GET, a program of WA529 - Kids running

GET enrollment is open!

GET's annual enrollment period is now open! Now is a great time to open a GET account for a new child, grandchild, or another young student. You may open a new account until May 31, 2022, and add units at the current price to an existing account until June 24, 2022.

The unit purchase price for the 2021-22 GET enrollment period is **\$114.01, which happens to be the same as this year's unit payout value** and the lowest unit price since 2018-19. This presents Washington savers with an unprecedented opportunity to literally prepay for tomorrow's tuition at today's price.

Add More Units

The good news for account owners who bought GET units in either of the past two enrollment periods is that the WA529 Committee voted to make this new price retroactive. For more details about this year's GET unit price and the subsequent adjustments to prior years, please visit our [GET Unit Price Information page](#).

Education is a priceless gift.

The gift of education lasts a lifetime. Keep in mind that a contribution to your GET account could make the perfect gift to [suggest to friends and family](#). Or, if you have a friend or family member with future higher education goals, consider a gift to their GET or DreamAhead account. To see how easy it is, visit the [WA529 Gifting page](#).
