Procedure 2410P High School Graduation Requirements

Revisions are from Jeanne Willard to stay current with rules and guidance. This includes removing information for students who have aged out of our schools, correcting language that was inaccurate, and adding new language from the legislature. New language has also been added regarding students enrolled in ALE programs through Graduation Alliance such as Everett Reengagement Academy (ERA) and Everett Virtual Academy (EVA). Students who participate in ERA or EVA attend the summer graduation unless they have fully enrolled at their home high school by the beginning of second semester of their senior year. This has been district practice for 11 years.

Procedure 2415P World Language Mastery-Based Learning and Credit

Revisions are from Jeanne Willard to clarify how credits will be awarded to students who participate in the assessment process, and the process for world language credits earned through assessment administration outside of the district.

Fee Schedule 6115S Fees, Fines and Charges

Revisions are from Matt Brockett as part of the annual review of fees, fines, and charges, and from Adam Pazder due to a review of regional comparisons conducted by Food and Nutrition Services. The areas highlighted in green are increases/decreases to the fees. A new fee has been added on page 4.
