Pencil Grip Instructions for Handwriting

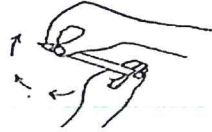

Flip the Pencil Trick

☆ For right-handed students

Step 1

Place pencil on table pointing away from you. Pinch the pencil on the point where the paint meets the wood.

Step 2

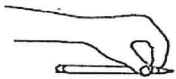

Hold the eraser and twirl the pencil around.

Step 3

Voila! This is the correct grip.

☆ For left-handed students

My name is _____

Model the 'Flip the Pencil Trick' grip.

Write your child's first name.

Use a capital for the first letter only.

Start forming letters at the TOP.

Ask child to trace or write on own.

As you are practicing, ask child to drop and pick up the pencil after each written name
