

FINDING MY WAY THROUGH THE “NOISE”

Naviance Student

Lesson Tasks

Students will identify the “noise” they have around them in their daily lives.

Students will determine how the “noise” can impact their foundation.

Students will gain an understanding of how to shed the “noise” to focus on future career paths.

“NOISE”

What is “Noise?”

Becoming a high school senior can be overwhelming!

Each day you encounter many voices, pieces of advice, and expectations coming from well meaning family members, teachers, counselors, and society.

These voices tend to drown out your own voice and individual expression and can be referred to as “*noise*”.

ROADTRIP NATION

What is Roadtrip Nation?

In 2001 four friends, fresh out of college and unsure about what to do with their lives climbed aboard an old RV, painted it green, and traversed the country interviewing people who inspired them.

After many hours and miles they wanted to share their experience with more than themselves. Eventually they were able to turn their experience into a reality TV series beginning in 2004 when it first aired on PBS.

Since their first season, there have been 52 road trips, 1321 interviews and 10,947 videos.

Finding Your Own Road

Within Naviance *Student* you will find an interview archive of videos.

Each leader in the video describes their struggles, triumphs, and self-discovery as they explored their own roads and passions.
