

Dr. Saltzman staff message December 10, 2020

To: All EPS staff
From: Dr. Ian B. Saltzman, Superintendent
Regarding: Update on remote work

Good morning staff! I hope you are enjoying the holiday season and looking forward to the upcoming winter break. On November 17, I [sent you a message](#) emphasizing a renewed focus on health and safety due to the increase in COVID cases in our county, and the state-implemented [new restrictions](#) in place until at least December 14. This week, Governor Inslee extended those restrictions three additional weeks, until January 3.

For us that means continue work as you currently are working until January 6. We will have a staff communication out the first day back from break, on January 4, to update you on the current status and any changes.

As always, in all situations please continue to adhere to safety standards of wearing a mask, social distancing and limiting gatherings.

Please be safe and be well,

Ian
