Speaking Section.....43

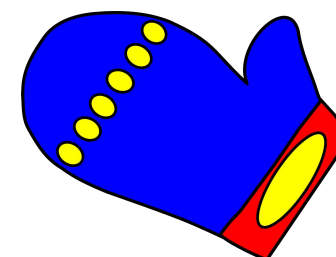

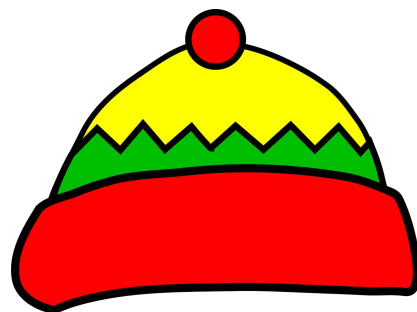

The Alternate ACCESS for ELLs was initially developed by a team led by Craig A. Albers, Ph.D., at the University of Wisconsin-Madison in collaboration with the District of Columbia Office of the State Superintendent of Education (OSSE) on behalf of the WIDA Consortium. Funds for this assessment development were made available through a 2007 U.S. Department of Education Enhanced Assessment Grant award to OSSE and the WIDA Consortium.
