Free summer meals begin July 5

Meals are available at no cost to all children in the community ages 1 - 18

Everett, WA— Beginning July 5 thru August 18, meals are available at no cost to all children in the community.

A list of sites, address, start and end dates and which meals are served at what timeframes is available on the Everett Public School's website at www.everettsd.org/SummerMeals.

The waivers from the previous years that allowed parents to pick-up meals for their children expired in June of 2022, which means meals must be eaten on site during the service time and are for children ages 1 – 18 only.
