[Everett, WA] — Everett Public Schools is pleased to announce the results of the school board election.

Jen Hirman will continue to serve on the Everett Public Schools board of directors in Position 2. Hirman was appointed to fill the position vacated by April Berg in June of 2022. As board member elect, she will serve the remaining years of the term through 2025.

Charles Adkins is the board member elect for Position 5 and will succeed Board Director Pam LeSesne who has served our students the past twelve years.

A graduate of Everett High School, Adkins has a passion to help others. His candidate statement says he will prioritize student wellbeing, ensuring school is a safe environment for students to excel in their academics and to find support for their mental health.

"We extend our heartfelt gratitude to all the candidates who ran for this essential role, and to the voters who exercised their right to make this important decision," said Superintendent Ian Saltzman. "I congratulate the newly elected school board members. Their diverse backgrounds and experiences will undoubtedly enhance our efforts to provide an exceptional education for every student in our district."
