

Next Steps – My High School & Beyond Plan

<p>What is the High School & Beyond Plan?</p>	<p>The High School & Beyond Plan (HSBP) is a Washington State graduation requirement.</p> <p>The HSBP helps students focus on setting goals, as well as preparation and readiness for future work, career, training, and/or college.</p> <p>Starting in middle school, students begin developing their HSBP and continue revising their plan each year through 12th grade as their interests and/or goals change.</p>
