

To add the Text to Speech, Dictionaries, and Translation accessibility options for students on a test, Select Test Format (this is at the top of the assessment questions, to the right of the properties/administration tabs).

- Scroll down and select **OLA Section Settings**
- Under Text Accessibility, select **Text to Speech**
- **Select Dictionaries + Translation (Single Word) + Magnify**
- Click ok to return to the Properties tab

2. Click save at the top right.
