

WASHINGTON ALLIANCE
FOR BETTER SCHOOLS

After School STEM Academy '22-'23

In-Person

Over three cycles throughout the school year industry volunteers and school hosts spend four weeks leading After School STEM Academy's 90 minute lessons for students (3-5).

Students practice important 21st Century skills for success: creativity, communication, collaboration, and critical thinking. Students are exposed to new career pathways at no cost to families or schools!

Winter 2023

If you are interested in hosting After School STEM Academy please use the login information below to register.

Registration for the winter ASSA will open November 15th and will close November 27th.

Visit our website and use this information to login and register!
