

Personal Safety Preparedness Class

Your Safety is Important to Us! with Topher Ferreira

Employee safety is an integral part of staff wellness and workplace satisfaction. EPS wants all staff to feel prepared for the unexpected.

Class Topics:

- Situational awareness
- Safety and the significance of geographic locations
- Crime—real vs. perceived
- Strategies for the prevention of victimization
- Stop the Bleed!

Please work with your supervisor prior to registration if the course overlaps with your regular workday schedule.

Everett Public School staff safety is important - preparedness is key!
