College in the High School courses are academic transferable credits. They apply toward degree requirements in Humanities, Social Science, Natural Science, and Basic Skills.

At least 60 quarter credits must be from courses listed in the four distribution areas: (Basic Skills - 15 minimum; Humanities - 15 minimum, Social Sciences - 15 minimum, and Natural Sciences -15 minimum). No more than 15 credits may be from applied electives (List B). Courses may be applied toward only one distribution area, even if listed as usable in more than one area."

2. If a student has already created a ctcLink account through registering for College in High School do they need to register again for CTE Dual Credit?
Students do not apply for admission again if they already have a ctcLink account. Students will register in SERS and complete the CTE Dual Credit Transcript Request form CTE Registration Process

NEW CTE Student of the Month

In honor of CTE Month in February, we will be spotlighting students from our various CTE classes/programs/CTSO/CTE Clubs.

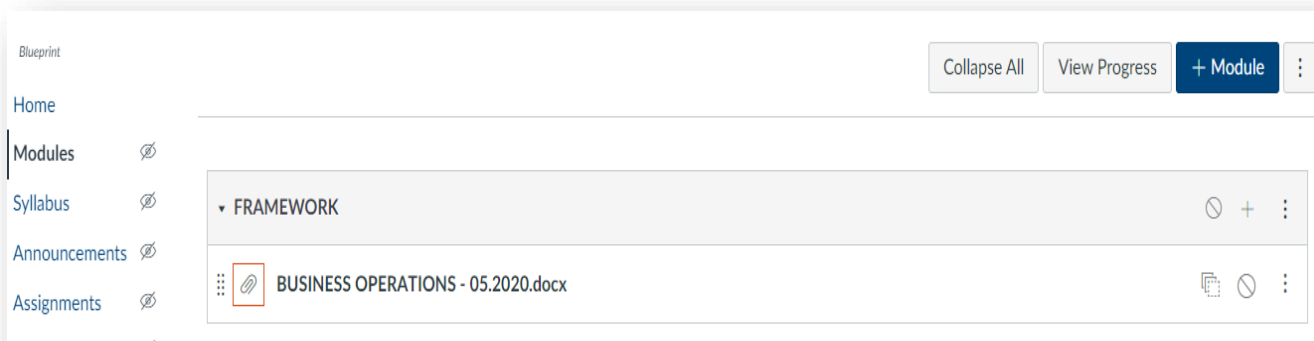

If you would like to nominate a student please complete the following information by **Friday, January 20 at 2:00 PM.**

[CTE Month Student of the Week Nomination Form](#)

CTE Students of the week will be spotlighted through our Everett Public Schools social media, in the CTE Weekly Update, on the CTE and Everett Public Schools web page. They will also receive a certificate and a CTE gift.

NEW Canvas Blueprints

Canvas Blueprints for 2nd semester have been updated to include current course frameworks. The course frameworks are posted in a Framework Module which is not published for student view. This excludes Science courses.

The goal is for 2nd semester to be pushed out 7 – 10 days before the end of 1st semester.

CTE Certification

More information can be found on the CTE web page: <https://www.everettsd.org/Page/30999>

CPR Certification

All CTE-certified teachers are required to have CPR training and maintain a current certification – [CTE Career and Technical Education FAQs](#)

If your CPR certification has expired or is expiring soon, please attend one of the online district trainings to update your certification.

Certification classes are online through [Frontline Professional Growth](https://www.mylearningplan.com/LearningPlan/Catalog.asp). Once you have signed into Frontline, please go to: <https://www.mylearningplan.com/LearningPlan/Catalog.asp> search term `911`.

Please complete the Frontline evaluation once complete with the course. For certain exempt and non-exempt employees, if you have completed the course outside of your work hours, please indicate this on the evaluation as you may receive compensation for your time.

☆ Once you complete your CPR certification, please email the documentation to [Michelle Olson](#) in the Human Resources Department.

Department work

Beginning in January, CTE departments will work together on strengthening pathways and aligning curriculum to provide opportunities for students. This will include three CTE District meetings on the upcoming Administrative LIF days:

- January 13
- March 10
- May 12

Calendar invites have been sent out accordingly

Field Trips

As you are looking at extended opportunities for your students? Make sure to follow the [Field Trip Planner – Extended Learning Opportunity or Field Trip \(Non-CTSO or CTE Club\) guide](#) which is located on the [CTE web page](#).

All field trips need to be approved by the building and/or Superintendent, if applicable before CTE can guarantee funding.

CTSO/CTE Club Advisors ONLY

CTSO/CTE Club Competition Payments

When submitting CTSO/CTE Club COMPETITION Invoices for payment, that is split between CTE and the CTSO/CTE Club or students, use the table below to determine whom to submit invoices to:

Competition	Work with Shama	Work with Building
Regional/Area	Registration Invoice	NA
State	Registration Invoice	Housing Invoice ☆
Nationals/Internationals	Registration Invoice	Housing Invoice/Airfare ☆

☆ CTE will complete an inter-fund transfer for the CTE portion (Advisor and Chaperone) back to the building account that the invoice was paid out of.

Only follow these guidelines if the CTSO/CTE Club cannot split the student and Advisor costs and create separate invoices. If the invoices can be split, please submit them accordingly.

For a complete breakdown of the CTE financial support for CTSO/CTE Clubs reference the [2022 – 2023 CTSO/CTE Club Advisor Guide](#).

Program Advisory Council and General Advisory Committee

The CTE Department has decided, with feedback from our Board Chair, to separate the GAC (General Advisory Council) and PAC (Program Advisory Committee) meetings and hold them on different days. Be on the lookout for Program Advisory meeting invites to be sent to you by your Program Facilitator.

☆ STUDENT RECOGNITION:

Prior to the break Erica Taggart 8th Grade CAD students participated in an ornament design contest in which they \ used Fusion 360 to design and create their ornament and then were 3D printed.

Here are the winners.

Student Recognition

Make sure to share your student success with the CTE Department so we are able to share them with others.
