

## Teacher Directions for Accessing Medical Alerts & IEP Student Classroom Accommodations in Insight

To access Teacher Insight, go to <https://insight.everettsd.org> in your web browser and login with your district account (the same one you use to login to your workstation). Then click on the Teacher Insight box:

Select the Alerts and Accommodations tab:

 <b>Gradebook</b> View data from your current gradebook	 <b>Grades</b> Current grade and transcript grade information
 <b>State Assessments</b> Results from the SBA, ELPA21, MSP, HSPE, and EOC tests as well as SGP, TS Gold, WELPA/WLPT2	 <b>Student Details</b> A detailed report of information from all categories for a selected student
 <b>District Assessments</b> Results from the elementary DRA2, the secondary World Language Assessment (WLA), and other past district assessments	 <b>Elem Progress Reports</b> Scores and comments drawn from the elementary progress report system
 <b>Attendance</b> Current and historical attendance reports	 <b>Schedules</b> Includes enrollment and student schedules
 <b>Demographics</b> Demographic information about your location including breakdowns by grade, gender, ethnicity, and programs	 <b>Alerts &amp; Accommodations</b> Student medical alerts, and required IEP and 504 accommodations

Selecting Alerts will show medical alerts that have not been marked sensitive by your school office:

Clicking on Show Student Details will show you the detailed medical alert information for the selected students.
