

# Work Proposed at Each Site in August 2020 Capital Bond

May 5, 2020

School / Site	Proposed Project
<b>Cascade High School</b>	<p>Modernize and expand science building for science classrooms and aerospace &amp; advanced manufacturing pathway</p> <p>Renovate cafeteria, kitchen and servery area</p> <p>Install security fencing</p> <p>Install access control system</p> <p>Renovate softball field and dugouts</p> <p>Upgrade after hours intrusion detection security system</p> <p>Replace locksets and keying system</p> <p>Upgrade technology infrastructure electrical systems</p> <p>Upgrade student information system</p>
<b>Everett High School</b>	<p>Modernize Vocational Building for Medical &amp; Health Careers Pathway</p> <p>Modernize classrooms and cafeteria in the auditorium building</p> <p>Renovate interior and exterior finishes at science building</p> <p>Install security fencing</p> <p>Install access control system</p> <p>Upgrade fire alarm system in science building</p> <p>Upgrade after hours intrusion detection security system</p> <p>Replace locksets and keying systems</p> <p>Upgrade technology infrastructure electrical systems</p> <p>Upgrade student information system</p>
<b>Jackson High School</b>	<p>Upgrade six classrooms for science programs, and information and communication technology</p> <p>Replace locksets and keying system</p> <p>Upgrade technology infrastructure electrical systems</p> <p>Upgrade HVAC controls system</p> <p>Upgrade student information system</p> <p>Upgrade after hours intrusion detection security system</p>

<b>School / Site</b>	<b>Proposed Project</b>
<b>Sequoia High School</b>	Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
<b>Eisenhower Middle School</b>	Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system Upgrade HVAC controls system Upgrade after hours intrusion detection security system
<b>Evergreen Middle School</b>	Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade HVAC controls system Upgrade student information system
<b>Gateway Middle School</b>	Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system HVAC controls upgrade Upgrade after hours intrusion detection security system
<b>Heatherwood Middle School</b>	Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system Upgrade after hours intrusion detection security system
<b>North Middle School</b>	Upgrade student information system
<b>Cedar Wood Elementary School</b>	Add four new elementary classrooms Upgrade after hours intrusion detection security system Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system

<b>School / Site</b>	<b>Proposed Project</b>
<b>Emerson Elementary School</b>	Add six new elementary classrooms Replace flooring Expand parking lot Replace playground equipment Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
<b>Forest View Elementary School</b>	Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
<b>Garfield Elementary School</b>	Replace playground equipment Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
<b>Hawthorne Elementary School</b>	Upgrade after hours intrusion detection security system Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
<b>Jackson Elementary School</b>	Replace elementary school Replace playground equipment Upgrade student information system
<b>Jefferson Elementary School</b>	Add four new elementary classrooms Expand parking lot Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
<b>Lowell Elementary School</b>	Replace elementary school Replace roofing at playshed Replace playground equipment Upgrade student information system

<b>School / Site</b>	<b>Proposed Project</b>
<b>Madison Elementary School</b>	Replace elementary school Replace playground equipment Upgrade student information system
<b>Mill Creek Elementary School</b>	Add four new elementary classrooms Replace roofing at playshed Upgrade fire alarm system Replace playground equipment Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
<b>Monroe Elementary School</b>	Add four new elementary classrooms Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
<b>Penny Creek Elementary School</b>	Replace playground equipment Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade HVAC controls system Upgrade student information system
<b>Silver Firs Elementary School</b>	Add four new elementary classrooms Replace roofing playshed Replace flooring Upgrade fire alarm system Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
<b>Silver Lake Elementary School</b>	HVAC controls upgrade Replace playground equipment Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system

<b>School / Site</b>	<b>Proposed Project</b>
<b>Tambark Creek Elementary School</b>	Upgrade student information system
<b>View Ridge Elementary School</b>	Add eight new elementary classrooms Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
<b>Whittier Elementary School</b>	Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
<b>Woodside Elementary School</b>	Add two new elementary classrooms Upgrade student information system
<b>Maintenance &amp; Operations, Memorial Stadium and Athletics</b>	Replace locksets and keying system Upgrade technology infrastructure electrical systems HVAC controls upgrade at Maintenance & Operations building Replace synthetic turf and track at Memorial Stadium football field Upgrade after hours intrusion detection security system at Memorial Stadium
