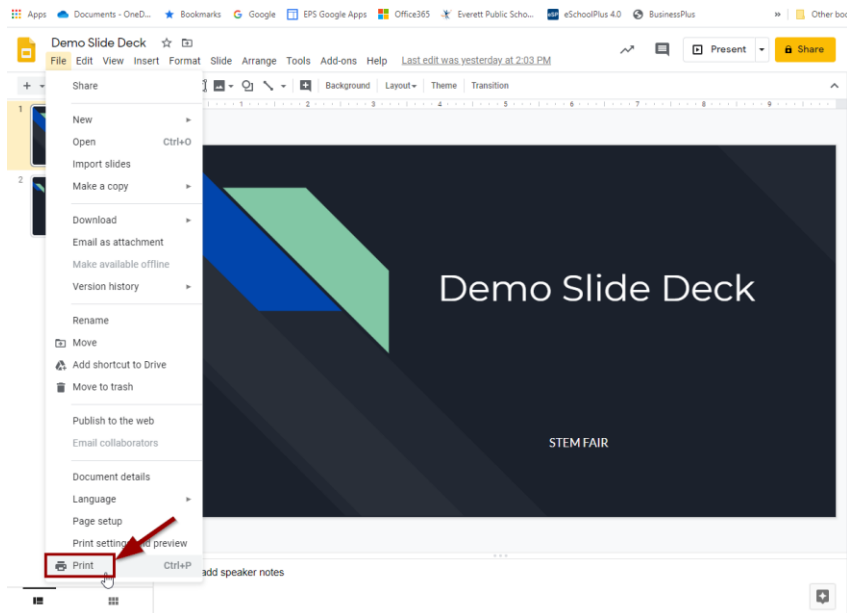

Google Slides

Reference Google directly for information on how to use Google Slides

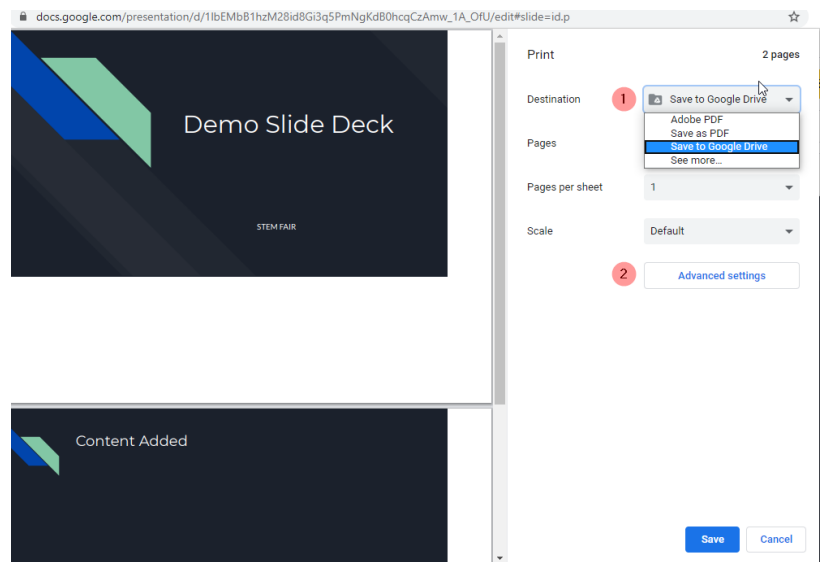

<https://support.google.com/docs/topic/1694827?hl=en> Once you complete your PowerPoint you can save it as a PDF.

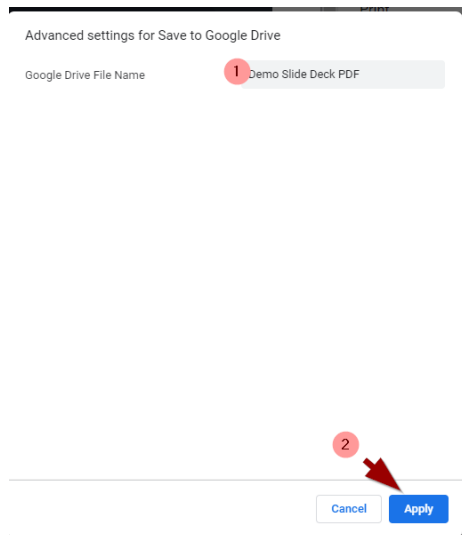

Go to File and select Print

From your Google Slide deck select Print

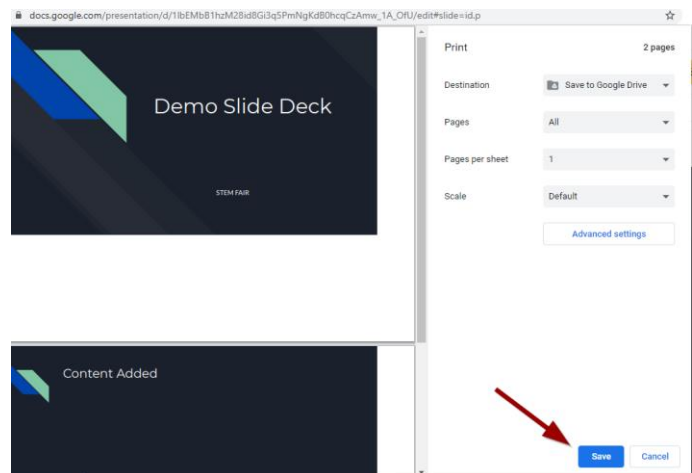

1. Destination Save to Google Drive
2. Advanced Settings

1. Name the file so you will find it in your Google Drive
2. Select Apply

Return to Print Screen and select Save

You will find your file right then in the Recent Files - but know it is saved within your Drive.

You can Share the file with a link with the appropriate STEM Coordinator.
