## PATRIOT'S DAY

**Where were you when the sky fell?**

Today we remember the civilians who lost their lives during the terrorist attacks on September 11, 2001. And the heroic efforts of the first responders on this tragic day.

The cadets watch President Bush's message to the Nation after these tragic events took place. The instructors and adults present shared their experience of that tragic day and the impacted that followed.

2nd and 3rd year cadets only

## NJROTC Booster Club

For those of you who were able to attend in-person it was great to meet you all. For those on Zoom we apologize for the sound quality. While the meeting was going on, I was switching out the mic in an attempt to improve the sound quality. Our classroom tends to be echoey which also affect the sound quality. Hopefully we can find a way to fix the sound before the next meeting.

We will work the Booster Secretary to have the meeting minutes from last night's available. If you would like more information from the Booster Club feel free to reach out to them at [everettnjrotc@gmail.com](mailto:everettnjrotc@gmail.com)

- COLOR GUARD c/CPO Mendoza

### FRIDAY

- MARKSMANSHIP - c/PO2 Gladkov

## ORIENTEERING TEAM

Cadets joining the Orienteering Team must turn in a Orienteering Field Trip Form and an Orienteering Registration form and turned into Senior Chief by October 7, 2024. Senior Chief will register all participants as the team coach. DO NOT ALLOW them to complete their own registration online. Online Registration fees for the season cost \$66.00 per Orienteer. Cadets have been informed to visit the EHS treasurer to to pay for their registration for the amount of \$30, not \$66. Due to the Physicality of Orienteering cadets are required to have a sports physical on file.

- Turn-in Registration Form and Field Trip form to Senior Chief before October 7.

- Have a sports physical on file before November 6, 2024

- Pay the \$30.00 registration fee to the EHS Treasurer. Inform the treasurer this is for the **NJROTC ORIENTEERING TEAM**.

## A Message from the Instructors:

Our main goal as the NJROTC Instructors is to prepare your child for life after high school. We understand that it will be different for everyone. Some will continue on to college or trade schools, many may jump right into the workforce and a small percent may enter the military service. If you have questions about scholarship opportunities, service academies, or military service we can set up meeting separate from the Booster Club meeting
