THE BOARD OF DIRECTORS

Annual Goals and Objectives

Each year the board, in cooperation with the superintendent, will review ~~strategic goals and targets for the district~~ **the district's priority student outcomes, strategic themes, objectives, and initiatives which**. The goals and targets are aligned with the **district's** mission, vision, and core values ~~and strategic priorities~~.

Each school and site within the district shall undertake operational planning on a regular basis. Those plans will be aligned with the district's strategic plan and will prioritize the improvement of student success.

At the conclusion of the school year the superintendent shall submit a report to the board which shall reflect the degree to which the district's ~~strategic objectives~~ **priority student outcomes, strategic themes, objectives, and initiatives** have been accomplished. Annual achievements and recognition of accomplishments will be reported to the community each year.
