KUTZ 4 KIDZ - FREE!

The DEI department is pleased to partner with local program Kutz 4 Kidz for another school year offering FREE haircuts to our students who qualify for this income restricted program. Our partner, Joe Coverson, and the NAACP, are ecstatic that this year the program now includes HS students. This opportunity is open to all EPS income limited students regardless of gender identity. Please have school counselors reach out to Aissa Moody at AMoody@everettsd.org for vouchers.

NATURAL LEADERS AT EPS

The DEI department will be hosting the first Natural Leaders Staff Lead meeting for the 2022-23 school year this coming Tuesday, October 11th from 4:30-6:00PM at the CRC. Program overview, reminders and expectations and light refreshments will be included. If your school building needs a NL program started, please reach out to Director, Joi Grant, at x4137 or JGrant@everettsd.org so they may attend this meeting.

CALENDAR REMINDER

The DEI department has the years' cultural and religious observance calendar live on the district page. As this is a working document - feel free to reach out with any questions, concerns or thoughts on what we have included. Additionally, if there are any observances that a family or staff member wants to highlight or bring to our attention, please reach out to Kailani Tibayan at KTibayan@everettsd.org
