**Procedure 2417P Performance-Based Pathway for High School Graduation**

Additional revisions have been made to this procedure to clarify the process for approval of student proposals and learning contracts. This procedure was previously reviewed by superintendent's cabinet on January 22.

**Policy 3110 Age of Attendance**

Revisions incorporate the entrance qualifications language from Policy 3111 to match WSSDA's model policy numbering. The revisions include changing the title from "Age of Attendance" to "Entrance Qualifications and Age of Admission."

**Policy 3111 and Procedure 3111P Entrance Qualifications**

At the February 5 superintendent's cabinet meeting, a request was made to remove the early entrance language from this policy and procedure. To match WSSDA's model policy numbering, the entrance qualifications language has been moved to Policy 3110. As a result, Policy 3111 and Procedure 3111P are no longer needed.
