EDUCATION AND OUTREACH

DEAR FAMILIES, EDUCATORS & COMMUNITY

We are excited to share with you that IBT'S Education and Outreach Program is returning this year to bring the joy and magic of The Nutcracker and the IBT Children production for 2024 to our community at any public, private, home-schooled students, and educational institutions in our area.

IBT's School Performance this year is scheduled for December 15th from 10:30- 11:30 am at the Meydenbauer Theatre in Bellevue and we would love to start coordinating this effort with parents and educators from our community who wish to bring this program to their students.

Schools attending the One-hour Nutcracker Ballet School Performance at Meydenbauer, can also schedule an in-school presentation for students to preview the Nutcracker, its music and history along with a Q&A session at the end of the show. This wonderful opportunity brings performing arts education to your students in a way they will remember and cherish forever.

If you like to bring this School Performance and the School Presentation to students at your school(s), girls/boys scout troops, sports team, etc. you can reach me by:

- Sending me an email to outreach@ibtbellevue.org.
- Taking the survey by scanning the QR code below by October 21st, 2022, and enter to win two (2) tickets to one of our full Nutcracker Performances on December 16th OR 19th
- Sharing this letter with your school, principals, PTA's, field trip coordinators and assembly organizers.

Looking forward to the Magical Nutcracker Season 2022 with our entire community.

Warmly,
Eliana A-Dotson
