

## AP Reading Intent to Apply Form 2023-2024

AP Reading is outstanding professional development available for Advanced Placement (AP) teachers through College Board. As an AP Reader, teachers gain an in-depth understanding of the expectations of the AP exam and use that knowledge to accurately assess students' work. In addition, AP Reading provides clear guidance and learning that directly supports the teaching of AP courses. The College Board AP Reading application can be found here:

<https://apcentral.collegeboard.org/professional-development/become-an-ap-reader>

If you plan to apply to be an AP Reader through the College Board, then you will also need to complete this form, the **AP Reading Intent to Apply Form**. The form should be submitted to your AP program administrator **by February 12, 2024**, as follows: Cascade High School, Michael Takayoshi; Everett High School, Camille Mora; H.M. Jackson High School, Lance Balla; Sequoia High School, Belinda Mountjoy.

Our district would like to support all AP teachers in accessing AP Reading over the next four years. As such, subs have been allocated for AP Reading for the month of June to ensure one-fourth of AP teachers may attend their respective AP Reading. In addition, each school will be allocated a proportional number of spaces available to attend AP Reading, based on the number of AP teachers at each school.

- For the 2023-24 school year, there are 59 AP teachers.
- 15 subs are allocated for AP Reading for June 2024.
- High schools are allocated the following number of spaces for AP Reading in June 2024: 4 for Cascade High School, 4 for Everett High School, 6 for H.M. Jackson High School, and 1 for Sequoia High School.

After AP Reading Intent to Apply Forms are submitted, they will be ranked according per the following priorities:

- Highest priority will be given to AP teachers who have not attended AP Reading in the last four years.
- AP teachers who are teaching a new AP exam or teaching an AP exam with major revisions are the next priority, after those who have not attended in the last four years.
