

MICROSOFT K'S FOR EDUCATORS

Every Mariners strikeout helps WA teachers strike items off their supplies list, thanks to Microsoft.

Microsoft will celebrate teachers with a new program, K's for Educators. In collaboration with the Mariners, Microsoft will donate \$1,000 to teachers across WA to help them with school supplies.

If you think a teacher in your life deserves to be nominated, please submit a compelling story and photos to nominateteachers@mariners.com

Fifteen nominees will be celebrated in park, receive a grant, and have a chance to bring their students to the ballpark to watch a game.

Nominations will be received from June 1 to September 30, 2022. Please email npaxton@mariners.com with any questions
