

Name and Path	Type	ELA	Math	Notes
Assess & Teach > Resources > Tools for Instruction  Reading Math	Instructional tool	YES	YES	PDFs of human-taught lessons; math also comes in Spanish Math Example Reading Example
Assess & Teach > Resources > Tools for Scaffolding Comprehension  Reading	Instructional tool	YES (3-8)	NO	Starts with comprehension progression; teacher and student PDFs to prepare students to participate in upcoming grade-level reading instruction; two text passages (different levels) in each. Example
Assess & Teach > Resources > Teacher Toolbox  Reading Writing	Instructional tool	YES	NO	Start with Program Implementation, then find Ready Instruction Correlation Charts to tell you which lessons align to the standard. Aligned tutorials (video portion of lessons, without the quiz), lesson materials, read-aloud digital books for K-1, and Tools for Instruction; also has writing resources for Grade 2-5. Student resources can be posted in any LMS. Grade 2-5 include a language handbook below all the other lessons.
Reports > Class > Diagnostic > Prerequisites Report  Math	Report	NO	YES (1-8)	Includes learning progression and topic support docs, along with recommendations for each group

Name and Path	Type	ELA	Math	Notes
Reports > Instruction > Personalized Instruction by Lesson  Reading Math	Report	YES	YES	This is new ... you still have the Personalized Instruction Summary report, but this one shows you multiple students working on the same lesson. Click the blue arrow on the far right to see students. When you look at students, you can see if they are on the second attempt, a marker they may need help.
Assess & Teach > Assessment > Oral Reading Fluency Assessment  Resources	Assessment	YES (1-4)	NO	Human-conducted assessment
Reports > Instruction > Learning Games  Go	Fun	NO	YES	Difficulty varies; can be turned off in rosters tab – for whole class or specific students; this time doesn't count toward lesson minutes. Learning Games overview: https://i-readycentral.com/articles/learning-games/
