Accessing i-Ready Projected Proficiency

1. Select Reports  Management ▾ Assess  Reports ▾ Help ▾

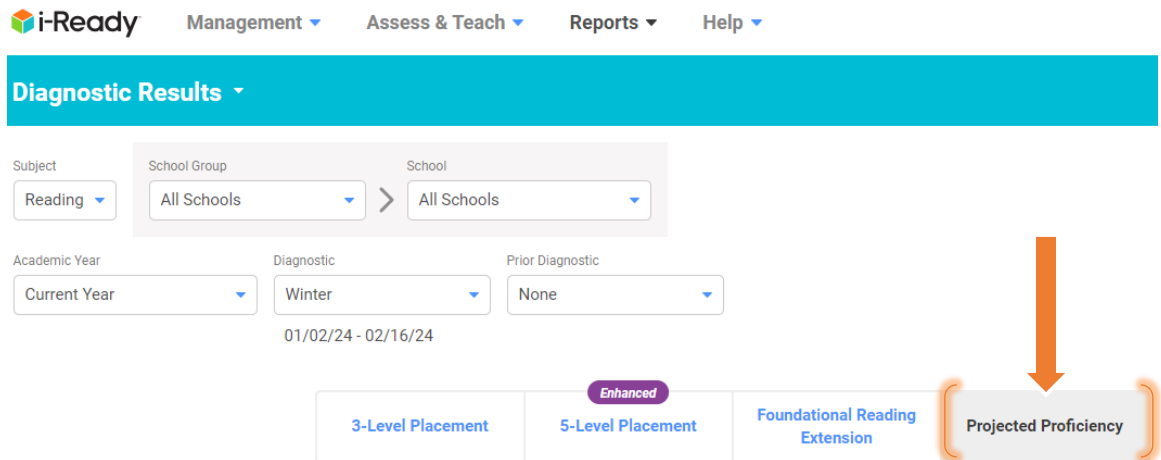

2. Select Diagnostic

3. Select Reading or Math under Diagnostic Results

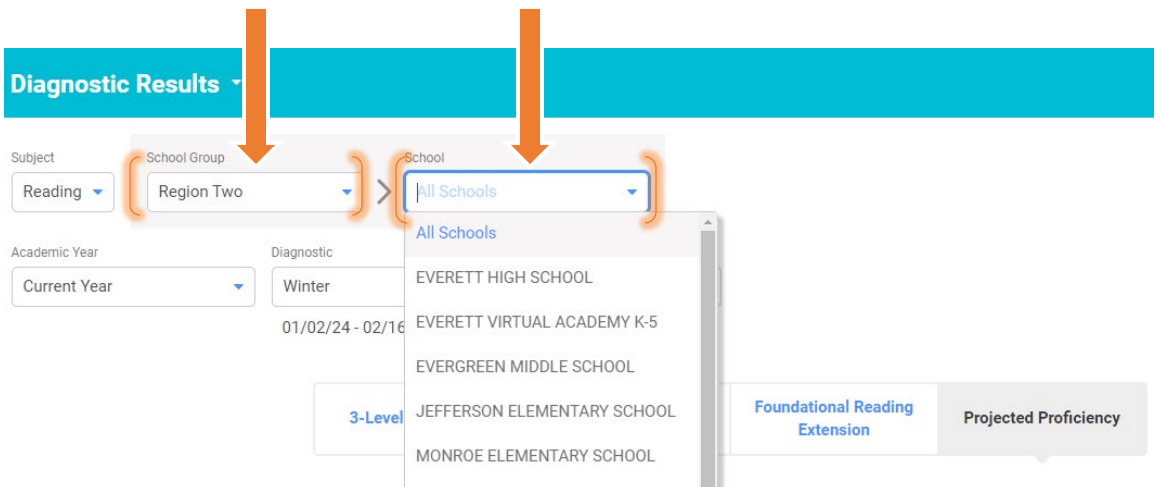

The screenshot shows the i-Ready Reports Management interface. The top navigation bar includes 'Management', 'Assess', 'Reports', and 'Help'. The 'Reports' dropdown is highlighted with an orange arrow. Below the navigation bar, there are tabs for 'District/School', 'Class', 'Student', and 'Batch'. The 'District/School' tab is active. On the left sidebar, the 'Diagnostic' link is highlighted with an orange arrow. The main content area shows a grid of options: 'Diagnostic Status', 'Diagnostic Results' (highlighted with an orange arrow), 'Instructional Groupings', 'Diagnostic Growth', 'Standards Mastery', and 'All Exports'. Under 'Diagnostic Results', there are links for 'Reading | Math' and 'Foundational Reading Extension Export'.

4. Select the Projected Proficiency Tab

The screenshot shows the i-Ready Diagnostic Results page. The top navigation bar includes 'Management', 'Assess & Teach', 'Reports', and 'Help'. The 'Reports' dropdown is highlighted with an orange arrow. Below the navigation bar, there is a 'Diagnostic Results' dropdown. The main content area shows filters for 'Subject' (Reading), 'School Group' (All Schools), and 'School' (All Schools). There are also filters for 'Academic Year' (Current Year), 'Diagnostic' (Winter), and 'Prior Diagnostic' (None). Below the filters, there are tabs for '3-Level Placement', '5-Level Placement', 'Foundational Reading Extension', and 'Projected Proficiency' (highlighted with an orange arrow and a large orange arrow pointing down).

5. Select the Region and/or school

The screenshot shows the i-Ready Diagnostic Results page with filters. The 'Subject' dropdown is set to 'Reading'. The 'School Group' dropdown is set to 'Region Two' (highlighted with an orange arrow). The 'School' dropdown is set to 'All Schools' (highlighted with an orange arrow). Below the filters, there are tabs for '3-Level Placement', 'Foundational Reading Extension', and 'Projected Proficiency' (highlighted with an orange arrow). A list of schools is shown below the 'School' dropdown, including 'EVERETT HIGH SCHOOL', 'EVERETT VIRTUAL ACADEMY K-5', 'EVERGREEN MIDDLE SCHOOL', 'JEFFERSON ELEMENTARY SCHOOL', and 'MONROE ELEMENTARY SCHOOL'.

6. Select which measure you would like to review for the district:

- Proficiency if Students Show No Additional Growth
- Projection if Students Achieve Typical Growth
- Projection if Students Achieve Stretch Growth

3-Level Placement	Enhanced 5-Level Placement	Foundational Reading Extension	Projected Proficiency
-------------------	-------------------------------	-----------------------------------	-----------------------

The projections below show the approximate percentage of students who would place in each state test level based on different amounts of growth achieved. These projections will help give educators early insight into students' potential success on state assessments, which can be critical in getting the right resources and instruction to the right students as early as possible. State test proficiency projections pictured here will over- or under-project actual proficiency on the state test if actual student growth is different from the growth that has been projected.
