Equity and Access Advisory Council

The EAAC meeting was 3/24/22. You may see the notes [here](#). It was a great opportunity for the Natural Leaders Consultants to share their collective work with the PTA. There was appropriate conversation about the Diverse Libraries Book Collection that the DEI Department purchased for each school site.

Equity Cohorts:

Thank you to all who have been participating in the Equity Team Contact Meetings and the Equity Champion Meetings. These cohorts are an extension of the District’s [Strategic Initiatives](#) and participation is to support at the building level. The DEI Dept. sent out resources for the DEI Bulletin Boards at each school last week. Please reach out to us if additional supports are needed—JGrant@everettsd.org
