VIEW MATCHING CAREERS

Click the **View Matching Careers** button to see your list of career interests organized by how much education and/or training it requires.

Matching Careers

The careers are separated into categories based on the **job zone**.

Job Zones

Click the **information icon** next to the title of the zone

It provides a description based upon preparation needed for careers in this zone.

Medium Preparation

Job Zone Three: Medium Preparation Needed

- **Overall Experience**

Previous work-related skill, knowledge, or experience is required for these occupations. For example, an electrician must have completed three or four years of apprenticeship or several years of vocational training, and often must have passed a licensing exam, in order to perform the job.

- **Education**

Most occupations in this zone require training in vocational schools, related on-the-job experience, or an associate's degree. Some may require a bachelor's degree.

- **Job Training**

Employees in these occupations usually need one or two years of training involving both on-the-job experience and informal training with experienced workers.

- **Examples**

These occupations usually involve using communication and organizational skills to coordinate, supervise, manage, or train others to accomplish goals. Examples include funeral directors, electricians, forest and conservation technicians, legal secretaries, interviewers, and insurance sales agents.
