

## **Everett Public Schools**

### **Let's Connect, April 2022**

#### **Topic: Family Engagement**

#### **Overview**

Each month the district and/or schools host a Let's Connect session which provides an opportunity for families and the community to provide feedback on important and/or timely topics.

#### **Let's Connect, April 2022**

During the weeks of April 18-29, each school will host a Let's Connect session focused on family engagement through Zoom.

#### **Presentation**

Each school begins the session with a presentation:

1. Describe what family engagement looks like at their school
2. Benefits of family engagement for family members, students, and the school, and
3. Next steps for family engagement at the school

#### **Breakout Rooms & Prompts for Discussion**

After the presentation, attendees will join breakout rooms and respond to the following prompts. For each breakout room, there is a facilitator and a notetaker. Responses from the breakout rooms are collected and responses are used to inform actions at the school and at the district-level.

1. What does family engagement mean to you?
2. What have been the most beneficial programs and/or experiences of engagement at your school?
3. What could your school do to help you and your student(s) feel more engaged?

#### **Follow up on Let's Connect Feedback**

Responses from Let's Connect are collected and used to inform next steps at the school and district level. A summary of the feedback is posted on the district website.
