

**MANAGEMENT SUPPORT****Electronic Funds Transfer****Reimbursement for Goods and Services: Electronic Payments**

The board authorizes the use of Electronic Funds Transfer (EFT) or Automated Clearing House transfer (ACH) transactions for payments to employees or vendors.

Prior to utilization of electronic payment options, the superintendent or designee will confirm with the county treasurer that the district may use electronic payments for vendor purchases. The district will maintain a separate bank account dedicated to EFT or ACH transactions.

The district will prepare electronic payments and record them in a format similar to warrants for the board of directors. Prior to submission to the board of directors, all electronic payments shall be reviewed by the district's auditing officer in accordance with the district's procedure for electronic payments. No electronic payment shall be made until approved by a majority of the members of the board.

The district will develop and maintain procedures for electronic payments to safeguard district assets and to minimize fraud. The district will ensure that its procedures and practices are in line with guidelines published by the National Automated Clearinghouse Association (NACHA). Any requirements from the district's bank or county treasurer regarding file submission or formatting shall also be followed.

The district will implement this policy according to the accompanying procedures.
