

Meet Your Teacher is a fun, casual, drop-in style opportunity to our students and families to meet their teacher and get to know their classroom within our Monroe campus. This event will take place on the Thursday before our anticipated first day of school. Our campus and classrooms will still be in preparation for the first day of school but, as a school, we believe that it is important for our learners and families to feel comfortable as we celebrate coming together again for the 2021/2022 school year.

In addition to meeting your teacher, please take time to tour our beautiful Monroe campus, meet our Monroe team, and meet other parents through our Natural Leaders and Monroe PTA. Additional details are noted below:

Meet Your Teacher

Date: Thursday, September 2, 2021

Times: Please stop-in anytime between 5:00pm and 6:30pm

COVID Protocols: All students, visitors and faculty members will need to wear a face mask when indoors at this event. In addition, please remain mindful of needed physical distancing (minimum of three feet) as you visit classrooms and tour our building.

Student/class information will be shared digitally through our Home Access Center system (link below) on Thursday morning (prior to the event). In addition, we will have greeters in front of our school with student/class information. Families are welcome to bring class supplies for drop-off within their classroom.

For our Home Access Center please visit the webpage via our district website: <https://www.everettsd.org/Page/26203>
