

Katie Shiner
Intervention Specialist
Room D203

I am so excited to be the Intervention Specialist here at Jackson. I have over 17 years' experience working with children and adults who struggle with substance use and trauma. My approach is to remove the guilt and shame and work together to set small goals so students can get the support they need and graduate.

My focus is on collaboration and educating students on resources available to them in our community. If you ever have any concerns or suspect any use, please connect with me and I can work with your child and offer support.

Office: (425) 385-7178
Cell/text: (425) 409-9413

Rosa Rosario
Student Support Advocate
Room B138

I come from the Edmonds school district, where I worked as an Advocate at Brier Terrace Middle School. I have many years of experience working with teens in various roles, including mental health counseling and social work. In my role as an Advocate, I have the privilege to work with our most vulnerable students and families by offering case management and wraparound support.

I am looking forward to working with our families.

Services that I can help with:
Experiencing homelessness or unstable housing or family is in transition

Trauma impacted and dealing with mental health issues

Frequently absent and unexcused

Needs support in getting basic needs

Office: (425) 385-7150
