

How to Login to your Student Email Account

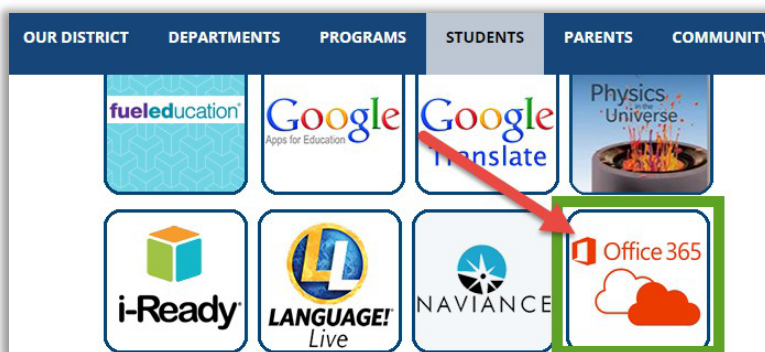

1a. **IF USING A DISTRICT-OWNED CHROMEBOOK:** After logging in to your student device, open Google Chrome. The below page should load automatically. Click on the **Student Tools** tile.

1b. **IF USING A PERSONAL DEVICE:** open a web browser and go to www.everettsd.org, hover over the **Students** tab, and then “click Student Tools” on the left menu.

2. On the Student Tools page, scroll down and click on the **Office 365** Tile.

3. The next screen will ask for your Microsoft account. Enter in your Student ID Number @apps.everettsd.org, then click Next.

Be sure you include “@apps.everettsd.org”

6. This opens your email inbox. To find out what your email account is, type your first and last name into the Outlook Search box. The format will be similar to MMouse@stu.everettsd.org.

Notes about Elementary Email Accounts:

1. Elementary email accounts cannot send emails. It may look like it sends, but it will not actually be delivered.
2. Elementary email accounts only receive emails from Everett Public Schools staff (staffname@everettsd.org), and a very limited number of approved external senders (including Google Classroom, Canvas, and Final Forms).
