Term	Definition																				
Community College	Two-year Associate Degree programs in academic, scientific, and technical fields.																				
Technical/Trade College	One-to-two-year programs providing training for skilled, trade and high-tech workers preparing for a career in the high-tech industry.																				
Associate Degree	A two-year degree earned for an undergraduate course of study.																				
University	Four-year programs that offer the widest variety of class subjects and levels. Students can earn Bachelor’s Degree and advanced degrees in specialized fields.																				
Bachelor’s Degree	An academic degree earned for an undergraduate course of study that normally requires three to five years of coursework.																				
Masters Degree	An academic degree earned after a Bachelor’s Degree in a specific field of study or profession.																				
Doctorate (PhD)	The highest level of academic degree and can be earned in almost any subject area not just medical fields.																				
Tuition	The money you pay to take classes in college. In state is less expensive than out of state.																				
Education and Training	Cost of taking courses to be trained in a specific area and vary by type.																				
<p>5. What is financial aid and where does it come from?</p> <p>Financial aid is money that the government and other organizations give or lend you to pay for education and training.</p> <p>You fill out your financial aid application during your senior year in high school</p>	<p>Financial aid comes from these sources:</p> <ul style="list-style-type: none">• Federal government (the largest source)• State governments• Colleges and universities• Private organizations, such as companies, clubs and religious organizations• Banks and lending companies																				

Affording My Future

6. Are you a College Bound Scholar?

The College Bound Scholarship is an early commitment of state financial aid to eligible students who...

- **Sign up in 7th or 8th grade**

- Fulfill the College Bound pledge

What do I get with the scholarship?

Once you apply for financial aid as a **senior** the scholarship will pay the average tuition cost at a public college including some fees and a small book allowance.

Where can I use it?

- Public community and technical colleges
- Public four-year colleges and universities
- Independent colleges and universities
- Private career colleges

Planning for high school and beyond

The HSBP will help you explore your interest, set personal goals, and guide you towards figuring out what you want to do after high school when it comes to career and college/post-secondary options.

Each year in grades 9-12, you will update your plans in Naviance through the HSBP survey for each grade level.

Your High School and Beyond Plan (HSBP) is a Washington State graduation requirement.

Your **High School & Beyond Plan** is a graduation requirement.

Shows up on your official transcript as **MET**

7. Review the credit requirements for high school.

How do the 24 credit graduation requirements add up for the class of 2021 and beyond?

17 Core Credits – courses necessary for every graduate to be college and career ready

3 Personalized Pathway Requirements (PPR) – classes that further student's own interests and align with each student's High School and Beyond Plan

4 Elective Credits – exploratory classes of interest

Core Credits plus Personalized Pathway Requirements (PPR)

4 English	3 Math	3 Science
3 Social Studies	2 Arts	2 World Language
2 Health and Fitness	1 Arts	2 PPR Course
1 Career and Technical Education	1 PPR Course	

Elective Credits

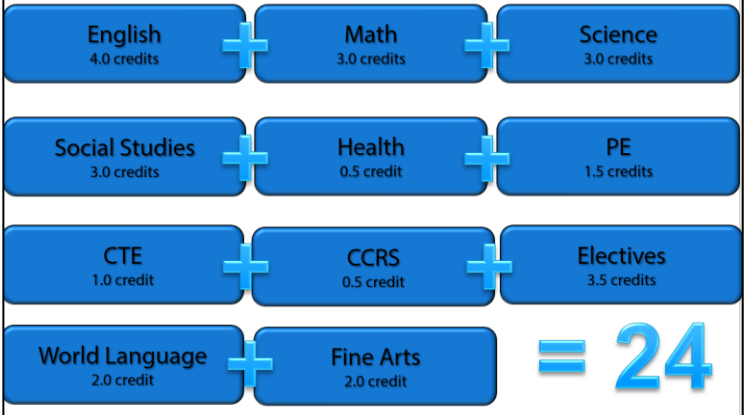

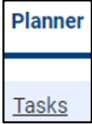

4 Electives, including district-required College & Career Readiness Seminar

24 CREDITS

Career and College Ready graduation requirements for the class of 2021 and beyond.

Affording My Future

<p>8. Think about all the credit requirements in each area. You can use the graduation checklist to keep track of the classes you have taken in high school.</p>	
<p>9. What is a Graduation Pathway? <i>Graduation Pathways are options for students to demonstrate readiness for their individual education and career goals after high school aligned with your High School & Beyond Plan.</i></p>	<ol style="list-style-type: none"> 1. State assessment – Smarter Balanced Assessments 2. Dual credit courses – AP, College in the High School, CTE Dual Credit and Running Start 3. AP exams 4. College entrance exams – SAT 5. Transition courses – Bridge to College Math 6. CTE Pathway – Specific sequence of CTE courses 7. Armed Services Vocational Aptitude Battery (ASVAB) 8. <u>Coming Soon!</u> Performance-based Pathway
