Homecoming Chaperones

So far, we are doing okay in terms of securing chaperones for the dance this coming Saturday night, from 7 to 9 p.m. We could definitely use some more, though, to ensure we have sufficient coverage. So, if you are interested and able to help out, please contact me and/or [Madeline](#). Thanks! [Jason](#)

Join Us Monday, Nov 14, for Next RULER/SEL Team Meeting

I talked with a few of you, but so as not to exclude anyone who might be interested, let me formally invite you to join our RULER/SEL team.

Our next meeting is on **Monday, November 14**, in the B225 conference room from 2 to 3 p.m. Even if you can't make it to this next meeting, we would love to know if you are interested as we work to create ways to engage each other and our students on an emotional level.

Thanks for all you are already doing for our students and for tolerating my "dad" jokes today [LID]. 😊
Sincerely, [Jonathan](#) and our RULER/SEL Team

Synergy Updates

from the October LITS Newsletter

This year the Technology Department (LITS) is deep in the middle of learning about and setting up the new Student Information System (SIS), **Synergy**, that will take the place of several tools we currently use (eSchool, Wazzle, Gradebook, TAC, Cognos, Special Programs, Performance Matters, Insight, and possibly others as we learn more) this fall. We are doing the learning now so we can begin training various stakeholder groups starting this spring.

The switch to a new SIS system will impact every part of our organization because it is our main source of student data which feeds all of our other systems such as Canvas, Clever, Panorama, GoGuardian/Class Policy, etc. This year, we are committing to learning and creating the systems which will help staff succeed in the new SIS system this coming fall. Each month in this newsletter we'll highlight some Synergy-related information to keep you updated, and coming soon will be a Synergy website where you can find regular updates and training dates as we begin to identify more details.

For now, here are some target dates for the Synergy Implementation Project (more detailed dates coming soon):

- Train the Trainer sessions – now through April 2025
- Training for office staff, counselors, admin – beginning in June
- Systems begin to “go live” for various stakeholder groups – late July through August, side-by-side with training
- Training for teachers – August LID days
- Ongoing support, office hours, and training options for all as school begins

Counseling Tip: Letters of Recommendation

It's officially letter of recommendation season! With many seniors requesting letters of rec, some students ask for letters before knowing what's actually needed. I'm hoping the below info helps to save some letter writing time...

NONE of our public universities in Washington require letters of recommendation (EWU and WWU allow for a maximum of two). Most won't even accept letters of rec. And, many of our private universities don't require them either! From a quick look at where my students are applying, here's what I just pulled from Naviance:

CWU: doesn't accept letters of rec

EWU: 0 minimum / 2 maximum

Evergreen: doesn't accept letters of rec

UW Seattle, Bothell & Tacoma: doesn't accept letters of rec

WSU: doesn't accept letters of rec

WWU: 0 minimum / 2 maximum

Cornish: optional: 1 instructor letter of rec

Gonzaga: 1 minimum / 2 maximum

PLU: 0 minimum / 3 maximum

NW Univ.: doesn't accept letters of rec

SPU: 0 minimum / 2 maximum

Seattle U.: 1 minimum / 3 maximum

UPS: 1 minimum / 3 maximum

Whitman: 0 minimum / 3 maximum

Whitworth: 0 minimum / 3 maximum

I hope this helps! Please also read the below message from Sarah Pewitt. [Sarah W.](#) 😊

Hello Teachers and Staff! It is that time of year again when the new class of seniors starts their college applications, which means teachers are approached to write letters of recommendation. Often, for teachers, this is one of very few times they log in to their staff side of Naviance, and it is hard to remember the process.

I have included some FAQs for you and several resources to get you started. I am your primary contact when it comes to help with this process, so please know you are more than welcome to reach out to me if you have any difficulties or want to meet.

How will we receive a request to write a college letter of recommendation?

Students will submit their LOR request through their Naviance account. This notification will come to your email. When they submit their request, it will allow you to send your documents.

Do all colleges require letters of recommendation?

Nope! Students should only ask if the college requires it. If students are putting their request in **Naviance**, **FIRST** it tells them if the college even wants a letter of recommendation. If they do want one it tells them how many. If students ask you in person, you may want to double check that they have put the letter of recommendation request in Naviance so the student can double check if that college wants a letter.

How early should students put in their requests?

In the classrooms full of seniors that I have been in AND on the video for students about how to make a request, they have been told they need to submit it at least **two weeks** ahead of their deadline. This does not mean that they should put in the request on the day we leave for Winter Break and expect that you will send it by a January 1 due date. 😊

How will I know what to write, or what to ask for from the student?

Now that we are post-COVID, we are still seeing colleges that are not requiring test scores such as the SAT/ACT and are either "test optional" or "test blind." Your letter can provide valuable insight into who our students are as a person and really highlight both their performance in your classroom and their character.

Please ask students if they have filled out their **Brag Sheet Survey (2024-2025)** in Naviance. This information is important for the student to complete so you have the tools you need to write the letter. I have included step-by-step instructions for how to locate this on the staff side. This will help you greatly to write a very thorough letter of recommendation for the student.

[How to access the student brag sheet survey \(teacher instructions\)](#)

[How to complete your student brag sheet survey](#) (video you can send to students if they did not complete it yet)

[How to request a letter of recommendation in Naviance](#) (video to send to students if they don't know how)

Teacher Letter of Recommendation – [Naviance Teacher Desk Instructions](#) (video)

Basic Workflow:

- Receive email notification of a letter of recommendation request.
- Log in to Naviance to view the details of the requests on the Teacher Desk dashboard.
- Click a request to open the Student Request page.
- From the Student Request page, follow the three steps to submit the recommendation:
 1. Prepare the Common App Teacher Evaluation Form.
 2. Upload a letter of recommendation.
 3. Submit your files.

If I need help with the process of submitting my letter, who do I contact?

Nominate an Amazing Teacher in Your Community!

(from the October NewsLinks)

The Presidential Awards for Excellence in Mathematics and Science Teaching (PAEMST) are the Nation's highest honors for K-12 STEM educators. PAEMST is pleased to announce that the 2024-2025 nomination and application cycle for 7-12 grade teachers is now open.

PAEMST are the highest honors bestowed by the United States government specifically for K-12 science, mathematics, engineering, and technology teaching. Congress established the awards in 1983, and the President may recognize up to 110 exemplary teachers each year. The PAEMST program is administered by the National Science Foundation (NSF) on behalf of the White House Office of Science and Technology Policy (OSTP).

Each PAEMST awardee receives a \$10,000 award and a commemorative Presidential certificate and joins a cadre of over 5,200 PAEMST alumni. Awardees are also invited to an awards ceremony in Washington, D.C., to participate in meetings with STEM education, research, and policy leaders.

Please consider nominating an excellent 7-12 grade educator on the [PAEMST website](#) today. If you are interested in applying yourself, you can begin an application at www.paemst.nsf.gov. This cycle's application deadline is **February 6, 2025**.

Should you have any questions about the program or the nomination process, please get in touch with paemst@nsf.gov or 833-673-3273.

At Home, Benign Mass Diagnosis, Back November 18

I am home earlier than I thought I would be. The mass taken out of me has a final diagnosis as being a lymphangioma, which is benign and always is benign. It's incredibly rare, so I understand why I went through two surgeries.

I am dealing with a lot of pain and cannot do much, but in six weeks I should be back to normal. My spouse is taking time off to take care of me, and my parents came this week and my brother is showing up Thursday to help out over the next week.

Here's a strange request: If you have a little grabber sticky thingy and you don't mind lending this item, that would be super helpful. I cannot bend over to pick up anything off the ground, and I can't lift things over 10 pounds.

Thanks for all the food and good wishes; I'm so relieved this is almost over! Sincerely, [Katie Nickel](#)

Staff Scholarship Payroll Deduction Option Available

I wanted to resend Sukawt's message about payroll deduction to support the Staff Scholarship Fund and also to provide a bit more context and statement of need.

We want to give scholarships to more students. We also want to give more money to the recipients. However, based on last year's donations (only around 10-15 staff members donated) and game revenue, neither of these will be possible. In fact, the fund will continue to deplete without a change in the revenue trend.

If each staff member donated even just \$5 per month, the fund would grow and we could increase what we give each year to the students. I understand that we all have our own financial commitments to consider, and I take that very seriously. I just ask that if you can support our students in this way, please do so. The forms are on the counter right in front of the mailboxes (and also [attached](#) to this message). It takes all of one minute to complete.

On behalf of the Staff Scholarship Committee, thanks for considering. [Jason Gadek](#)

Resetting Student Passwords

This info is from Help Desk regarding students struggling with their passwords:

1. The default login for students who were enrolled from August 2022 to the present is
Username: student id
Password: two-digit birth month, dash, two-digit birth day (ex: 02-09)
2. If a student has changed their password and they do not remember it, teachers should have the tool box on their desk top that looks like this:
You (staff) will need to go into that toolbox, select the student needing help, set it to default back to their student number, and check the box that requires they change it on their next login.
