**4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the up coming school year.**

Add the consent form to share their info to the enrollment process along with the free and reduced application. If this cannot be added to the enrollment process then how do we add this to our pre-established systems at JHS (8th grade registration and yearly registration for all kids). Any annual updates from the district regarding enrollment and registration should be in all the home languages that we serve. Lastly, we'd like to give all our students who filled out the free and reduced consent form an ASB card free of charge.
