

Field Trip Information Fall 2021

Based on the latest guidance, the following are the current guidelines for field trips for the 2021-22 school year. It is likely this guidance will be updated over the summer prior to the start of school.

It would be important to have **all refund policies reviewed** in case phases or requirements change before your trip.

OSPI has given the following guidance: School related and sponsored extracurricular activities including field trips must follow all relevant Healthy Washington: [Roadmap to Recovery](#) guidance.

There are different requirements depending on your type of trip.
