- **Green** denotes options most preferred by all groups.
- **Red** denotes options least preferred by all groups.
Q7: What is the most important aspect of remote learning to you? (choose one)

- Personalized feedback and engagement from the teacher
- An environment as close to traditional school as possible
- An environment that keeps students engaged, but provides flexibility for families and students
- Access to the most challenging coursework and highly qualified teachers
- Support for a student who is struggling

Percentage:

- PreK-2 parents
- 3-5 parents
- 6-8 parents
- 9-12 parents
Q8: If public health officials believe it is safe to allow athletics and activities, would you be comfortable having your student participate? (6-12 grades only)
