

Mill Creek Elementary Celebrates Martin Luther King Jr Day

with grade level virtual assemblies using flipgrid

“I admire Martin Luther King Jr, he stood up against segregation and racism and he inspired others to fight against unfairness.” *Colby, 3rd grade*

“I want to thank MLK and all the other activists that helped our world to hold hands and to not be judged by our skin color. If it wasn't for all those activists we wouldn't be going to the same schools, riding on the same buses or eating at the same places. And also, if it wasn't for Martin Luther King Jr and all the other activists, we wouldn't be doing these things, think about it. We all should live happily and thank them for what they have done for our lives.” *Arshaan, 3rd grade*
