### Frontline Login using Single Sign On for Employees

As an Everett Public Schools Employee, you will be able to use Single Sign-On and automatically login to Frontline with your EPS network login (employee id and password you chose). This is the same credentials you use to log into Employee Online, district computers, and your district email.

Frontline: https://login.frontlineeducation.com/sso/everettsd

When using a district device using Google Chrome go to the "Managed Bookmarks" Frontline for Employees. Note: *EPS does not use a Frontline User ID.*

If you are using a personal device and are asked for a Frontline ID (note: *EPS does not use a Frontline User ID)*. Click the link to Sign in with Organization SSO, you will be prompted for your district email address, then Employee ID and Password used for logging onto a computer.

On a personal device, the link will prompt you to enter your EPS network credentials (Employee ID and password).
