

## GRADE CHECK DATES 2022-2023

The following dates are the official grade check dates for the Everett School District. Coaches may choose to check grades more frequently but official probation or suspension will not occur unless the grades do not meet district standards on these dates. If a student does not meet WIAA standards on any official grade check (passing 5 of 6 HS and 6 of 7 MS classes) that student is immediately ineligible or suspended. Only the building athletic administrator can determine athletic eligibility.

Coaches may set higher academic standards than WIAA or the Everett School District if they wish. They must communicate such standards to parents and students at the beginning of the season or they must revert to the Everett School District standards.

Grades will be checked ON the Friday of each week. Probation or suspension will begin the following Monday. Once on probation, the athlete will remain on probation for the rest of the season.
